## Start the New Year

By opening your bank account with the Farmers National Bank. It will benefit you, the bank and the community.

## A Splendid Xmas Gift

A bank book in our savings department with the first deposit entered therein is a most suitable Xmas gift for men, women or children. It will encourage thrift, and be a good start toward a future independence.

## Children's Department

We make a specialty of savings accounts for children. One dollar is enough for the first deposit; after that any amount no matter how small will be received and entered on the book.

## The Bank of Personal Service

We are prepared to do for you everything in the banking line; checking accounts; savings deposits; certificates of deposit; cashiers checks and money orders free of charge; cash checks for you; make change when desired whether or not you are one of our customers; in fact we cheerfully render you a banking service that cannot be excelled.

We especially desire the accounts of the farmers of Franklin county; this is primarily a farmers bank, organized and run under their direction and we invite them to cooperate with us to make this bank a power for their good.

## Franklinton News

Mrs. T. W. Whedbee spent Tuesday in Raleigh.

Miss Fannie Bell Allen went to Raleigh last Saturday afternoon.

Don't forget the Shubert Concert at Graded School Friday night, Jan 3rd.

On account of the furnace being repaired, the Graded School was closed Monday.

Mrs. W. F. Joyner, Misses Mattie and Kate Ballard were in Raleigh Monday for Christmas shopping.

Mrs. — Perry, of Youngsville, spent last Saturday in our city visiting at Mr. B. J. Blackley's, on Mason street.

Two more large hogs were killed last week. One weighing 430 by Sidney Perry, one weighing 470 by J. M. Cooke.

Large crowds have visited our town from the country this week and we suppose they are reminded of the warning "to do their shopping early" as it seems that all our merchants received their portion of the trade.

Eaton Bowser, an "old issue Free negro," a painter by trade, died last Sunday and was buried Monday. He was somewhere above 90 years old and was highly thought of by both white and colored. His whole life was practically spent in this town.

Chief of Police Cooke received a phone message Monday to arrest a white man, Catlette by name, wanted in Henderson for some crime. He was promptly arrested and the Henderson police notified and we learn came after him in an automobile and carried him back to Henderson Monday night.

Well Christmas is but a very few days off and how many of us are prepared to receive it and carry out the Bible lesson toward our neighbor, and our poor and their children. The Bible says "the poor we have with us always. Peace on earth good will toward men." Can those who have plenty and to spare close their eyes and shut out the duty

that their hearts dictate? Can we sit by our warm fires and be happy when we know that as Christians we should be up and doing for there is many a poor little child that will be sad on Christmas morning when he finds his little stocking empty and other more fortunate little ones having a happy time. It makes our heart sad to see their sad looks and to hear them say "mother why am I not like other children."

### "Quotation Book" for Sale.

The "Quotation Book" gotten up by the Young Womans Missionary Society has been published and is now for sale at the Crescent Drug store and Ballard-Cheatham store. This book is a splendid souvenir for the Franklinton people and those who have been associated with the town and an attractive Christmas gift for any one. It is about twice the size anticipated and tho' it cost about twice as much as expected, it will sell for the original price, 50 cents per copy.

### Shuberts Concert.

The Atlanta Lyceum Company has for three years given a series of entertainments in our town which have proved a delight to all.

The opening show of this season was the one disappointment, but the second entertainment, "The Hebron Sisters," proved such a splendid attraction, that all forgot their former disappointment and declared they would not miss the next performance.

Now is coming the most promising of all, "The Shubert Concert," billed for Friday night Jan'y. 3rd 1913. "The Shuberts" is a mixed quartet, presenting a popular and high-class programme of music and reading. Each member is an experienced singer with several years of actual work before Lyceum audiences. Further, each member of the Company is a thorough musician and able to play piano well, each is a soloist and as such, will appear in the programme; each has dramatic ability so that dramatic and musical sketches will be given.
