

—Pay as you go. This is golden advice that will keep the business world moving, the wheels of industry from rusting out, and the money will surely come back to you. I should not be forgotten that the earth is round. Stand the people all in line and they will reach around the world, the last touching the first. Now pay your neighbor on your right the dollar you owe him, and he will pay his neighbor on the right and so on the dollar will travel until it will come around again to your hand from your neighbor on the left. Try it. We make no charge for this receipt for the hard times.

—Many people are under the impression that the printing of stamped envelopes by the government is done at the government printing office in Washington. This is erroneous. The office at which this particular line of work is done is located at Dayton, Ohio, for which the government simply acts as agent and sales manager. The records show that the volume of this work for fiscal year ending June 1, 1908, amounted to the enormous sum of \$1,672,789.86, the business coming from every State in the union. This office is grinding out about 4,000,000 envelopes daily. There are perhaps 20,000 job offices in this country and these private enterprises are rightfully entitled to this business.

Give the Kidneys Help and Many Louisburg People Will be Happier.
 "Throw out the life line"—The kidneys need help. They're overworked—can't get the poison filtered out of the blood. They're getting worse every minute.
 Will you help them?
 Doan's Kidney Pills have brought thousands of kidney sufferers back from the verge of despair.
 Will cure any form of Kidney trouble.
 N. A. Spencer, Sr., 428 S. Wilmington Street, Raleigh, N. C., says:

"Kidney trouble had me in its grasp for years and although I tried various remedies, I was unable to find relief. The kidney excretions deposited a sediment and were unnatural but the most annoying symptom of my trouble was a dull, nagging backache, accompanied by sharp twinges throughout my body whenever I stooped or lifted. Learning of Doan's Kidney Pills, I procured a box and after using them a short time, I passed several gravel stones. From that time on I steadily improved, until my trouble was a thing of the past. I have recommended Doan's Kidney Pills at every opportunity since then and shall continue to do so."
