Items of Interest Gathered From in and Near Our Sister Town Each Week

CLOSES ON WEDNESDAY

Miss Rie Parker returned to Warrenton Monday.

Miss Frances Winston spent the weeks end at home.

Mr. D. C. McGhee was in town Monday and Tuesday.

Miss Katibet Morris was at home from Friday to Sunday afternoon.

We are glad to welcome Mr. Walter Cooke in Franklinton again.

The oil tank removed from Main street will be a great improvement.

Mrs. J. F. Collins, of Sanford, is visiting her parents, Mr. and Mrs. J. C. Sandling.

Miss Ida Conyers went to Philadelphia last week to prepare herself for a trained nurse.

Miss Nena Parker was a visitor at Mr. B. W. Ballard's this week returning to Raleigh Sunday.

Mrs. A. R. Winston returned home Monday after an extended visit to Newbern, Greensboro and other points.

There is a lot of sickness in the town and country you can hardly find a family but what some member is in bed with grippe and almost every one you see is coughing.

Rev. Livingston Johnson, Secretary of the Baptist Foreign Mission Society, filled the pulpit this morning and evening services at the Baptist church last Sunday.

The Young Womens Missionary Society met with Mrs. W. K. Hunt Monday afternoon. The next meeting will be held with Misses Lucy and Evelyn Nicholson, Monday April 17th.

Rev. Mr. Cade, from Trinity, who has been assigned to fill the unexpired term of W. W. Rose at the Methodist church, was shaking hands and getting acquainted with the people last Sunday.

The merchants on Main street were busy having the unsightly shelves removed by the order of the town fathers. We suppose most of them will put up awnings to keep out the sun and dust during the summer months. On the east side of Main street in the business section there are a lot of trees that should also be removed.

Somebody who has interest in the welfare of the town and appreciates the move the town has already taken as to good streets and etc, should in all due respect to the far-

mers who patronize them look after the crossings down in the bottom of Main and Green streets in front of Kearneys store. These places are bad in every respect. Every one who passes over this place loses a part of their load and have to reload after getting over.

A negro boy was up before the Mayor last Saturday for the theft of ten dollars which he took from another negro. The boy came to town bought him two suits of cloths and pretty soon the one whom he relieved of the ten, found him in town and grabbed him and proceeded to find the police and turned him over. A trial was the result and he was sent to Louisburg to the county "hotel" to await April court.

Mr. T. C. Joyner is critically ill at his home on Main street. He was stricken down last Thursday night and his many friends remained near him, waiting sadly and anxiously for a change for the better. For several days it seemed the end was near, but on last Monday he was reported as better and on Tuesday (the day this was written) he was reported to be much better and a chance of his recovery.

Last Saturday night the dwelling of Mr. Manly Perry three miles from town was burned down. There was nothing saved. The loss was heavy to Mr. Perry. He had just gotten up from pneumonia and was hardly able to attend to his daily duties. Near his home his brother was a corpse which made it so much sadder. The people are responding liberally to his appeal and we hope will soon be in shape to forget all luck and hope for a brighter future.

Miss Clyde Mitchell delightfully entertained a number of her friends last Wednesday evening, March 5th in honor of her birthday. At an early hour the guests began to arrive, and soon a large crowd was present. Music was furnished by the home band; W. A. Mitchell violin, Miss Kate Mitchell guitar, Graham Mitchell banjo. The amusement was games, consisting of bean bag, pitching and etc. At 10 o'clock refreshments were served. At a late hour the guests

began to leave for their homes all declaring Miss Clyde a charming hostess.

The Oxford Orphans.

The children of the Orphanage were given a warm welcome Tuesday.

A large crowd, estimated about four hundred people, was out for the concert that night. The children acted their parts splendidly. Appreciation of the entertainment was expressed by the clamorous applause. Proceeds amounted to \$73.80. We are always glad to have the Orphans with us.

At the Graded School.

The "Cambridge Players" a company of three ladies and one gentleman, will give an entertainment at the graded school Thursday night. This will be the last show of the Lyceum Course that will be presented here this season. The program is made up of music, song, drama, burlesques reading and impersonating. This is the most varied and entertaining show of the course. Jess Coffey is a fine impersonator, and carries his audience with him in his fun. The last show, the University Girls gave great satisfaction. Let the Louisburg people join our people to see this one.

Dickens Items

The farmers have been quite busy for the past few weeks on their farms. Some have begun to fix their tobacco land and quite a number have sewed plant beds.

Our school will come to a close in about two more weeks, and the teachers are working hard to have a nice entertainment.

Though we stopped our Sunday School for the past few months during the winter, we will again meet on next Sunday evening at 2 o'clock to reorganize and it is hoped all of the members of both churches will be out as the two denominations have been working together in the Sunday School work for the past few years, and the most of those who have been taking interest in the work, will do best to continue to have one set of for both.

For some reason the Perry Grove Lumber Co. has not been cutting very much for the past week or two, though they have done a lot of sawing this winter.

J. R. Collins has the praise for the new patent mail box stand he has fixed and placed near his shop which contains a number of boxes and is a great help to our carrier.

