Work began in earnest last Monday on the large new Starling Cotton Mill. Twenty-five first class brick layers from Raleigh, Henderson, Oxford and Franklinton began the work with a "go up move" which indicates an early completion of this large and commodious building, which when completed will be as fine a mill as the State can boast of, and an honor to our town, besides giving employment to a large number of men, women and children.

Here is a woman who speaks from personal knowledge and long experience via Mrs. P. H. Brogan, of Wilson, Pa., who says, "I know from experience that Chamberlain's Cough Remedy is far superior to any other. For croup there is nothing that excels it." For sale by all druggists.

Resolutions of Respect.

The following resolution of respect was passed last Sunday by the Baraca Class of the Methodist Sunday School:

Whereas, God in His Infinite Wisdom has wrought His Divine Will in transporting to his eternal reward, Mr. J. L. Mitchell, father of our Baraca Class brother, Mr. Henry D. Mitchell, and a man of wholesome, useful influence, of christian character and worthy citizenship; and

Whereas, We bow in humble submission to the All-Wise dispensations of an Omnipotent God, it is the sense of this class that our community loses one of her most esteemed citizens; and

Whereas, Our hearts dwell deeply in sorrow and friendly sympathy for our Class brother and his beloved family, at a time when the shadows of grief are dark and heavy and hearts are disconsolate; and

Whereas, Sympathetic, friendly hearts bespeak a testimonial of christian living based on the principals of Brotherly love; therefore be it

Resolved, That we individually and as a class extend to our distressed Brother our abiding and heartfelt sympathies at the sad loss of his father; and assure him and his people of a kind christian fellowship; and pray God to lighten the burden of grief by His own Fatherly Love, and bring a clear light of consolation that shines forth the eternal truth that God doeth all things well, and be it further

Resolved, That a copy of these resolutions be transmitted to Brother Henry Mitchell, and a copy properly filed in the records of the class.

KEEP THE KIDNEYS WELL

Health is Worth Saving, and Some Louisburg People Know How to Save It.

Many Louisburg people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger. Use Doan's Kidney Pills—a remedy that has cured thousands of kidney sufferers.

The following statement leaves no ground for doubt.

M. V. Fleming, Manson, N. C., says: "Kidney trouble caused me no end of suffering. When I lifted or stooped, I had sharp twinges in my loins and my back ached intensely at night. I tired easily, was languid and nervous and often noticed that the kidney excretions contained sediment. The contents of six boxes of Doan's Kidney Pills made a permanent cure and at the present time I am enjoying good health. This remedy deserves my most hearty endorsement."
