LOUISBURG, N. C., FRIDAY NOVEMBER 1 1912.

NUMBER 98

GETS HIS NECK BROKEN BY BEING THROWN FROM WAGON.

Mules Get Soared of Automobile and Run off—Mr. J. West Sutton the Victim.

One of the saddest incidents that has happened in our vicinity in many years was that on last Friday evening when Mr. J. West Sutton, of Nash county, was thrown from his wagon in front of the Ballard place about three miles east of town, by his mules running away after becoming frightened at a passing automobile. In falling Mr. Sutton fell on his head and broke his neck dying almost instantly. Mr. Sutton's home is on the Louisburg and Nashville road between Spring Hope and Castalia and he was returning home after having sold a load of tobacco on the local market. He occupied the wagon alone, however his son, Charlie, was driving a wagon just ahead of him, also a friend occupied still another wagon. He was 71 years of age and leaves a wife and six children. We understand the party in the automobile was from Wilson's Mills and were returning from the funeral of Dr. J. H. Uzzell who was entered at Mapleville that day, but that the son attributes no responsibility to the party as it is stated the mule became frightened after the machine had passed and the party seeing there was trouble stopped and went back rendering all the service it was possible for them to do.

The body was brought back to Louisburg and taken to the undertaking establishment of the W. E. White Funeral Co., where it was prepared for burial and was taken to the home that night, where the interment was made on Saturday.

Mr. Sutton was in truth a good man and highly respected by all who knew him and in his death the community loses much. The entire community together with the citizenship of Louisburg are sad on account of his untimely death and extend to his bereaved family the deepest sympathy.

Services at Ingleside

We are requested to state that Rev. E. Lucien Malose, Rector St. Paul's Parish, will conduct services at Ingleside in the Academy building on Sunday afternoon November 3rd, at 3:30 o'clock. The public is cordially invited to attend these services.

Vann-Dixon

Invitations reading as follows has been received by friends here: Mr. Minton Hughes Dixon requests the honor of your presence at the marriage of his daughter, Elizabeth McDonald, to Mr. Aldridge Henley Vann, on Thursday the fourteenth of November, one thousand nine hundred and twelve at high noon, St. Paul's Episcopal church, Edenton, North Carolina. The bride to be is one of Edenton's most popular and accomplished young ladies.

Mr. Vann, the groom to be, is one of Franklin county's foremost young men. He is the son of Mr. S. C. Vann, of Franklinton, and is deservedly popular among a host of friends both at home and abroad. He possesses a strong and striking business ability and a pleasing personality that has won for him friends of all acquaintances. In the capacity of secretary and manager of the Sterling Cotton Mills Mercantile Department the position he now so admirably fills, he has shown a marked business ability that has placed him in the front ranks of Franklin county's young business men. Mr. Vann has many friends who wish for him and his young wife the best that life affords.

Funeral of Dr. Uzzell.

The remains of Dr. J. H. Uzzell, who died at the University hospital at Baltimore on Tuesday night of last week, arrived in Louisburg on the 10:20 train Friday morning accompanied by his father, Mr. J. H. Uzzell and his uncle, Mr. W. E. Uzzell. They were met at Franklinton by the Masonic pallbearers and a number of Masons of the Louisburg Lodge, of which he was a member and escorted home where they were met by a large number of Masons and friends. The body was taken to the home of the deceased at Mapleville where they lay in wait until 2:30 o'clock when the funeral services were had and the body laid to rest in the city of the dead by the church at Maple Springs. The services were Masonic and conducted by the lodge of which he was a devoted member and was assisted by many visiting Masons, friends of the deceased.

Before leaving the home a choir sang

"Sometimes We'll Understand" after which Rev. G. M. Duke led in a beautiful prayer in which he made many beautiful references to the deceased. After the prayer Rev. W. B. Morton, of Louisburg read a selection from the bible and the services here were concluded by the singing of "Abide with Me" by the choir. At the grave the usual Masonic service was used and "Jesus Lover of My Soul" and "Shall we gather at the River" were sung by the choir.

The extreme popularity of the deceased could only be estimated from the large number of friends and relatives present, which was possibly the largest ever present at such an occasion at Mapleville, and the many beautiful and expensive floral designs, which pictured to those present a more striking and devoted popular friendship than is possible to pen.

