LOUISBURG, N. C., FRIDAY, JUNE 24, 1910.

NUMBER 18

LOUISBURG AT BASEBALL

INTERESTING GAMES AT WILLIAMSTON PARK.

Louisburg Defeats Franklinton Tuesday and Oxford Wednesday—Other Games—Schedule For Next Week.

The baseball spirit has been high here during the past week and many of our people have been showing a personal interest for the games. Louisburg played at Franklinton on Friday, and Franklinton returned the game at Williamston Park on Tuesday. Oxford played here on Wednesday, and Epson on Thursday. Good crowds attended all games and the boys all did fine playing. The report of the games as they took place is as follows:

AT FRANKLINTON.
On Friday Louisburg went over to Franklinton and played with the Franklinton boys. The line up of both teams was strong and the game resulted in a score of 3 to 2 in Franklinton's favor. The summary was as follows: Hits on Ridgeway 7, Hedgepeth 4; struck out by Ridgeway 5, Hedgepeth 8, given bases by Ridgeway 2, by Hedgepeth 2. Umpire, A. O. Perry. Batteries—Franklinton, Ridgeway and Stuart; Louisburg, Hedgepeth and Poole. The score by innings was as follows:

Louisburg	000 200 000—2
Franklinton	002 000 010—3

FRANKLINTON AT LOUISBURG.
The second game between these two clubs was arranged for Tuesday and much interest had been manifested as to the result. Franklinton came over with a determination of winning the second game where on the other hand Louisburg was equally determined to take the honor. The game was called promptly at four o'clock and as the boys took their places in the field many cheers went up. The first inning decided the game as in this the Franklinton team was shut out and the Louisburg boys fairly knocked Ridgeway out of the box, with a result that they scored five runs.

Immediately upon the beginning of the second inning Franklinton saw that if they continued to pitch Ridgeway they would either not play out the game or not get home for our boys. Upon realizing this they replaced Ridgeway, a former "Red bird," with McKeithan, who showed himself to better advantage. Owing to the fact that Louisburg already had five runs to her credit our boys did not try to score again and succeeded in keeping the visitors from doing so. Therefore the game resulted in a shut out in the remainder.

There was much pretty work done on both sides, but the fielding of our boys was excellent and including the battery the entire team deserves congratulations. The score by innings was as follows:

Franklinton	000 000 000—0
Louisburg	500 000 000—5

Summary—Hits on Hedgepeth 1, Ridgeway 5, McKeithan 1. Struck out by Hedgepeth 11, McKeithan 1. Battery—Franklinton, Ridgeway, McKeithan and Stuart; Louisburg, Hedgepeth and Poole.

In this game there was only one of Franklinton's men, Prim, who succeeded in reaching second.
OXFORD AT LOUISBURG.
Wednesday's game gave promise of being another close game, as the report that Oxford had one of the best teams in the State had proceeded the players by several days. Upon the starting of the game it was soon learned that the report was not altogether untrue as the team was well drilled. The game was started however and our boys soon found the weak points of the visitors, and

again they found no trouble in handling the pitcher for this team. Louisburg succeeded in shutting the visitors out until the seventh inning when they scored one. They succeeded in scoring another in the ninth. Louisburg landed four in the third, one in the fifth and two in the seventh. The score resulted by innings as follows:

Oxford	000 000 101—2
Louisburg	004 010 200—7

Summary—Hits on Stone 4, Tucker 7. Struck out by Stone 8, Tucker 5, given bases on Stone 4, on Tucker 4. Battery—Oxford, Tucker and Stuart; Louisburg, Stone and Poole.
Stone's fast fielding in the box was highly complimentary and deserves special mention.

In the above game Louisburg claim the honor of taking the first of the season from the invincible Granyilians—this making their tenth game and their first loss.

EPSOM AT LOUISBURG.
Yesterday afternoon Epson was defeated in a slow and uninteresting game of ball by the Louisburg boys in a score of 8 to 1. As this team took two straight games from Louisburg last season it was generally expected that yesterday's game would be reasonably close. However it was soon seen that they were merely "play things" in the hands of our boys. The batteries were Epson, Whitaker and Faulkner; Louisburg, Hedgepeth and Poole.

It will be remembered that on next Monday and Tuesday Roanoke Rapids will play two games with Louisburg at Williamston Park, and on Wednesday and Thursday Smithfield will play two games here also. These games promises to be exceedingly good as both the visiting teams are strong and know how to play ball. All those in and near Louisburg who wish to see some good ball playing will not be disappointed if they attend these games. Louisburg will play two games at Roanoke Rapids today and tomorrow—returning home Sunday.

