Items of Interest Gathered From in and Near Our Sister Town Each Week

CLOSES ON WEDNESDAY

—R. H. Patterson, a traveling salesman, was a visitor to our town this week.

—Mr. Walter Winston is wearing a broad smile now, it is twin—a boy and a girl.

—D. B. Kearney is a crack shot with a "rock"—he brings down the meat every time.

—The old James K. Wright mill which has been silent so long, began to roll the big wheel again last Monday.

—Paul Finlayson left last Saturday for Middleburg where he goes to take charge of the Western Union Telegraph office.

—The many friends of Mrs. A. L. Allen, who has been very ill for several days, will be glad to know that she is much better.

—Mr. James H. Cooke who has been on a visit of several days to his daughter, Mrs. Neathery, of Creedmor, returned Monday.

—The colored baseball teams, Wilson and Franklinton, will play a game on the Franklinton grounds today (Friday) game called 3:30.

—We were glad to see Mr. Henry Mitchell on our streets this week. Mr. Mitchell has been confined to his room for six weeks, but is much improved.

—The new residence of Mr. D. E. Barkley is fast nearing completion under the management of the popular contractor, J. H. Whitfield.

—As announced from the pulpit last Sunday Rev. W. W. Rose, of the Methodist church, will commence a series of meetings on the 3rd Sunday in May.

—We were glad to shake the hand of Mr. Joe Winston, of Durham, who came in last Saturday, and is visiting his brother Walter Winston in the southern part of this township. Mr. Winston is a former resident of our town.

—It seems that cotton seed have advanced in price to judge from the number of wagons waiting to unload at the spur track at the depot Tuesday. They bring cotton seed and carry back guano—a good time to haul while the land is too wet to plough.

—Mr. E. P. Blackley returned from Dallas, Texas, last Thursday where he had been at the bedside of his brother, who has been very low for several weeks, but we are glad to state that he is on the road to recovery and the physicians say they think he will soon recover.

—The popular traveling salesman, Mr. Ben F. King, has accepted a position with R. A. Speed at hotel. No doubt "Ben" will be a great addition to the force, and will bring trade to this already popular stopping place. He is well known by all the commercial traveling salesmen and will entertain them "royally."

—Monday about 8 o'clock it set into raining and it was a continual down pour till about 3 in the afternoon when it cleared up and again the sun came out, at sunset there was a small dark looking cloud which at 11:30 came up with heavy thunder and wind and a storm which was severe in the extreme for the short time it lasted. The heavy rains this week will again put the farmers a week behind. There are many who have not even thrown out their cotton stalks, or done anything towards preparing for a crop.

—"At Yale" a very interesting college comedy in 3 acts was presented at the auditorium of the Graded school last Friday night by the Henderson Troop of Boy Scouts of America and was thoroughly enjoyed by all who saw it. The play was good, and the acting was fine and they deserved a much larger house than they had. Owing to the small stage the scenery could not be

arranged to the best advantage but it was well worth the price of admission and those who failed to see it missed a very pleasant evening's entertainment.

—The boys of the military company are now working hard on the rifle range, which has just been erected, for the privilege of naming it. The man who makes the best score on it between now and May the 9th, (the day the team leaves for Raleigh for the competitive shoot) will have the privilege of naming it after his best girl. At the present time it looks as if Sergts. J. B. Cooke or C. C. Kearney one or both will have that privilege. Sergt. Kearney has made 123 (the highest) and Sergt. Cooke 121. If either of these name the range, it is easy for Franklinton people to guess its name even now. Those composing the team now have an average of 111 2/3 and if this average is held they are confident of taking a few of the prizes offered.

Price-ShIPLEY Musical Entertainment May 9th.

The Franklinton people are eager to see another Alkahest Show. They will soon have opportunity of enjoying the best musical entertainment of the season. The Price-ShIPLEY Quartet will be here May 9.

The Danger After Grip

Lies often in a run down system. Weakness, nervousness, loss of appetite, energy and ambition, with disordered liver and kidneys often follow this wretched disease. The greatest need then is electric bitters, the glorious tonic, blood purifier and regulator of stomach, liver and kidneys. Thousands have proved that they wonderfully strengthen the nerves, build up the system and restore the health and good spirits after an attack of grip. If suffering, try them. Only 50 cents. Sold and perfect satisfaction guaranteed by Aycock Drug Co.

... WHY TAKE THE RISK ...

Can You Afford to Buy a Fertilizer for Your Crops Simply Because it is a Little Cheaper in Price.

Take for instance the high grade Ammoints and Sulphate of Potash which we use in our Tobacco Fertilizers, by substituting cheaper Ammoints and Hard Potash Salts we could easily reduce the cost several dollars per ton, but we prefer holding the price rather than sacrificing the quality.

THE BEST IS THE CHEAPEST

And this is particularly true of VANCE FERTILIZERS
FISH BRAND

Won all the prizes offered in this vicinity this past season

FOR HIGHEST PRICED TOBACCO

Trying to save a few dollars in your Fertilizers account by buying the cheapest priced goods may result in the loss to you of several hundred dollars in the value of your crops."

AFTER GRIP

Look Out for Trouble
The after-effects of the Grip are apt to be serious, but a normal healthy condition may be restored in a surprisingly short time by Vinol.

Watertown, Wis.—"After a severe attack of the Grip my system was in a very weakened, nervous and run-down condition. I began taking Vinol with the very best results, and in a short time I began to feel like an entirely different person, and I am better and stronger than I have been for years." Adeline Gamm. (We guarantee this testimonial to be genuine.)

We have never sold in our store such a valuable strength creator and health restorer for the convalescent, the weak and run-down, as Vinol, and we ask people in this vicinity to try a bottle of Vinol with the understanding that their money will be returned if it does not do all we claim for it.