Louisburg and the Mapleville community in the death of their young son have experienced a sadness in which they can sincerely extend the deepest sympathy to the bereaved parents.

He had been a consistent member of Maple Springs Baptist church for twenty years and in conducting his funeral, which was from the home, his pastor Rev. G. M. NEW RECORD IN PRICES

TOBACCO SOLD FOR 88 CENTS PAST WEEK

Sales Not So Heavy As Last Week But Prices Keep Up Just As Good—Record Breaker Sale Friday.

Where interest has been equally strong on the tobacco sales here the past week with the exception of Friday the receipts have not been quite so heavy. Friday's sale was possibly the largest sale had in Louisburg since the year 1907. The prices reached 88 cents per pound the past week and many averages were away up. The farmers all seem especially well pleased at the prices and accommodations received in Louisburg.

Cotton.

Cotton sold for 11 1-2 cents per pound on the local market yesterday. The receipts were larger than usual.

Adds New Department

The Cardier-Cowell Co., have added much to their already large popular patronage among the ladies of Franklin and adjoining counties by adding to their establishment a ladies dress making department. This department is in charge of Mrs. J. H. Holloway, whose ability as a seamstress is well known for our people and we learn that it is the in-

tervention of the proprietors to have their many customers use this department for any information they wish as well as to have opportunity of having their dresses made in an up-to-date dress making establishment. This department is already meeting with the popular approval of the ladies of this section and we feel sure it will meet with much success.

County Canvass

The county candidates of the Democratic party have been busy the past week filling the appointments in the county canvass. At each place they have been well received and are assured a large majority on next Tuesday. They will go to Cypress Creek today and end the canvass at Louisburg on Saturday.

The Teachers.

At the second meeting of the county teachers, Saturday, November 2nd, the topic for consideration will be "The Reading Circle." Mr. J. A. Byrnes, Supervisor of Teacher Training, State Department of Education, will be present. As his title implies he is interested in the professional improvement of teachers. Since the selection of the books and the general direction of the reading circle is one phase of his work the teachers are fortunate in having him for this meeting.

The first appearance of "jack frost" visited our community last Monday morning.

Owing to the pretty weather the farmers of this vicinity have about finished housing their crops.

Mr. T. J. Ricks left last Sunday to visit friends and relatives in Nash county.

Mr. John Ward was a pleasant caller at Mr. J. D. Rick's last Sunday.

Mr. J. K. Brewer now leaves for Petersburg, Va., where he will locate in public business.

Mr. B. B. Collins will give our Sunday school his farewell address next Sunday. His subject being "Approve all things, and hold fast to that which is good."

The connection of the Alert mail route, and route No. 6 of Louisburg, gives us better service, and quick mail. Those who once opposed it are realizing their broad mistake, and enjoying the privilege that is due every free citizen.

We regret very much to note that Mr. B. B. Collins will leave for Henderson next week where he will make his future home. Mr. Collins will not only be missed in our Sunday school work, in which he has done so much, but the entire community will lose a devoted friend and a good neighbor.

—Don't blame the newspaper man for what happens in the community. If there is anything in the life of the place that you do not wish to go abroad in the world, blame yourself that it exists—not the paper for saying something about it. It is the editor's duty to make a typographical photograph of the town each week, and if you take a homely picture don't kick the instrument, but try to get a better expression on your face the next time.

DOUBLY PROVEN

Louisburg Readers Can No Longer Doubt The Evidence.

This grateful citizen testified long ago.

Told of quick relief—of lasting benefit.

The facts are now confirmed. Such testimony is complete—the evidence conclusive.

It forms convincing proof of merit.

Mrs. J. A. Bashford, 603 Polk St., Raleigh, N. C., says: "You may continue to publish the testimonial I gave in January 1908 in which I told about Doan's Kidney Pills. Since that time I have been free from kidney complaint and backache and during the past year I have had no need of a kidney medicine whatever. The secretions from my kidneys caused me great annoyance and I suffered from dull backaches and pains through my loins. I could not sleep soundly and in the morning when I got up, my back was very lame and sore. I read about Doan's Kidney Pills and as I knew several parties who had used them with benefit, I finally began their use. This remedy was far more effective than any other I had ever used and it was not long before I felt like a different person."
