

The Louisburg Guaranty, Loan AND Realty Company

This is the title of the company just established in Louisburg and read below what we can do for you.

REAL ESTATE. If you wish to buy a farm, we will buy it for you, and assist you in negotiating a loan to buy it, if you want time to pay for it. If you wish to sell your farm or exchange it for another, we can assist you to do that also.

RENTING PROPERTY AND COLLECTING RENTS. If you wish to rent your property, we will assist you in finding a tenant. We will also collect your rents for you if you desire and keep the property insured and in repair.

LIFE AND FIRE INSURANCE. We will also insure your life against death, and we will insure your property against loss by fire. An insurance policy on your life will not cost much, but it would mean much to your wife and children, in case of your death. Your savings and accumulations of a life time may be destroyed in a few minutes by fire. A fire insurance policy will protect you.

MONEY. If you wish to borrow money, we will assist you to borrow it. If you have money to loan, we will place it for you on absolutely gilt edge security, and charge you not a cent. No matter what amount you may desire to place out at 8 per cent. interest on gilt edge security, whether only a few dollars, or larger amounts, we will place it for you, and not charge you a cent for our services and the services of our attorney, who has made a specialty of looking up real estate titles.

WE CAN GIVE YOUR BOND. We are also prepared to give bond of certain character, and you can have this company furnish your bond, instead of asking your friends to sign your bond.

We have enumerated in the foregoing some of the services our company can render if desired. We are prepared to serve you in a number of other ways and we offer our services to the public. We begin business February 1st.

Mapleville Items.

Oh the pretty weather, and the beautiful spring time. It seems to be casting its influence over the farmers as they are very busy preparing to plant their crops.

Owing to the small pox, measles, mumps, etc., our school has not been so good this term. The closing exercises will be held about the fifth of May.

The fishing pic-nic given by Messrs Wm. Boone, of Mapleville and Major Hill, of Louisburg, on Easter Monday was enjoyed by all who attended.

The writer had the pleasure of hearing an excellent sermon preached by Rev. G. M. Duke Sunday. His text was taken from John 20-22 and he told us many good things well worth considering.

H. M. Sledge is putting up wire around his lot on Main street and says he is going in the poultry business as it is cheaper to raise them than to have to buy them.

John W. Whelless has finished his new house on the road leading to Cedar Rock and has had it painted a very neat color. He says that he is now ready for the madam to walk in.

Our farmers union is doing splendid work, and we advise and hope every farmer in the State will join a union and work for the upbuilding of our country.

Our friend Mr. C. P. Harris has purchased the old Jackson Mill property on Cypress Creek and has moved the house and dam about one hundred yards below where it stood. He informs us that he will put in an up-to-date flour and corn mill at once and expects to get it ready for work by July 1st.

There has been more wheat, oats and rye sown around here this year than in a number of years before, and it is looking splendid.

Best wishes to the dear old FRANKLIN TIMES and its new editor.

PLAIN FARMER.

Allsbrook for Solicitor.

Laudable ambition in men of high character always appeals to us. Especially is this so when an aspirant to a place of public trust is altogether capable of filling such position. These conditions are fully met in the candidacy of Mr. R. G. Allsbrook for Solicitor of the Fourth Judicial district. The high and unanimous endorsement by the bar of Tarboro, the people among whom he has so distinguished himself as a young lawyer of marked ability, is significant indeed and should satisfy all the people of this district; those who know him personally and those who do not, of his genuine worth and splendid qualifications for the office.

In his early youth here in his home town, Scotland Neck, Mr. Allsbrook was a pupil of mine and I have

watched his course with keen interest; and with equal pride have I observed his manly bearing as a student, his fine success as a lawyer, and his devotion to public interest as a man of affairs. As a student under my tuition he was most painstaking and thorough and such has been his career as a lawyer and in every capacity in which he has been before the public. His personal character is without spot or blemish, his qualifications to serve the State in the office to which he aspires are without question, and his patriotism is of the purest and truest type.

The citizens of the Fourth District will make no mistake in nominating Mr. Allsbrook for their Solicitor, but will honor themselves in honoring him with the high trust of defending the best interests of North Carolina in her courts of justice. — Wilson Times.

E. E. HILLIARD.

Scotland Neck, March 5, 1910.

The old fashioned way of dosing a weak stomach, or stimulating the Heart or Kidneys is all wrong. Dr. Shoop first pointed out this error. This is why his prescription—Dr. Shoop's Restorative—is directed entirely to the cause of these ailments—the weak inside or controlling nerves. It isn't so sufficient, says Dr. Shoop, to strengthen a weak stomach, Heart, or Kidneys, if one goes at it correctly. Each inside organ has its controlling or inside nerve. When these nerves fail, then those organs must surely falter. These vital truths are leading druggists everywhere to dispense and recommend Dr. Shoop's Restorative. Test it a few days, and see! Improvement will promptly and surely follow. Sold by F. Reid Pleasants, Louisburg, T. C. Joyner, Franklinton.
