RUSSIA TO FIGHT UNTIL PEACE ASSURED.

Another Ship Flies the American Flag. Severe Fighting in Carpathians.

A resolution declaring Russia would carry on war until the peace of Europe is assured was adopted by the Duma late Tuesday without a dissenting vote.

"The Duma expresses its firm conviction that the great national and liberating objects of the present war will be achieved," said the resolution, "and declared the inflexible determination of the Russian nation to carry out the war until conditions shall have been imposed on the enemy assuring the peace of Europe and the restoration of right and justice."

Prof. Paul N. Milouff, addressing the Duma in behalf of the constitutional democrats, declared:

"We are convinced that accomplishment of our principal task—the acquisition of the Straits and Constantinople—will be guaranteed in good time both from a diplomatic and a military point of view."

Passengers of the Cunard line British steamer Orduna, which arrived in New York Tuesday from England, said the Orduna flew the American flag for nearly 24 hours on Jan. 31st, while passing through the Irish Sea.

The Russian general staff has given out this official statement:

"The Germans, who gradually had been concentrating in east Prussia with fresh troops, began a series of energetic reconnaissances, and on February 7 they opened offensive operations with considerable forces, in the district between Horzele and Johannsburg. They undertook at the same time active operations on both wings of their front in east Prussia. In the vicinity of Laseleiden, to the east of Tilsit, we drove back the German attack and succeeded in almost completely annihilating one of the German battalions opposed to us. Following this encounter our cavalry moved forward in the direction of Sierpee, traveling over the road to Rypin.
"On the left bank of the Vistula, during the day of February 7 the enemy showed no signs of activity.
"Judging from the corpses abandoned by the Germans in front of our positions they would appear to have lost in dead and wounded several thousands of men in the six days fighting in front of Borjimov, Gohmine and Wola Szylowiecka.
"In the Carpathians fighting continues in the vicinity of Bartfeld and Svidnik. The enemy here under took active operations but they did not thus continue, and they finally retired, leaving prisoners in our hands. In the vicinity of Mount Loupkow we continued our pursuit of the enemy, and in one day we captured 69 officers, 5,200 men and 18 machine guns.
"German columns, having made their way over the Tuhkoika Pass, delivering during the day of February 7 no fewer than 22 violent attacks upon certain heights in the region of Kozioiwka, occupied by us. The Germans made forward several ranks deep, presenting a full front line.
"Under our violent cross fire the Germans here twice took possession of a certain height, but they were dislodged by counter-attacks by our infantry."

Every man owes a duty to himself. But many of us forget to collect.

BANQUET AT THE METHODIST CHURCH.

(Continued from page One)
In the closing remarks Rev. Mr. Wilcox made reference to the object of the meeting as a measure to get in touch with the men of the town for the purpose of getting them all interested in Sunday school and church work. He referred to the activities of the church and Sunday school work, as relating to the improvements by saying that a few months ago, just at the outbreak of the war, the present modern and well-equipped annex, giving nine additional class-rooms besides the splendid auditorium, was begun, and only recently was completed and entered. Extensive repairs and improvements on the main auditorium have been made also in the meantime, the total expenditures footing up something over \$7,000, over half of it being raised since the building was begun, and the pastor announced that the remainder would be raised during the present year. Hence the occasion for great rejoicing.
Thus ended a most enjoyable occasion and the ladies of the Missionary Societies have the hearty good wishes of the many present for a most enjoyable and profitable evening.

2 Drops of "GETS-IT," Out Comes the Corn!

It's the World's Wonder, Never Fails.

You'll make goo-goo eyes at your feet, after you use "GETS-IT," and you'll find the places where those blanket corns used to be, just as smooth as your cheek.

"How Wide is a 'GETS-IT' Smile? Well, a Good Deal Over 2 Feet!"

There's no corn or callus among the millions of feet in the world that "GETS-IT" will not remove—there's no escape. "GETS-IT" is the new way, the simple, common-sense, sure way. It does away with greasy ointments, salves, pads, cotton ruffs, harnesses, knives, scissors, razors, files, and the limping and the painful pigeon-toe walk of so many corn-pestered people. All you do is put 2 drops of "GETS-IT" on—the corn shrivels up—and good bye. Nothing else in the world like "GETS-IT." Millions are using it. There's no pain, no trouble, no changing shoes because of corns. "GETS-IT" is sold by druggists everywhere, 25c a bottle, or sent direct by E. Lawrence & Co., Chicago.
