John E. White Jr., of Wake Forest spent Sunday with his Uncle, R. B. White.

Mr. S. P. Jones, of Kataville, returned from Florida Tuesday wearing orange blossoms and accompanied by a young lady, Miss Funa White.

The trial of J. S. Roberson and Supt. McLain came off Monday at 1 o'clock before his Honor, B. F. Bullock, Mayor Protem. There was only three witnesses put on the stand. The Mayor gave Mrs. Roberson a fine of \$3.00 and cost.

We learn that the 2 year-old child of Battle Bragg was severely burned last Sunday. They suppose she was playing in the fire with a broom and caught its dress. She was in a serious condition Wednesday.

Mr. Phil Sturgess and family, of Middleburg, moved to the house formerly occupied by Mr. George Whitaker. Mr. Whitaker will still occupy a part of the house until his own be completed which is now being built.

H. C. Hight has become a public auctioneer as he sells something in the street every Saturday. When Henry opens his mouth and begins to "cry" everybody in town will be sure to hear him and make a rush. He is well liked by everybody.

J. O. Green, Jr, received this week three new Paige automobiles at his garage. Mr. Green is agent for all the new models, and we learn is making a success of his business, especially in his repair department. He has only experienced men in this department and we wish for him much success.

Candidates for the postoffice are numerous now, all expect to get it, but only one will get it of course. G. L. Whitfield, D. T. Ward, B. W. Ballard and we understand Mrs. Cooper, we also understand that the present occupant also has a petition out. All these would make good postmasters and any from the list we think, will please the people.

D. B. Kearney has rented the store room formerly occupied by the Franklin Grocery Co., and will open up a first class up-to-date cafe. It will be run on both American and European plan, with French cook, polite waiters and African "bell boys." They will serve meals at all hours, day and night.

Our postoffice lobby seems to be turned to good in more ways besides waiting for mail. Last Monday night between 8 and 9 o'clock a Miss Morris and Mr. Allen were married by Esquire Nicholson in the lobby. It was quite amusing after they were married they proceeded to embrace and kiss.

The University girls at the Graded school auditorium last Thursday night played to a good size audience and every one went away well pleased. Every one were artist of rare accomplishments and made a big hit with our people. This show was decidedly above the average, and the best that has been on the boards of the Alkabar Lyceum course.

We have heard of several people in the country losing their horses and mules. Mr. K. P. Peary

we learn lost four fine mules, Mr. W. S. Pruett lost three or four mules and horses, Mr. N. Y. Gully lost his fine stallion and another, others were sick but he thought he would save these. It seems to be an epidemic brought here from Richmond we learn.

N. Y. Gully, of Wake Forest, was a visitor to our town Monday. He appeared in the suit of Roberson-McLain.

Mr. E. A. Harris, B. A. White, James H. Cooke Jr., Pearce Jenkins Abner Newton, honorary pall bearers and official members of his church and every church on his charge, accompanied the Corpse of Rev. W. W. Rose to Pitsboro last Thursday.

Why don't some of the real estate owners here build more houses, business houses and dwellings, for there is a great demand now for both. Our town is spreading and there are lots of people who would locate in our town but for a house. There are plenty lots in this town that are no good for anything else but a house so let us think about it and act.

**BRONCHITIS SUFFERER**

Takes Druggist's Advice With Splendid Result.

If anyone should know the worth of a medicine, it is the retail druggist who sells it over his counter every day in the week, and is in a position to know what remedy gives the best satisfaction.

Mrs. Frank H. Uline, of West Sand Lake, N. Y., says: "For a number of years I was a great sufferer from bronchitis. Last July I had an attack which was more severe than any, and my friends thought I could not recover from it. Then I was advised by my druggist to try Vinol, which I did, with wonderful results. My cough has left me; I have gained in weight and appetite, and I am as strong as ever I was. I advise all who have bronchitis, chronic coughs, or who are run down to try Vinol."

It is the combined action of the medicinal curative elements of the cod's liver, without the greasy oil, aided by the bloodmaking and strength-creating properties of tonic iron that makes Vinol so efficient.

Remember, we guarantee Vinol to do just what we say - we can't back our money if it does not. Aycock Drug Co. Lenoir, N. C.
