A DEBATING CONTEST

TO BE HELD AT THE GRADED SCHOOL

Mesers Bailey and Cooke for The affirmative here and Yates and Winston Negative

Last fall there was organized in Nerth Carelina a high school debating usion. This union is under the auspices of the philonthrapic and dialectic literary societies of University of North Carolina. The fellewing is a plan of the organization: All high schools joining this union have been arranged by the societies into groups of three, for a triangular debate. Each school of each triangular group must furnish two debating teams of two members each, one to uphold the affirmative, the other to defend the negative side of the query. Any school which shall win both the affirmative and negative sides of the query shall be entitled to send both its teams to Chapel Hill for the state championship contest. The school which wins at Chapel Hill will have its name inscribed on the beautiful Aycock Memorial Cup given by the literary societies of the University. Any school which shall win out in the final contest for two years in succession shall have the cup for its own property. Our high school in Louisburg has formed a triangle with Oxford and Weldon. On Friday night Feb. Zist the preliminary contests will be held. The subject, Woman sufferage will be held by all the schools. To illustrate, our affirmative will debate Oxfords negative and our negative will debate Weldons affirmative at Weldon and Oxfords affirmative will debate Weldons negative at Oxford. For our school in Louisburg, Messrs William Baily and Charles Cooke will uphold the affirmative side in our graded school auditorium, while Messrs Francis Yates and William Winston will defend the negative side of the query in Weldon.

We sincerely ask all those interested to be with us that night and by your sympathy help us win the debate.

The New Court House.

The New Court House.

We have learned that there is still doubt as to the wisdom of building a new court house in the minds of some of Frankin's best citizens. One of this number was in our office the past week and after we had talked the matter ever with him only a short while he said "I am now willing to agree with you and think we ought to have a new court house." But this same gentleman expressed the opinion that it would be nothing more than right that the county furnish the lot with the understanding that the town keep it up and make a nice public square en it. Now we would not be so much in favor of a new court house, barring county pride, if only men had to attend court. We have seen some as nice ladies as the county possesses in the court house, had to be there and right here is where we want to register our protest against the present building. So far as we are personally concerned it don't make much difference as if our wife or daughters had to attend court we would make arrangements to send for them when they were wanted, but for a person in the country they can't do this. And we don't beheve you would want your wife or daughters to sit in the court room hearing all kinds of cases and be thrown with all classes of pople: We need a court room fitted with ladies reception or witness rooms and teilets and gentlemen's miness retaining cells for prisohers, a grand jury room and and toilets. It should also have private consultation rooms, retaining cells for prisohers, a grand jury room and many other conveniences. In a few years the vaults in the present court house will be overflowing. Many of you will remember that no lenger than last week or week before last there was hardly room enough in the auditorium to accomedate those of you who were summoned here and had to attend court. All these render the preset court house wholly unfit for a county like Franklin.

Again there is always some person or organization wanting to use the court room for some private purpose, so why

organization wanting to use the court room for some private purpose, so why not build a new court house and retain the old one making the old square a public square, preserve the old building and let this class of people use the auditorium in that. It could also be used for the grand jury. The vaults could be changed back to offices and the six offices would more than maintain the building, and the town could maintain the square.

Rev. W. W. Rose Dead.

One of the saddest events in the history of the town was the death of Rev. W. W. Rose, which occurred Wed-nesday afternoon at twenty-five minnesday afternoon at twenty-five minutes after one o clock. Apparently in good health he occupied the pulpit of dis charch Sunday morning with Presiding Elder J. H. Hall of this district when communion was held, preaching in the afternoon at Wesley's and occupying the pulpit of his church here with Mr. Clements of the Christian church, who preached Sunday night. At the night service Mr. Rose made a special appeal to sinners in the congregation to come forward and give their hearts to God, this was his last work for the Master. He was taken Monday and grew ateadily worse until the end. He was sent by the conference to us three years ago last Movember and was serving his fourth and last year with us as he could not have been returned. Since he has been with us denomination but all who knew him loved him as few pastors are loved. A gloom seemed to have been cast ever the entire community when his death was announced. Alex N. Munn Dies Suddenly.

Alexander Neil Munn, assistant superintendent of the Arizona Eastern, in charge of the mechanical department of this division, died early vesterday morning at his residence in the Ever-green addition, after a brief illness from an affection of the heart. He was stricken but a few days ago and while it was considered from the first that his con-dition was such as to entail grave fears for his recovery, it was not until Mon-day morning that hope was virtually abandoned. He passed away early yes-terday morning after having been in a state bordering on coma for about

twenty-four hours.
Than Assistant Superintendent Munn. A hot fight was waged last Thursday night before the Senate committee over the proposed child labor legislation.

