### Franklinton News.

Last Wednesday night the class of children from the Odd Fellow Orphan Home, of Goldsboro, gave their annual concert in the Auditorium of the Graded School building here to one of the largest and most appreciative audiences it has had the pleasure of ever meeting in our town. They reflected credit on the home they represented and gave a very nice concert, which was greatly enjoyed by all present. The class is always welcome in Franklinton and the children were entertained handsomely in the homes in which they stopped, and nearly everybody seemed sorry to see them leave. They came Monday night and were with us longer than usual and seemed to have endeared themselves to our people greater than usual. Mr. J. C. Walker, manager of the class declared they were not treated better anywhere than in Louisburg and here. Receipts here \$76.20.

#### Caught a Bad Cold.

"Last winter my son caught a very bad cold and the way he coughed was something dreadful," writes Mrs. Sarah E. Duncan, of Tipton, Iowa. "We thought sure he was going into consumption. We bought just one bottle of Chamberlain's Cough Remedy and that one bottle stopped his cough and cured his cold completely." For sale by All dealers.

### Best Paint

What is it? Devoe.  
How Devoe? It's 160 years old; but that isn't how. It has long been the best; but that isn't how. It has been developed by use and study, by study and use; that is how; and approved by experience, many years; that's how. It commends itself by long lasting and small paint-cost; not cheap by the gallon, but cheap by the job and cheap by the year and ten years, cheap by the lifetime.

That's how. DEVOE  
McKinne Bros. Co. sells it.

### ACTS ON THE LIVER.

**Dodson's Liver Tonic Livens Up The Liver—Is More Than a Mere Laxative.**

Calomel was for years the only known medicine that would stimulate the liver. But calomel is often dangerous, and people are not to be blamed for being afraid of it.

Within the last few years many medicines have been put out to be used instead of calomel, but their effect is on the bowels—not on the liver. Godfrey-Egerton drug store says that the only real liver medicine to actually take the place of calomel is Dodson's Liver Tonic, a mild, harmless, vegetable liquid that Godfrey-Egerton Drug Co. recommended to take the place of calomel and which gives prompt relief in cases of constipation, biliousness and sluggish liver.

So confident are Godfrey-Egerton Drug Co. that they give their personal guarantee with every 50 cent bottle of Dodson's Liver Tonic. You can be sure that you are getting Dodson's by asking at this store if they are giving you the medicine they personally guarantee to refund money on if unsatisfactory.
