Bible Study for Everybody.

The International Press Bible Question Club is affording the opportunity and stimulus for everybody, either at home or in classes, to study the International Sunday School Lessons. The Adult Bible Class Movement has brought together thousands of men who study the Bible in classes every Sunday, but the I. P. B. Q. C. with its "Suggestive Questions," lays out for them a most fascinating lot of questions to discuss and at the same time affords the opportunity for the sub larger number, who do not attend Sunday School, to profitably study the lesson at home.

We are glad to report that our effort to enlist the masses in Bible study is being appreciated by our best people; words of encouragement are being freely said in favor of the work we have undertaken. Pastors, Sunday School workers, and others, interested in Bible study, are giving us much encouragement. But this we expected; we did not, however, expect our "Suggestive Questions" would so interest non churchgoers. This is an agreeable surprise, and it is very encouraging. From what we have learned, we shall not be surprised if non-church goers capture some of the best prizes.

We advise everybody to study these questions right along, so as to be ready to enter the contest. If you are not a subscriber to the FRANKLIN TIMES send in your subscription on the attached coupon.

Dumb Chills and Fever.

Douglasville, Tex.—"Five years ago, I was caught in the rain at the wrong time," writes Miss Edna Rutherford, of Douglasville, "and from that time, was taken with dumb chills and fevers, and suffered more than I can tell. I tried everything that I thought would help, and had four different doctors, but got no relief, so I began to take Cardui. Now I feel better than in many months. Cardui does one thing, and does it well. That's the secret of its 50 years of success. As a tonic there is nothing in the drugstore like it. As a remedy for women's ills, it has no equal. Try it. HOW TO CURE RHEUMATISM

It is An Internal Disease And Requires An Internal Remedy.

The cause of rheumatism and kindred diseases is an excess of uric acid in the blood. To cure this terrible disease this acid must be expelled and the system so regulated that no more acid will be formed in excessive quantities. Rheumatism is an internal disease and requires an internal remedy. RUBBING with Oils and Liniments WILL NOT CURE, affords only temporary relief at best, causes you to delay the proper treatment, and allows the malady to get a firmer hold on you. Liniments may ease the pain, but they will no more cure Rheumatism than paint will change the fiber of rotten wood.

Science has at last discovered a perfect and complete cure, which is called Rheumacide. Tested in hundreds of cases, it has effected the most marvelous cures; we believe it will cure you. Rheumacide gets at the joints from the inside, sweeps the poisons out of the system, tones up the stomach, regulates the liver and kidneys and makes you well all over. Rheumacide strikes the root of the disease and removes its cause. This splendid remedy is sold by druggists and dealers generally at 50c. and \$1 a bottle. In Tablet form at 25c. and 50c. a package. Write to Bobbitt Chemical Co., Baltimore, Md. Booklet free. Tablets sent by mail.