Mr. Turner has introduced, by re-

division of the Arizons Eastern within the past few years were made.

He was born in Charlottetown, the capital of Frince Edward Island, Deminion of Ca ada, forty-four years age. At the age of nineteen years he came into the southwest taking up his residence in El Paso. There he entered the employ of the Southers Pacific railfroad and later was transferred to Lerdeburg, N.-M. He held a master mechanic's position with the Southern Pacific in Lordsburg for about five years and was then transferred to Tueson

About four years ago he was made master mechanic of the Phoenix division of the Arizons Eastern and later elevated to the position of assistant superistandant of the division in charge of the mechanical department.

One year ago last August, Mr. Munn journeyed back to Louisburg, N. C., where he married Miss Erin Shipp. The happy couple made a trip to Canada and then came to Phoenix and took up their residence here. Two months ago a son was born to make life more happy and this child together with the widow, survive. In raddition, his aged father is living as well as three sisters and two brothers. Owing to the fact that these live at such distant points it is expected that but one brother can arrive here in time for the funeral, he having started twenty-four hours before Mr. Munn's death and being expected to arrive here on Thursday.

There were a thousand and one details to the work Assistant Superintendeut Munn had in charge. He was actively engaged in various branches of the shop work in this city, having charge of the installation of all mechanical parts. In addition he was at all times in touch with all matters mechanical requiring attention upon any part of the Phoenix revision.

times in touch with all matters mechanical requiring attention upon any part of the Phoenix revision.

In speaking of the death of Mr. Munn, Superintendent Scott said last evening that the Arizona Eastern had lost a man whose place will be hard to fill. He was very efficient and stood high in the esteem of every official of the Arizona Eastern as well as in the esteem of all railroad men in the southwest.

Funeral arrangements have been deferred pending the arrival of the brother on Thursday.—Republican, Phoenix, Ariz.

The purpose of the series is to build up knowledge of mission work in the caurch, and also to raise some money to pay for the improvements in the parsonage. The people of the town are invited and urged to attend these lectures.

The people of Louisburg were awakened Wednesday morning about 1 o'clock by the alarm of fire, which resulted in putting out what promised to be one of the largest fires we have had here in some time. The trouble was located in the store of W. F. Davis under the Earl wachouse on Nach street. der the Ford warehouse on Nash street der the Ford warehouse on Nash street. The origin of the fire is supposed to have been from rate and matches and was ignited in a lot of hay. The fire company turned out promptly and did splendid work—extinguishing the fire before it had done any special damage to the building. The damages to the stock was estimated at about \$1,100.00 with insurance amounting to \$750.09.

A PRETTY MARRIAGE

Miss Ethel Bowden Bowden Becomes the Bride of Dr. Ernest M. Perry.

At the stately country home of Mr. J. L. Bowden at Justice, the father of the bride, on Wednesday morning at 9:30 a pretty marriage ceremony was solemnized when Miss Ethel became solemnized when Miss Ethel became the bride of Dr. Ernest M. Perry, of Louisburg. The parlors of this pretty, comfortable home had been tastily decorated in white and green—using the conventional pine, and a huge wedding bell was suspended above the centre. The room had been darkened and was beautifully lighted with candles. At the sound of the wedding march rendered on the piano by Mrs. Annie Alford, sister of the bride, the bridal party, who had previously gathered in Allord, sister of the bridge, the bridge party, who had previously gathered in the spacious halls entered the room, wherein a number of friends of the contracting parties had gathered.

The first were Mr. A. B. Perry of of Louisburg, the best man with Miss Lillie Batton of Wisan, the maid of honor, who wore a beautiful gown of purple velvet trimmed with point lace and carried carriations, then the bride, who was gowned in a beautiful going away gown of blue cloth with gloves and hat to match, carrying brides roses, entered upon the arm of the groom. They advanced to the centre of the room where under the huge wedding bell, they were pronounced man and wife by Rev. J. Farmer, of Wilson, in a most beautiful ceremony.

After the ceremony Dr. and Mrs. Perry accompanied by a number of the bridal party left for Louisburg where

The groom is the son of Mr. and Mrs. A. W. Ferry, of near Leuisburg, and is one of Louisburg's most popular young physicians. He is a man of exceptional sharacter and possesses the necessary qualities to make friends with all his acquintances. Both the bride and groom have scores of friends in Louisburg, who extend the heartiest congratulations and best wishes for their future.

The large number of beautiful and costly presents attested the popularity of this young couple.

Dr. and Mrs. Perry will return to Louisburg next week and take rooms at Mr. S. P. Boddie's. The people of Louisburg feel congratulated to know they will make this their future home.
