## EVERY LADY HAS A CHANCE. Franklin Times Auto Contest Now in Fever Heat.

### ENTER TODAY—NOMINATE YOURSELF.

Contestants Starting to Work With  
This and Determination—Some One  
is Going to Win the Automobile,  
Will it be You?

The Franklin Times Auto Contest  
has already reached a fever heat. Con-  
testants are starting to work in earnest  
from all parts of the various dis-  
tricts. It took but little time for the  
young ladies to decide and to realize  
the value of the prizes and the fair  
method of the contest.

The opportunity of getting an elegant  
five passenger touring car with  
out a single cent cost to you, does not  
come to you every day, but to think  
that the only thing you have to do, is  
to get out and do a little work. Then  
too, the time for work is so short that  
it will go by before you hardly realize  
it, and you can, if you will try, be  
the proud owner of this car when the  
contest closes.

Yet, should you fail to win the  
car, there is a \$450.00 upright Grand  
Prescott Piano, as the grand prize.  
This prize is one to be appreciated,  
for it will linger with you for years  
to the blissful hours of dreary days.  
It will bring back fond recollection  
of the fun and frolics of the Franklin  
Times Auto Contest.

Each district has, also, a valuable  
prize to win which will be in the  
form of a ladies beautiful gold Elgin  
watch. This makes a total of eight  
(8) valuable prizes to be awarded to  
eight young ladies on March 14th.

The capital prize will be awarded  
to the young lady securing the largest  
count of votes, regardless of district  
or in other words—this is open to all  
districts.

The grand prize is also open to all  
districts and will be awarded to the  
young lady securing the second high-  
est count of votes.

With us we offer to the contestants  
one Elgin watch, to each district, to  
the young lady securing the highest  
count of votes, in their respective dis-  
trict or coming nearest to the young  
lady who wins the grand prize the  
piano.

These watches are the best that  
could be bought—Elgins—and are  
worth efforts to win.

Now, that we have put much time  
and money into this list of prizes we  
leave it up to the contestants to put  
these into money and money into votes.  
You can win if you will try with  
a determined effort and a stick-  
to-it-ness. Make up your mind that  
you are going to come out a leader  
in the final count and work to this  
end. There's the only sure and safe  
way.

You'll find your friends ready and  
willing to help you. All they want is  
action on your part. Just as soon as  
they see that you are out to win, they  
will come to your rescue, in a man-  
ner that you'll appreciate.

Just start boosting your standing  
of votes and they'll grow faster than  
you can imagine. Subscriptions gets  
votes—and votes will win for you.  
This opportunity is yours, likewise  
the prize, the capital prize, if you are wil-  
ling to go after it in the right manner  
and determined way.

Look over the following list of names  
and see your standing today, then see  
how much bigger you can make it for  
the next issue. Everybody likes to  
help a leader.

Subscriptions mailed at your post  
office by 6 p. m., Saturday January  
24th will count on period ending this  
date, even though they do not reach  
us before the following Monday or  
Tuesday.
