 BROWN EYES.

Reflections of a Bachelor.

All a man seems to need to do a foolish thing is to know better.
 There's a world of hopes; there's a universe of disappointments.
 Some men are so unlucky all the time that they can't get hold of any money, even in a dream.
 It takes only talent for a woman to get a man in love with her; it takes a genius to keep him there.
 When a girl hates to be kissed, it's a sign it isn't the right man.
 Expense meets you at the start; you may catch income at the finish.
 Being wise in business doesn't mean a man can't be a fool in everything else.
 What makes a man so excited in an argument is he resolved at the start not to be.

A Father's Vengeance
 would have fallen on any one who attacked the son of Peter Bondy, of South Rockwood, Mich., but he was powerless before attacks of Kidney trouble. "Doctors could not help him," he wrote, "so at last we gave him Electric Bitters and he improved wonderfully from taking six bottles. It's the best Kidney medicine I ever saw." Backache, Tired feeling, Nervousness, Loss of Appetite, warn of Kidney trouble that may end in dropsy, diabetes or Bright's disease. Beware! Take Electric Bitters and be safe. Every bottle guaranteed. 50c at Aycock Drug Co.