Get License.
Among the many young doctors who passed the examinations before the State Board of Health in session at Wrightsville the past week, and were granted license to practice medicine, we notice the following young men from Franklin county:

W. H. Farman, of Louisburg, J. O. Newell, Mapleville, T. J. Dean, Cedar Rock.

Masonic Sermon
On Sunday morning next at the Baptist church in Louisburg, Rev. A. J. Parker will preach a sermon to the Masonic fraternity of Louisburg. All Masons are especially urged to meet in the Masonic Hall promptly at 10:15 o'clock for the purpose of arranging for them to go to the church in a body. The public generally is invited to attend and hear this sermon. Rev. Mr. Bailey, pastor of the Methodist church, has kindly consented to give way for this service so there will be no preaching at the Methodist church next Sunday. The committee in charge of the arrangements will try to arrange for some special music for this occasion. Let everybody go out and hear Bro. Parker.

Why Forage Crops Should Be Fed On The Farm?

All products which can be fed to live stock, which have a market value, have a double value to the farmer. This double value consists of their market or feed value and their fertilizer value. For instance, pasture crops yield their feed value, and in addition about 90 per cent of their fertilizer value is left on the land, for on an average only about 10 per cent of the fertilizer value of the feeds are retained by the live stock. Crops that must be harvested and fed in barns or anywhere off the land where produced, yield the farmer a less value in plant foods returned to the land, because of the losses which always take place in the handling of stable manure; but in any feed at least from 1-2 to 3-4 of its fertilizer value may be retained on the farm. Live stock, therefore, usually furnish the best possible market for the coarse products of the farm because the feed value and the fertilizer value combined is almost always greater than the market value. In view of all these facts it may be put down as an invariable rule that any product suitable for feeding live stock should never be put into the ground direct as a fertilizer, for in such case its feeding value is lost; and that usually a coarse farm product should not be sold off the farm because its feeding and fertilizer values are usually greater than its market value.—Raleigh (N. C.) Progressive Farmer and Gazette.

The Fourth of July.
It may have been fitting that noise and general jollification, abandonment to "bragg" were the prominent features of the Fourth of July of the boyhood of our nation, but we have reached our manhood days now and must put away the rattles and romps of children, and consider and act as becomes those who have reached maturity and from whom the world rightfully expects and demands men's performance and resulting good for humanity.
There are clouds overhead and convulsions threatening under our feet, and while we reverently return thanks to Almighty God for the past, we should carefully survey and consider the dangers that exist on the ground we must march in the future.
The field of politeness has become a field of battle, and in the turmoil and strife attendant upon any action where man is pitted against man, there is neither time nor inclination to pay attention to any of the niceties which oil the wheels of social progress; but in almost every other department of social life we find men regulating their conduct toward each other with more regard for the decencies of life and the demands of honor. In politics alone do we find cruelty, falsehood, meanness the rule rather than the exception.

When You Hire Help.

When you employ men, employ only good ones, when you can. Careful, honest, conscientious men are treasures. A man so slow that he never makes mistakes is simply N. G., and equally as bad is the rushing man who makes only mistakes and does nothing or little right.
Stick to the man who works his brains some, and his hands some, too.
Fire the man at once who is fiery in temper, yells and storms about the lot and barn, stornas or clubs the stock and kicks the dog from sheer ill nature.
There are far more balky drivers than balky horses; more kicking milkers than kicking cows.
When you see a man of 50 or 60 who has worked everywhere, at nearly everything, and is still rolling mossless, you may as well let him roll by, for all the good he will do you. He is wrong somewhere, you may be sure.
I have known many a man to lose a good place or throw away the fruits of a long time of industry and kick himself out of a good job by a single lapse of control. A kind disposition and even temper are absolutely necessary among stock for success, as well as among help.
And if a firm, even temper is essential to the man who does the work, it is even more so to any man who directs other men's work.—A. M. Worden, in Raleigh, (N. C.) Progressive Farmer and Gazette.

THE MOVING PEOPLE

THEIR MOVEMENTS IN AND OUT OF TOWN.

Those Who Have Visited Louisburg the Past Week—Those Who Have Gone Elsewhere for Business or Pleasure.

J. W. Mann, of Sanford, was a visitor in town the past week.

H. C. Green, of Hamlet, visited his people here the past week.

Mrs. A. E. Mitchell left Tuesday to visit relatives at Henderson.

