It's strange that the officials of a town would so uphold the violators of the public laws that they keep the trial dockets privately, instead of suppressing crime by making everything public as it really is.

That was "magnifying" booze that some of them got hold of last Thursday at the show. One fellow said, "My land boys whoever saw so many elephants, that's the biggest drove I ever saw," and the show didn't have but one elephant.

### Raily Day.

We want this "Raily Day" to be a "Red Letter Day" in the history of the Methodist Sunday school. To make it so, we need every member of the Sunday school to be present. We want all those who ever did attend both the old and the young. We want the parents of the children and want those who never have attended the Sunday school. Let each member bring some one not already a member.

Sunday school will open at the regular hour, 9:45 with usual order of service.

At 11 o'clock a special exercise by the children will begin, taking the place of the morning exercises.

Every one is cordially invited to attend.

The collection will be taken for our Methodist Sunday school building at Waynesville, N. C.

The best plaster. A piece of flannel dampened with Chamberlain's Liniment and bound over the affected parts is superior to a plaster and costs only one tenth as much. For sale by all dealers.

### Grand Concert.

The Alkahest Show Co., of Atlanta, Ga., presents its second show at the Graded School Friday night. All who attended Edwin R. Week's "Fun-loving" entertainment in September came away highly delighted.

Tonight the "Beulah Quartette" made up of four beautiful and attractive women will give to Franklinton such a musical treat as it has never known before.

Each musician is an artist and comes to us highly recommended. A delightful instrumental and vocal program is arranged. We want the people to come.

The audience for the first show was splendid. We want a larger

one for this. It is an opportunity we can't afford to miss.

Remember that the profit from the show goes to the Graded school.

You are not experimenting on yourself when you take Chamberlain's Cough Remedy for a cold as that preparation has won its great reputation and extensive sale by its reliable cures of colds, and can safely be depended upon. It is equally valuable for adults and children and may be given to young children with implicit confidence as it contains no harmful drug. Sold by all dealers.

## "CURED MOTHER OF ULCERATIONS"

Rev. B. C. Thompson, of Aleshie, N. C., writes: "My mother was a great sufferer from an ulcerated trouble peculiar to women. She took Mrs. Joe Person's Remedy and Wash, and found it invaluable. It cured her. We heartily recommend it to those suffering from cancerous or impure blood affections."

Ulcers and Old Sores are the result of bad blood, and can never be cured until the blood is thoroughly purified, and all poison driven from the system. External applications alone can never do it. You must get right down to the seat of the trouble and eradicate the disease from the blood. For this purpose there is nothing so good as

### MRS. JOE PERSON'S REMEDY.

It is the best Tonic, Alterative, Blood Purifier and Nervine ever offered, and we have the signed testimony of hundreds of living witnesses to prove it. These witnesses testify to the marvelous curative powers of this great remedy in cases of Eczema, Scrofula, Old Sores, and all troubles resulting from impure, impoverished and Poisoned Blood.

Many of these cures seem almost miraculous—patients given up by doctors and relatives brought back to the full bloom of health as if by magic—literally snatched from the grave. But these witnesses are so reliable, and speak in words of such convincing truthfulness that none who reads can doubt. We will be glad to send this written testimony to all who desire to know how Mrs. Joe Person's Remedy and Wash have done for others.

We want to help our afflicted brothers and sisters who are now helplessly enduring the agonizing tortures of Indigestion, Dyspepsia, Stomach Trouble, Nervousness, Rheumatism, Catarrh, Female Troubles and Blood Poison. We don't care of how long standing your trouble—Mrs. Joe Person's Remedy will cure you, because it sends pure, rich blood bounding through your veins, puts solid healthy flesh on your bones, and gives you strength to drive out disease.

Mrs. Joe Person's Remedy is a strictly vegetable compound. It contains no dangerous minerals, and can be safely given to the smallest infant. Whenever the trouble is external, it is necessary to use the Wash with the Remedy.

For sale by druggists, or supplied direct on receipt of price, \$1.00 per bottle; 4 bottles \$3.00, by express prepaid, for \$3.00, by
