

**A Continental Chorus of Praise**

It is doubtful if any Bible study plan ever received such enthusiastic endorsement by the leading men of the nations as the "Suggestive Questions on the Sunday School Lessons" now running in the FRANKLIN TIMES. University presidents, leading Sunday school men, pastors of large city churches, as well as of smaller places, and the rank and file of the churches praise these questions to the skies. It is hard to make a selection from so many hundreds of testimonials, but here are a few with a word or two culled from each:

President Hadley, Yale University: "They are certainly calculated to stimulate thought." Rev. Wayland Hoyt, Professor of Religion and Science, Temple University: "I think your questions suggestive and valuable." Vice-President Gobin, Depauw University: "I am very much pleased with your questions, I will see what I can do to have them published here." President Burwash, Victoria University: "I have read with great interest your questions. Your method of dealing with the subject strikes me as most excellent." Principal Gordon, Queen's University: "The method adopted by you of issuing questions for the use of Bible Classes is a good one; I have tested its value in my own experience." Rev. Newell Dwight Hillis, Pastor Plymouth Church, Brooklyn, N. Y.: "Your questions are suggestive and calculated to provoke thought and investigation." Rt. Rev. Bishop Fallows: "I hope you will continue to give them to the church and the world." Rev. Dr. Schauffler, Chairman International Lesson Committee: "I have read your questions and find them most capital." Rev. Dr. Arbuckle, M. E. Pastor, Columbus, Ohio: "Your International Press Bible Question Club is a happy thought."

We urge all our readers to take up the study of these questions and compete for the prizes. One big prize you are sure to get in any event. You will need the FRANKLIN TIMES to get the questions and coupon. Subscribe today.

**ALL WRONG.**

**The Mistake is Made by Many Louisburg Citizens.**

Don't mistake the cause of headache.

To be cured you must know the cause.

It is wrong to imagine relief is cure.

Backache is kidney ache.

You must cure the kidneys.

A resident of this vicinity shows you how.

Eugene Thorne, Adams Ave., Henderson, N. C., says: "I used Doan's Kidney Pills and must say that they have benefited me more than any other remedy I ever tried. For years I had kidney trouble and I suffered almost constantly from backache and distressing pains in my loins. Some days I was hardly able to stand for more than twenty minutes at a time and I rarely got a full night's rest. I took several kinds of medicine and also wore plasters, but I found no relief. Doan's Kidney Pills were finally recommended to me and getting a box I began their use. They removed my aches and pains and restored me to better health than I had enjoyed for years. Some years ago I publicly endorsed Doan's Kidney Pills and at this time I am glad to speak in their praise again. The benefit I received has been lasting." For sale by all dealers. Price 50 cents.