Edward Alston, of Henderson, is visiting his sister, Mrs. W. H. Pleasants.

Mr. S. J. Bartholomew and son, of Castalia, were in the city Tuesday.

Mr. K. G. Winstead, of Wilson, spent a few days in Louisburg the past week.

J. P. Scoggin and wife, of Warrenton visited his brothers in town the past week.

Mrs. J. L. Strickland, of Moncure, is visiting at Mr. W. M. Boone's, near Mapleville.

Perry W. Fuller, after visiting his people here, left Friday for his home in Baltimore.

Misses Lucy and Helen Smithwick left last week for Asheville to spend the summer.

Mrs. R. G. Hart left Wednesday for Wrightsville to spend several days at the beach.

Misses Florence and Elizabeth Page, of Aberdeen, are visiting their grandmother Mrs. W. H. Pleasants.

Messrs D. F. and F. B. McKinne left Sunday for Princeton in answer to a message that their father was very ill.

H. W. Thompson returned Friday from a trip to Warren county where he took his little children to live with his people.

Dr. H. A. Newell returned yesterday from Wrightsville where he attended a meeting of the State Medical Society.

Mrs. J. T. Ellis, of Aberdeen, who has been visiting at Mrs. W. H. Pleasants the past two weeks, left Monday for Norfolk.

Mr. R. G. Allsbrook, of Tarboro, and who is candidate for the nomination of Solicitor for this district, was in town the past week.

Frank Alston, who has been visiting his sister, Mrs. W. H. Pleasants, left the past week for his old home in Warren county for a visit.

Rev. L. W. Swope left Monday to take his usual summer vacation. He was accompanied by his wife and they went first to Newberry S. C.

Mr. and Mrs. R. G. Allen and Mr. and Mrs. R. Y. McAden left Wednesday for Wrightsville, to attend a Meeting of the Banks convention.

Mr. Leslie Johnson, who has been connected with the Times for some time, has returned to Rocky Mount where he has taken a position with J. W. Devenport, in the grocery business. He was accompanied on his return home by Miss Margaret and Earl Johnson, who have been visiting relatives in Louisburg.

Mr. Percy Fleming Hurt.

We take the following item from Saturday's News-Observer. Mr. Fleming was a former Louisburg boy and has many friends here who wish for him a speedy recovery:
A painful accident befel Mr. Percy Fleming yesterday afternoon about 6:30 o'clock, when his horse became frightened on west Morgan street and threw him from his buggy.

The accident occurred at the bridge that crosses the Seaboard Air Line track. Mr. Fleming had been in the western part of the City and was returning home. As he neared the bridge his horse became frightened at a passing train and dashed off at a

breakneck speed, throwing him violently to the ground. The buggy was completely wrecked.

Upon examination, it was found that Mr. Fleming had received a cut over one of his eyes. His head was also bruised and he received a slight injury in the side. He was taken to his home on Polk street by Mr. Leigh Skinner.

It is hoped by his many friends that Mr. Fleming's injuries will not prove serious.

Free Delivery Carriers Meet.

We are requested to state that the Rural Free Delivery Carriers will meet at the court house in Louisburg on Tuesday, June 28th, 1910, at 4 p. m. All carriers and substitutes in Franklin county are invited to attend.

Democratic Convention

As directed by the Democratic Executive Committee of the Metropolitan, 4th Congressional District of North Carolina, I hereby call a convention of the Democrats of said district to meet in the city of Raleigh on Wednesday, July 6th, 1910, at 1 o'clock p. m., for the purpose of nominating a candidate for congress and such other business as may be properly brought before it.

JAMES R. YOUNG, Chairman.

Wrightsville.

The editor attended the Press Association at Wrightsville on the 8 to 10 inclusive and to say that the people at both Wilmington and Wrightsville treated us royally does not half express it. Everything was thrown wide open to the editors and their escorts and showed that all the people at these two places appreciated having the meeting with them. Wrightsville gives promise of becoming the most popular of the many seashore resorts.

Pink Page Kill Willie Barham.

On Sunday last near Mr. Tinker Perry's, in Harris township, Pink Page shot and killed Willie Barham, both white. It seems that a dispute occurred between the two men in which knives and pistols were used with the result that Page was badly cut about the face and breast and Barham was shot three times, killing him almost instantly. Page was arrested at Rolesville and taken to Raleigh and placed in jail, and was brought to Louisburg Monday by Deputy Sheriff H. A. Kearney and is now in jail here awaiting preliminary hearing.
As the preliminary hearing will take place next Tuesday we will not attempt to make a report in detail.

