FRIDAY, Oct. 3, 1913.

NEXT Monday is first Monday.

COUNTY Commissioners will meet Monday.

AND this is October 3rd—not long before Christmas.

THE legislature continues to grind out a lot of local bills.

LET your slogan be, "On to Rocky Mount and Durham."

IT begins to look like Gov. Sulzer has got his accusers on the run.

IT is reported now that Gen. Porfirio Diaz has been recalled to Mexico.

THE fact that a person has a state license to carry on business licensed by the town has nothing to do with their obligation to the town. They will have to pay both.

THE Louisburg and Rocky Mount railroad is being talked by many. We learn the charter will be so drawn that it will be possible to build this road on to Durham and then you may watch Louisburg grow.

EDITOR W. O. Saunders, of Elizabeth City, who was tried the past week for criminal libel of Attorney E. F. Aydlette, of the same city was exonerated by a verdict of not guilty after sixteen hours of deliberation by the jury.

FORMER State Senator A. C. Green, who was in the Legislature in 1895, died at 11 o'clock Sunday night at his home on Crabtree Creek, on the Milburnie road, aged 70 years. He was born in Franklin county September 23, 1843, so that his death occurred on his birthday.

IT occurs to us the Seaboard would be eager to solicit the good will of the public by doing justly toward its employees and patrons on the Louisburg branch. Things could easily be remedied by putting on a train to do freight work and the passenger train then could make another trip between Nos. 11 and 12.

FROM the many complaints being handed around there seems to be something wrong with the weights of the cotton weigher at Louisburg. An investigation should be made by the Board of County Commissioners to the end of clearing up the matter. Whether there is really any trouble or not the influence of the reports is being used against the Louisburg market and a great deal of dissatisfaction has arisen. The investigation should be made immediately that these conditions may be remedied, if found to be true, otherwise it will correct the impressions that have gone broadcast and serve a vindication to the weigher. As it now stands the conditions are a reflection on both the weigher and the market and should be corrected.

SALE OF VALUABLE TOWN PROPERTY.

By virtue of powers of sale contained in two Mortgage Deeds executed by Beulah A. Moore, Leola M. Long, and C. E. Long to C. H. Mitchell, as follows:—one executed Nov. 1st, 1900, recorded in the Registry of Franklin County, book 114, p. 556; one executed June 30th, 1902, recorded in the Registry of Franklin County, N. C., book 123, p. 478, the undersigned will offer for sale at public outcry to the highest bidder for cash at the Courthouse door in Franklin County, North Carolina, on the 3rd day of November, 1913, at the hour of 2 o'clock P. M. a certain tract or parcel of land situate in the town of Youngville, N. C., Franklin County, and described and defined as follows, to-wit:—Beginning at a white Oak on the west side of College street in Youngville; thence North with said st. 50 ft. to a rock, old Pearce corner; thence with said Pearce line 126 ft. to a rock in said line; thence South with old Pearce line 80 ft. to an Iron stake in the Academy line; thence East with said line 136 ft. to the beginning, containing 1-1/2 of one acre more or less.

The Fact That

Tobacco and Cotton are selling so high and everybody has money is no reason why you should not

There is Enough Money

In Franklin county hid away in stockings, bureau drawers, trunks, etc. which, if deposited with us would run our deposits to \$1,000,000. In other words, we estimate that about \$300,000 of actual money is kept at home to look at. It is not only dangerous, but it is foolish to keep money idle, when it can be brought here and put to work. New accounts come to us daily because of the guarantee of this bank that their money is safe.

Suppose You Hired a Workman For 5 Years

A five year contract is quite a long one. If you were going to hire a workman for that period you'd surely be pretty careful about it. You'd not only talk with him a good deal but YOU'D LOOK UP HIS REFERENCES—get in close touch with PEOPLE WHO KNOW HIM.

Now as to PAINT:

Every time you paint your house, or any other building, you are obliged to make a FIVE-YEAR PAINT CONTRACT—either that or you do not buy wisely.

All we ask is that you apply PRECISELY THE SAME RULE to paint as to man—namely, get in close touch with PEOPLE WHO KNOW THE PAINT!

Lucas TINTED GLOSS PAINT

urges you to do this because it KNOWS that it can WIN and HOLD your confidence.

WE know it, too, because of our long EXPERIENCE with LUCAS TINTED GLOSS PAINT.

It "COVERS" best. It WEARS best. It HOLDS ITS LOOKS best. It meets the COST-TEST best. That's because it IS best.

You'll be safe when making a contract for painting to tie up with LUCAS TINTED GLOSS PAINT.
