er he has Ever Sold

Every person who has tried Dodson's Liver Tone and knows how surely and gently it starts the liver to working and relieves bilousness will bear out the Godfrey-Egertos Drug Co., in this statement about Dodson's Liver Tone.

"It is a purely regetable liquid that entirely takes the place of calomel, harmless and pleasant to the taste, that has proven itself the most satisfactory remedy for a slow-working liver that most of our customers have ever tried. A large bottle sells for fifty cents and we do not hesitate to give the money back to any person who tries a bottle on the strength of this statement and is not satisfied with the result.

In these days of doubtful medicines and dangerous drugs a stacement like the above is a pleasant assurance that Dodson's Liver Tone is a reliable remedy for both children and grown-ups. In buying a bottle for immediate or future use it is well to make sure you are getting the genuine Dodson's Liver Tone and not some spurious imitation that has copied our claims, but do not stand back of their guarantee. You may be certain of getting the genuine life you go to Godfrey-Egerton Drug Co., for it.
