HER FRIEND'S GOOD ADVICE

The Results Made This Newburg Lady Glad She Followed Suggestion.

Newburg, Ala.—"For more than a year," writes Myrtle Cothrum, of this place, "I suffered with terrible pains in my back and head. I had a sallow complexion, and my face was covered with pimples. Our family doctor only gave me temporary relief.

A friend of mine advised me to try Cardui, so I began taking it, at once, and with the best results, for I was cured after taking two bottles. My mother and my aunt have also used Cardui and were greatly benefited. I shall always praise Cardui to sick and suffering women."

Cardui is a purely vegetable, perfectly harmless, tonic remedy for women, and will benefit young and old. Its ingredients are mild herbs, having a gentle, tonic effect, on the womanly constitution.

Cardui has helped a million women back to health and strength. Have you tried it? If not, please do. It may be just what you need.
