

The Bills.

Here's the postman with the bills,
Monthly bills!
At his coming how my solar plexus
thrills!
How it trembles trembles, trembles
With a kind of quacking fright
As the massives he assembles
(While my tragic face resembles
A storm-threatened, starless night)
Seem to climb, climb, climb,
To an altitude sublime,
Heaping till they make a ghostly range
of frigid-looking hills
The bills, bil's, bills, bills,
bills, bills, bills—
Heart-dressing, soul-depressing, un-
paid bills!
Here are yellow wedding bills—
Golden bills!
What a world of weariness their quan-
tity instills!
Though they're reminiscent, quite,
Of a time of pure delight,
Now they make me madly note,
And all in vain,
That I must have been the goat
When those turtle-doves were married
—do they gloat
O'er my pain?
Oh, these bills are bitter pills;
What a juicy bank-account their liqui-
dation kills!
How it chills!
How it spills
Into Nothing! How it rills
Into bill collectors' fills!
While those endless checks I'm draw-
ing.
Paying bills, bills, bills,
Paying bills, bills, bills,
Bills, bills, bills—
As the color keeps retreating from my
gills!

—The prices for tobacco remain good although there is not much of the weed being marketed so far.

—It pays to advertise in these columns according to our many advertisers, who are reaping the benefits hereof.
—The bank statements in this issue make a good showing. A neat increase of business will be noticed in each one.
—On account of a quorum not being present there was no meeting of the Board of Town Commissioners on last Friday night.
—It begins to look like old times to see the long string of college girls parading the streets on their afternoon walks.
—It sounds good to us to hear people speak of Louisburg. We are not the only ones that believe Louisburg is the finest place on earth.
—Mrs. S. H. Boone passed through town on Wednesday for Durham, where she is going to undergo an operation. She was accompanied by her sister, Mrs. P. G. Alston.
—While crossing the bridge here Dr. J. O. Newell's horse stepped in a hole and skinned his legs and knees up very badly. Such things as holes in bridges, like this, should be carefully looked after.
—The sanitary officer could possibly find some occasion to raise a kick if he should visit many places in Louisburg. Our citizens better look after their premises carefully before he slips up on their "blind side."
—Chief Cooke, of Franklinton brought over three white men Otis and E. H. Kearney and J. W. Morton and one negro Oro Woody Saturday morning. The three first named were tried and fined for disturbing the peace in Franklinton and rather than pay the fine decided to "lay it out in jail."
—We wish to extend our thanks to all those of our subscribers who have assisted us the past week or two by coming in and making a payment on their subscription. There has been quite a number of them and we are truly thankful of your thinking of us under these circumstances.
—A little excitement was created in Louisburg on Saturday afternoon when Wm. Hart, colored, was arrested by Sheriff W. M. Boone, for stealing \$12.50 from the ticket agent at the merry-go-round. He was placed in jail to await court. All the money, except a few cents, was recovered from the hiding place in which he had placed it.
—Miss Maude Hicks, has taken a

position as art teacher at the Louisburg Female College. In the selection of Miss Hicks, the Trustees made a wise and able choice, as her talent for this beautiful study is masterful. She has many friends in and around Louisburg who will delight to hear that she has taken up this branch at this well known institution.
—We overheard a gentleman say the other day that "if it was possible and a person would tell him he could live five years in Louisburg or ten years anywhere else, he would take the five years in Louisburg, as one hour there amounted to more than two hours anywhere else to him so far as real pleasure and enjoyment were concerned." This sounds good for our little town. We love to hear people talk of it like this.

Digestion and Assimilation.
It is not the quantity of food taken but the amount digested and assimilated that gives strength and vitality to the system. Chamberlain's Stomach and Liver Tablets invigorate the stomach and liver and enable them to perform their functions naturally. For sale by all dealers.

Lights All Night.
From an order of the Electric Light Committee yesterday the lights will be kept on all night from now on through the fall. This is a wise decision and we feel safe in saying that it will meet the approval of all the citizens of the town. Let's all take off our hats to the committee.

GUTH
Sets the Standard "Sterling" on silver, "Carat" on gold, "Guth" on CANDY

these are the hallmarks of the highest standard quality. Yet the name Guth is more than a guarantee of quality. It tells in a word a true candy romance of the perfect blending of sweet with sweet. It tells of olive hued, old world maidens robbing heavy laden trees of their wealth of nuts and tempting fruits, of the sunny cane fields of the Southland; of the dim leafy vistas of the nut groves of Brazil, of long and stormy sea voyages, and then, greatest of all it tells of human skill and ingenuity, of deft fingers which combine all this wealth of forest and field into delicious confection which candy lovers, epicures everywhere have acclaimed supreme. If you have not tasted Guth Chocolates and Bon Bons, you are unacquainted with the world's highest standard of candy quality. We have just added the above line to our already complete stock and invite everybody in Franklin county to call at our store.
