CLOSES ON WEDNESDAY

As a man's mind is bent, so is his tongue inclined.

—Mr. J. E. Faulkner and family have moved to Alert.

—You have to go "rough shod" now or down you go.

—What has become of the old fashion man whose work was as good as his bond?

—There are some very "big" talking people in this section but they don't hurt, for every "dog that barks don't bite."

—Mr. Robert Rose, son of Rev. W. W. Rose, has accepted a situation with the Sterling mercantile establishment.

—Miss Kitty Foster was called to Scotland Neck Monday by a telegram informing her of the illness of her uncle, Mr. Hilliard.

—Robin Red Breast stands a very poor show now. The boys kill them by the hundred and still they continue in large gangs.

—Mr. A. B. High, a former resident of our town, has accepted a position at S. A. L. telegraph office where he held a position several years ago.

—Wesley Holmes, who was an employee at the S. A. L. telegraph office during 1911, left January 1st, to take a position in the office at Henderson as operator for Western Union.

—After standing still for several days on account of repairs to the mill, I. H. Kearney's corn mill is now running night and day and his customers will now get their "turn as usual."

Sunday evening at 7 o'clock Mr. Ira Preddy and Miss Emma Woods were married at the residence of the bride's father, Mr. Henry Woods, on Cotton Mill Hill. Esq. Nicholson performed the ceremony.

—The past ten days Franklinton has experienced the coldest weather in six years. The thermometer registered anywhere from 20 to 7 degrees above zero. It began to warm up a little Wednesday and every indication is for rising temperature in the next few days.

—Mr. W. H. Harris and family, former residents of our town, have moved to their plantation in Wake county. Our people regret very much to lose so popular and useful citizens as Mr. Harris and wish for them much prosperity and happiness in their new home. They will be sadly missed not only by a few, but by everyone. Mr. Harris was a member of the Masonic Lodge here and we understand he intends moving his membership to Wake Forest, much to the regret of the lodge here.

—Mr. Donald Cheatham, of Durham, nephew of Capt E. J. Cheatham, has decided to cast his lot with us and will open up a large mercantile business in the new brick building which is rapidly going up, and is hoped to be ready for occupancy not later than February 15th. Donald will be gladly welcomed as a resident of our town and our people extend to him all the good will, prosperity life long and success while in her borders. The Woman's Club Meets With Mrs. George Harrell.

The Woman's Club met with Mrs. George Harrell Tuesday afternoon at 4 o'clock. In spite of the disagreeable weather sixty members were present.

The business meeting over, a most delightful contest ensued. To each guest was given a card on which to write a New Year's Resolution of ten words, words beginning with the following letters and consecutively n. t. g. a. p. s. f. u. m. r.

After fifteen minutes, the cards were judged and the prize, a dainty work bag was awarded Miss Lela Byrnes, for the best resolution. The hostess then read aloud all the resolutions, which caused much merriment and laughter, for there were humorous as well as serious ones.

"Man's sentiment" seems to be creeping into the Club, as expressed in one of the resolutions, not to go about parading silly fashions, use more religion.

"Not to go around posting signs for unfinanced matinee rumpuses, especially appealed to two members of the Club, and probably it will to the community. The prize winning resolution should have appealed and become a resolution to all—"Not to gossip about peoples several faults unless merited richly."

After the contest delicious refreshments were served.

The Bringing Up of Mother.

Martha heard some one speak of her mother's deficiencies in arithmetic—which are perfectly visible to the naked eye—so she came and sat down beside her gravely and began:

"Mother, take four from fourteen and how much does that leave?"

"Ten," proclaimed the parent, thinking she was teaching the little one her lesson.

"Now, three from eight—that's rather hard, you know."

"Yes, it's frequently gotten on my nerves, too—but it eventually leaves five."

"And four from five."

"One," exclaimed her elder from the proud pinnacle of perfect knowledge, thinking also what a nice teacher she was.

Martha rose with a sigh of relief from the region of her pinafore, and said kindly but with some condescension "Well, now you have learned that much, anyway."

Reflections of a Bachelor.

A man can worry a heap more over his baldness than his debts.

The reason the whole family spoils the baby is because each one thinks nobody else ought to do it.

A woman goes off in a room by herself to have a beautiful time with a bunch of old letters the way a man does with an old pipe.

When a man is so afraid a young woman might wet her feet that he wants to carry her across the street they aren't married yet.

A long sermon makes a short impression.

A woman likes to do a thing and make up her mind about it afterward.

The place for the man who thinks the world is a fool is in an asylum.

It takes an awful long time for a man to put on a woman's rubber, unless she's his grandmother.

When a young woman isn't afraid to climb a fence you could understand the reason, too, if you saw it.

STEADFAST CONFIDENCE.

The Following Statement Should Form Conclusive Proof of Merit to Every Louisburg Reader.

Could stronger proof of the merit of any remedy be desired than the statements of grateful endorsers who say their confidence has been undiminished by lapse of time? These are the kind of statements that are appearing constantly in your local papers for Doan's Kidney Pills.

They are twice told and confirmed with new enthusiasm. Can any reader doubt the following? It's from a resident of this locality.

Mrs. M. J. Brown, 548 E. Hargett St., Raleigh, N. C., says: "I have no reason to change my high opinion of Doan's Kidney Pills which I publicly expressed some years ago. The secretions from my kidneys were in bad shape and I had other symptoms of kidney and bladder trouble. I consulted doctors and used several remedies but I found no relief until I used Doan's Kidney Pills. They improved my condition in every way and restored my kidneys to a normal condition."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Medicines that act on the nature are always most effectual. Chamberlain's Cough Remedy acts on this plan. It allays the cough, relieves the lungs, opens the secretions and aids nature in restoring the system to a healthy condition. Thousands have testified to its superior excellence. Sold by all dealers.

HOW TO CURE RHEUMATISM

It Is An Internal Disease And Requires An Internal Remedy.

The cause of rheumatism and kindred diseases is an excess of uric acid in the blood. To cure this terrible disease this acid must be expelled and the system so regulated that no more acid will be formed in excessive quantities. Rheumatism is an internal disease and requires an internal remedy. RUBBING with Oils and Liniments WILL NOT CURE, affords only temporary relief at best, causes you to delay the proper treatment, and allows the malady to get a firmer hold on you. Liniments may ease the pain, but they will no more cure Rheumatism than paint will change the fiber of rotten wood.
