

# The Louisburg Guaranty, Loan AND Realty Company

This is the title of the company just established in Louisburg and read below what we can do for you.

**REAL ESTATE** If you wish to buy a farm, we will buy it for you, and assist you in negotiating a loan to buy it, if you want time to pay for it. If you wish to sell your farm or exchange it for another, we can assist you to do that also.

**RENTING PROPERTY AND COLLECTING RENTS** If you wish to rent your property, we will assist you in finding a tenant. We will also collect your rents for you if you desire and keep the property insured and in repair.

**LIFE AND FIRE INSURANCE** We will also insure your life against death, and we will insure your property against loss by fire. An insurance policy on your life will not cost much, but it would mean much to your wife and children, in case of your death. Your savings and accumulations of a life time may be destroyed in a few minutes by fire. A fire insurance policy will protect you.

**MONEY** If you wish to borrow money, we will assist you to borrow it. If you have money to loan, we will place it for you on absolutely gilt edge security, and charge you not a cent. No matter what amount you may desire to place out at 6 per cent. interest on gilt edge security, whether only a few dollars, or large amounts, we will place it for you, and not charge you a cent for our services and the services of our attorney, who has made a specialty of looking up real estate titles.

**WE CAN GIVE YOUR BOND** We are also prepared to give bond of certain character, and you can have this company furnish your bond, instead of asking your friends to sign your bond.

We have enumerated in the foregoing some of the services our company can render if desired. We are prepared to serve you in a number of other ways and we offer our services to the public. We begin business February 1st.

—Let the winter be passed, the rain is over and gone; the flowers appear on the earth; the time of the singing of birds is come and singing of hearts as well, for it is the time of sunny skies, murmuring brooks and fragrant woodlands. So thou, likewise, dear reader banish your "winter of discontent" and bear wreaths of smiles, sing praises of joy and let good cheer blossom and make fragrant and sunny your life.

—Where is the man so happy as the one who applies himself to manual labor? Where is the home so

happy as the one where each member of the household feels, at the close of the day, that they have performed some at least of the many duties devolving upon them? There may be a clash some day between capital and labor. Should this period ever come, the hope is that labor with the conquering tread of a hero, will trample beneath its heel the power that has to a considerable extent, made labor laborious. We are all laborers in our little city.

#### To The Public

All communications concerning candidates for the nomination for any State or County office must be accompanied by the usual advertising price of 10 cents per line—lines usually average from five to six words—and the name of the writer for publication. This is not done so much for a matter of profit but that each man may have an equal show at the nomination.
