From a Late Snapshot

To see all of his regular Patients and such new Cases, as may wish to consult him. Dr. Packard enjoys a state wide reputation, among the profession and the Public of North Carolina, where for more than 25 years he has devoted his entire time to the Study, Treatment and Cure of Chronic Diseases. The Doctor has had wonderful success in his chosen work, that of curing chronic sufferers, Men, Women and Children. The Patients he has restored to Health after they had given up all hope of being cured are numbered by the thousands. He is a kind, generous, democratic gentleman to meet, of high scholarly attainments, and dignified personality. Coupled with a Brotherly interest, in all who seek his advice. He does not take a Patient for Treatment unless he can foresee a Cure of the Case. The most commendable feature of his work, and one that appeals to the ordinary, plain person, is the fact of his charges being so reasonable and moderate as to make it within the reach of even the very poor. At no time do the charges amount to more than \$7.00 a month or about \$1.50 a week. He gives his own medicines, and there are no extra Charges. It takes him never more than from four to six Months to Cure a Case under Treatment. All Cases, even those who have been given up as Incurable or Hopeless, have been Cured and restored to perfect health by this Brilliant Physician and the wonderful methods he employs.

If you want to meet him and have him examine you, go to see him, and talk the matter over with him. It will cost you nothing if he does not put you under treatment. If he takes your case, it will cost you a very small sum to get well.

Remember the Date and come early.

RIVERSIDE

OPENING - SALE

Thursday, August 31st,

As our name implies we are INDEPENDENT of any combination or anybody except the Tobacco Growers. We started in business as an INDEPENDENT house and the farmers have shown their appreciation by a liberal patronage in the past, for which we want to thank them and ask their support for this season. We have always done everything in our power to obtain the highest price for every pile of tobacco placed on our floor and we are going to try harder this season. We expect prices this season to be good and we believe that the best price can be gotten by selling with us.

We want every farmer who comes to Louisburg, whether a tobacco farmer or not, to make the RIVERSIDE his headquarters and make himself at home as you are always welcome with us and we are glad to see you whether you have a load of tobacco or not.

We think we have the best force this season that has ever run a warehouse. Mr. J. R. Collie has at last been converted and has joined the INDEPENDENTS, so he will be with us this season. With NED FORD, BEN WILLIAMSON and JIM COLLIE, the three "Young Reliables" to see that every pile of tobacco brings its full value, we don't believe a single farmer who knows them will worry about his tobacco when he places it on the RIVERSIDE floor.

Start with us on Thursday, August 31st, with a load and you will never quit us as we have never lost a customer.