Fats vs Leans.

A number of our citizens are arranging for a match game of baseball between the fats and leans of Louisburg to take place as early as they can get an opening at the Park. The teams will be taken from the following lists:

Fats—W. M. Boone, J. W. King, J. E. Thomas, L. L. Joyner, E. S. Green, Dr. R. F. Yarborough, J. S. Lancaster, Rev. A. J. Parker, S. P. Boddie, Clarence Stimpson, B. N. Williamston, W. H. Pleasants, J. M. Joyner, M. S. Clifton, Dr. A. H. Fleming, W. M. Person.

Leans—E. L. Best, P. R. White, W. J. Barrow, Geo. Scoggin, B. G. Hicks, K. K. Allen, J. B. Yarborough, J. H. Tucker, J. J. Barrow, F. W. Wheelless, C. C. Hudson, A. F. Johnson, F. N. Egerton, Jr., Dr. H. A. Newell, W. B. Cooke. Umpire—T. B. Wilder.

Social

During the past week there has been several delightful social events in Louisburg given in honor of visiting young ladies, Misses Angus Lacy of Raleigh and Florence and Eliza-

beth Page, of Aberdeen. On Saturday night the party was entertained at Mrs. W. H. Pleasants and on Monday evening at the home of Mr. J. A. Turner. Monday night was selected by Mrs. J. J. Barrow, who gave the party a merry time. Mrs. T. Wilder entertained the party on Wednesday night. A reception was also given at Mr. W. H. Allen's to the guest one night last week. At all the above occasions there was a large number present and enjoyed themselves very much.

About the Cemetery

To all those who have lots at the cemetery here we would like to ask that if a trip out there at this time of the year would not be sufficient to cause him to put forth some effort to better conditions. There are a dozen ways to do this and we feel sure that a meeting of the owners of lots could be had the trouble could be settled. As it now stands to a stranger it would be a mark of lack of respect for the dead, however when the circumstances are understood there is some excuse for the general condition. But, "where there's a will there is a way" and lets get to work with a will that will not end until we have found the way to remedy the conditions in the city of our dead.

Appointed To West Point.

Mr. R. E. Lee, of Dunn, but who is now a member of the Louisburg baseball team, has been appointed as a student at West Point by Congressman Goodwin. The many friends of Mr. Lee in Louisburg rejoice at his appointment but regret to see him leave our midst.

Mrs. Hart Entertains.

On Monday night at the home of Mrs. R. G. Hart on north Main street, a number of friends were delightfully entertained in honor of Misses Agnes Lacy, of Raleigh Progressive convention was the amusement of the evening. Prizes were awarded to Misses Agnes Lacy and Alba Allen, after which the guests enjoyed dancing on the porch. At intervals during the evening delightful refreshments were served. Those present were Miss Alba Allen with Avery Winston, of Selma, Miss Annie Allen Mr. Smith, of Durham, Miss Mary Bell Macon with Graham Egerton, Miss Stark, of Oxford, with Wilson Green, Miss Mary S. Egerton with Mr. Bailey, Miss Margaret Hicks with William Jackson, Miss Maua Hicks with Tom Boddie, Miss Fannie Boddie with Osmond Yarboro, Miss Ruth Allen with Frank Egerton, Miss Florence Page, of Aberdeen, with Weldon Egerton, Miss Elizabeth Page, of Aberdeen, with Tom Egerton, Miss Lizzie Lee Aycock with Julian Hart, Miss Ina Harris with Balger Hart, Miss Glennie Aycock with Clayton High, Miss Claude Aycock with Sam Turner, Miss Abiah Person with Elliot Egerton.

Where the Flag Was Born.

The small two-story house still standing at 239 Arch street, below Third, Philadelphia, has an interesting history. In it the first flag containing thirteen stars and thirteen stripes, was made by Mrs. John Ross. The design for the flag was from a drawing made by George Washington with a pencil, and the flag thus designed was adopted by a resolution of Congress on the 14th day of June, 1777. A committee of Congress accompanied by General Washington, afterward called upon Mrs. Ross and engaged her to make a flag from this design. The flag then made is now known the world over as the Star Spangled Banner of the United States. There is a striking resemblance between the design of our flag and the arms of General Washington, and it is believed by many that the American flag was derived from this heraldic design.
