Most Children Have Worms

Many mothers think their children are suffering from indigestion, headache, nervousness, weakness, constiveness, when they are victims of that most common of all children's ailments—worms. Peevish, ill-tempered, fretful children, who toss and grind their teeth, with bad breath and colicky pains, have all the symptoms of having worms, and should be given Kickapoo Worm Killer, a pleasant candy lozenge, which expels worms, regulates the bowels, tones up the system, and makes children well and happy. Kickapoo Worm Killer is guaranteed. All druggists, or by mail. Price 25c. Kickapoo Indian Medicine Co., Philadelphia and S. C.

Mrs. J. C. Mullin Dead.

One of the saddest events in the history of our little village of Pine Ridge was the death of our dear mother and grandmother which occurred April 23, 1913. Grandma had been in bad health for some time. She was a good wife, a kind mother, a true Christian and a true friend to all. She leaves to mourn their loss a kind husband and five children. Grandma lived to be 81 years old.

Her loving face is absent,
Her welcomed voice is stilled,
A place is vacant in our home
That never can be filled
It grieves us to see her go,
And not have her with us here,
But she's gone above where all us love,
Where there's no pain or tear,
Lord be merciful to the bereaved,
And help us understand
That all is done for the best,
By Thy Providential
And when our days of toil are over
And our long days work is done,
May we by thy loving kindness,
Meet our dear Grandma, one by one,
And may this shade of sorrow,
Be a blessing in disguise,
And we all may see and understand
The day we all shall rise.
BY ONE WHO LOVED GRANDMA.
