

Cheerfully Dismissing

the idea of building a bank account for yourself—just because you feel that you are unable to do it—isn't the intelligent way of dealing with the matter.

If you are a money earner you can have a bank account if you want it—really want it. If you want it enough to forego the pleasures of the "Small Purchase" temptation.

Come in and let us explain to you how easy it is to start an account at this bank—you can add to the account at any time and in any amount you wish.

Just Half in Bed.

Clyde, Ky.—Mrs. I. A. Decker writes from Clyde: "I recommend Cardui, the woman's tonic, to any woman in need of a remedy. For five years, I was unable to do my own work. Half my time was spent in bed. At last I tried Cardui. Now I am well and happy, and can do my own work." Don't suffer pain, headache, backache, and womanly miseries, when your own druggist has on his shelf a remedy for such troubles, Cardui. Get a bottle for your shelf. As a general tonic, for weak women, nothing has been found for 50 years that would take its place. Try it. It will help you.

Youngsville Items.

Youngsville will soon be placed on the highway, and the citizens in and about the place are putting forth every effort toward building good roads. The following are some of the indications. The road out to Pocomoke has been partially surveyed, satisfactorily to the community; practically all of the machinery has arrived and a number of the mules. These indications point to an early beginning of the work, which when started will invite a smile from the whole community.

We are sorry to announce that an epidemic of the measles has decreased the school attendance greatly for the past few weeks. It seems that it has visited every individual in the community who has not been its previous victim, but we are all glad to say that all of those who have been troubled with them have virtually recovered. We are sure that this community will not be troubled with this disease in a number of years to come.

Our home base ball team has played and won its first three games of the season. The first game with Horner's Military School was won nine to one. The second game with New Hope, was won One to nothing. The third game was played with Warrenton High School, Saturday April, 1st., Youngsville administered a nice April fool to the Warrenton

Nine. Edwin Winston was in the Box for Youngsville. He pitched superb ball letting the opposing team down with only one hit. On the other hand Youngsville made hits almost at will, which meant runs. Youngsville and Warrenton play again Saturday April 8th, at Youngsville. The game bids fair to be a most interesting one. Come and see the game everybody who can.

HEADQUARTERS FOR CLEANING REQUISITES

Not alone in quantity can your grocery money be made to go further. You can save both in quantity and quality at this store. Quality alone does not make a bargain. Quality is as necessary as quantity in a bargain. For instance, a pound of cheap coffee is far dearer than a pound of moderate priced coffee. For a pound of bad coffee will not brew so many cups as a pound of good coffee. Your grocery money buys as much here as at any other store in town.