The Collins Brothers Co., of the "Do Nothing Club" has contracted with the Plain View Lumber Co. to cut logs in the woods. The company did well to employ them for they have been at the work for several years and understand their business well.

The superintendent of the Plain View Lumber Co., went to Wendell on Feb-

ruary 22nd on business and was sick for several days, but we are glad to see him back again at work.

Rev. J. W. Sledge spent last Saturday night at the home of J. G. Murphy and of course was at White Level Sunday as he is always there on regular preaching day.

Mr. T. K. Allen, of near Louisburg, was in our town on business one day last week and was on his new motorcycle.

T. H. Dickens went to Louisburg last Monday on business.

W. Wood went to Raleigh one day this week on business.

Good wishes to the TIMES and its many readers.

ACT QUICKLY.

Delay Has Been Dangerous in Louisburg.

Do the right thing at the right time.

Act quickly in time of danger. In time of kidney danger Doan's Kidney pills are most effective.

Plenty of evidence of their worth. N. A. Spence, Sr., 423 S. Wilmington St. Raleigh, N. C., says

"For years I had had attacks of backache and pains through my kidneys and I noticed that the kidney secretions deposited sediment. When I read about Doan's Kidney Pills, I got a box and used them: In a short time I passed several gravel stones, some as large as a good sized pea and after that I improved. The kidney secretions became natural and the backache and pain left me. I strongly urge other kidney sufferers to try Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

POINTED PARAGRAPHS

It takes a good dinner to dissolve an ordinary grouch.

But a homely man doesn't look it after you get used to him.

The man with a subscription paper also loves a cheerful giver.

Excuses don't amount to much, as people seldom believe them.

You can help a man wonderfully sometimes by not giving him advice.

LOST, STRAYED OR STOLEN

A male pointer dog, brown and white spotted; small ear on right side. Liberal reward if returned to W. T. Caprell, Youngsville, N. C. Route 2. 8-14-31-p.

A Year in Heaven.

Mother; thou hast spent a year in Heaven
Among the angels pure and bright,
And with God, our blessed savior,
In a palace of delight.

It was hard for you to leave us
In this world of woe,
But the savior called you mother,
And we had to let you go.

Sometimes when I am sad and lonely
And want to be with you,
I can hear the savior saying,
You'll soon be in Heaven too.

We all loved you darling mother,
More than words can ever tell,
But you went to Heaven mother,
And never knew we loved so well.

Could I but recall it mother,
I would prove my love to you
I'd do all I could dear mother,
Like you wanted me to do.

Last night when I was sleeping
Mother,
I dreamed I saw you here
Sick and suffering so much mother
Like you did last year.

Then I awoke dear mother,
I thought I must be wrong,
For grieving while you are in Heaven,
And said: "God's will be done."

THIS STORE WON'T GUARANTEE CALOMEL.

But We Have a Liver Medicine That We Guarantee With a Money Back Offer.

The next time you think you need a dose of calomel, don't take it. Even if you have taken it often before, this might be the very dose that would salivate you. Its use is sometimes followed by dangerous after effects. If you are constipated or bilious, or if your liver has gotten lazy and inactive two or three doses of Doan's Liver Tonic, pleasant tasted vegetable liquid, will make you feel like new. We would not recommend Doan's Liver Tonic in the place of calomel if we did not fully guarantee it. So any body who buys a bottle of Doan's Liver Tonic at Scott's Drug store and does not find it a perfect substitute for calomel may come into the store any day and get his or her money back. It has absolutely no bad after effects and is harmless for children as well as grown ups.

T. W. WOOD & SONS, SEASIDE, RICHMOND, VA.

The best capital, in nine cases out of ten, a young man can start in the world with, is robust health, sound morals, a fair intelligence, a will to work his way honestly, bravely, and if it be possible, a trade, whether he follows it for a livelihood or not. He can always fall back on a trade when our paths are closed. The path of success in business is invariably the path of common sense. Notwithstanding all that is said about "lucky hits," the best kind of success in every man's life is not that which comes by accident. The only "good time coming" we are justified in hoping for is that which we are capable of making for ourselves.

No individual in the world can do a mother's work for her.

Those who are much together grow singularly alike as time goes on.

The circle of human duties is only complete by the union of those of man and woman.

Memories of what we learn through bitterness and sorrow may not always be held in regret.

RECEIPT FOR MAKING GOOD HUSBANDS.

One of our lady subscribers who says she enjoys this department of our paper, hands us the following receipt for making good husbands, which she has tested and it worked like a charm:

First: Be a good wife, in doing so you will have a good influence over hubby.

Second: Treat him to kind words, kisses and good dinners. Prepare the dishes he likes best, if your means will allow.

Third: Keep his room in order no matter how much he scatters things around, put his hat and boots where he will always know what to find them.

Not Paint.

With based oil at one dollar, what can you do you think they use in "flat" at \$1.75 and \$1.50? That stuff is counterfeited paint. You can't see your self, you can't cheat the weather.

Paint is a rubbery coat over wood and iron to keep out water. Counterfeit paint may look like money, but it won't hold. What are all counterfeits for? They are all alike.

McKinne Bros. Co., DEVOE sells it.
