Items of Interest Gathered From in and Near Our Sister Town Each Week

CLOSES ON WEDNESDAY

—W. M. Person, of Louisburg, was in town Tuesday.

—Miss Azile Sandling, who has been visiting relatives in Franklinton and the country for several weeks, returned to her home in Clinton Tuesday.

—Col. McGhee's new patent street lamp gives a brilliant light and would be a "big hit" if we had a few of them on some of our dark corners.

—The new brick building is fast nearing completion. The floors are nearly all laid and in a few days you will see one of the handsomest buildings our town has ever had.

—We understand that the Missionary Laymens Convention will be in session here on March 9th and the pulpit of the Baptist church will be filled by members of this convention at both services morning and night 10:30 and 7:30 o'clock.

—On March 12 the eighth district convention of I. O. O. F. will meet with the Franklinton Lodge. There will be a public meeting at night in the auditorium or M. E. church and the people of the town are cordially invited to attend and hear some good speeches.

—We learn that Mrs. K. J. Perry, a very estimable lady, died last Tuesday morning about 9 o'clock. She was buried Wednesday at the old family burying place near Mr. W. S. Pruitt. The family has the deepest sympathy of the entire community in their loss.

—As the answer to the question, "Does it pay to advertise in the FRANKLIN TIMES," your correspondent will give an instance which will prove that it does. Last week I, H. Kearney advertised a lot of cows, yearlings, etc., in the TIMES. The paper came out on Friday and before Saturday he was interviewed about them by many all saying "I saw your ad in the FRANKLIN TIMES." It pays to advertise in your county paper, as Mr. Kearney will testify.

—The exercises given by the Sun Beams, a band of little missionary workers, in the Baptist church last Sunday night was complimented very highly by every one who heard them, and especially the little duet by little Ruby and Pearl Daniel. These little girls are not yet 10 years old, but it can be truthfully said that their singing is wonderful, one of them singing alto superior to many twice her age. The collection we understand was very liberal and the little folks are doing a great missionary work here.

—We see in the News and Observer of last week the death of Rev. Dr. James Battle Avirett, a native of Onslow county this State. Dr. Avirett was for a long time Chaplain of Company F., the local military Company of this town. He was held in high esteem by the Company and the boys all seemed to love the good old man. The members of Company F., when Col. W. L. McGhee was its captain will recall Dr. Avirett's remarks. In his little talks to the Company he would always close by saying! "When I die I want Company F., to bury me." Capt. McGhee made him a present of a fine grey Confederate uniform which he prized very highly and always wore it when appearing before the Company. A good man has gone.

Members of Co. F., Attention.
All members of Co. F., are hereby ordered to meet in their armory on next Thursday, March 7th, 1912, at 8 o'clock, and when we say 8 o'clock we don't mean 8:05. The inspection will begin on the arrival of the train from Louisburg. All members "absent" be present, no excuses will be taken from any one.

I. H. KEARNEY, Capt.

For Sale or Exchange.

A seventy-five horse steam engine will sell or will exchange for twenty-five horse engine. The one I now have is in good shape and my only reason for getting rid of it is it is too large for my boiler.

Beware of Ointments for

Catarh That Contain Mercury
Mercury will surely destroy the system of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good they can possibly derive from them. Hall's Catarh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarh Cure be sure you get the genuine. It is taken internally and can be had in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by Druggists. Price 50c per bottle. Take Hall's Family Pills for constipation.

It is the most distressing and discouraging of all troubles. Nine cases out of ten can be cured by Noah's Liniment.

Where there is no swelling or fever a few applications will relieve you. It penetrates—does not evaporate—like other remedies—requires little rubbing.

Noah's Liniment is the best remedy for Rheumatism, Sciatica, Lame Back, Stiff Joints and Muscles, Sore Throat, Colds, Strains, Sprains, Cuts, Bruises, Colic, Cramps, Neuralgia, Toothache, and all Burns, Boils and Muscle Aches and Pains. The genuine has Noah's Ark on every package and looks like this cut, but the RED band on front of package and "Noah's Liniment" always in RED ink. Beware of imitations. Large bottles, 25 cents, and sold by all dealers in medicine. Guaranteed or money refunded by Noah Remedy Co., Inc., Richmond, Va.

The Bigger LITTLE Store

Is just around the corner any more.

I am Now Occupying the Old J. P. Winston's Store

One door below the Beasley-Alston Drug Store.

This store is 106 feet deep and I am filling it to its capacity with the best selected line of dress goods, laces, embroideries, flouncings for skirts and suits, ladies white dresses, spring coat suits, shirt waists, separate shirts and have received this week two large shipments of spring

Shoes and the newest fads in 1912 Slippers

I am determined to make my spring stock the best to be found in this section. by strenuous effort and careful selection and rejection I have gotten together a line that will be a pleasure for the most exacting judge of both quality and style to examine pages of description will give only a general idea of appearance and excellency of material.

The goods themselves must be seen to be appreciated and once seen the prices render them irresistible

My 1912 shoe stock is filled with better values than I have ever before been able to offer. You have been taking my word for 30 years and getting good shoes all the time when I tell you they are good they are good, your greatest mistake is when you buy elsewhere. I sell for cash, have no expensive book keeper and am dividing profits with my customers.

It will be suicidal to your pocket book to fail to see my stock. I covet comparison.

HILL Live Stock Co.

75 head of horses and mules, on time to farmers, come and have a look you look and I talk and you will buy, because I try to buy sound and young and well broke stock, and also do my darndest best to please colored gentlemen, (I call them coons in the fall) as well as white gentlemen, (Cracker Boys.) I am not trying to sell town farmers, to make a long story short, if you drink town water, this water comes quick without pumping to h—l with your note. Now this company is formed to buy and sell mules, horses, buggies, wagons, surries, harness, engines, boilers, mowers, rakes, plows, wood saws, grist mills, and in fact all kinds of machinery that is used on a farm, we sell on a credit and treat every man as we would have them to treat us, without race, color or condition. Don't come to Louisburg unless you come to our stables, we are here every day in the year.
