YOUNGVILLE NEWS ITEMS

Things of Interest From Our Thriving Sister Town.

FROM OUR REGULAR CORRESPONDENT

Dr. Claude V. Timberlake, who recently finished his medical course at Jefferson Medical College at Philadelphia, Pa., and passed the State Board examination for license to practice medicine, has located here and is practicing with his brother, Dr. R. E. Timberlake. To say that success is written in the disposition and character of Dr. Claude Timberlake is putting it mildly, and we rejoice in the fact that he has chosen his home town for the practice of his profession.

Mrs. Bettie Timberlake, who has been visiting friends and relatives in Youngsville returned to her home in Dalark, Ark., Saturday.

Misses Maude Winston, Mary Moss, and Annie Beck Swell returned yesterday from a week's visit to the home of Mr. W. T. Calton, of Barea, N. C. Mr. Aubrey Calton brought them through the country on his car.

Miss Minnie Bagwell, of Raleigh, spent the week end with Miss Lillian Winston and returned to Raleigh this morning on the "Shoo-Fly." Miss Kattie Stephens, of Raleigh is visiting Miss Winston also.

Miss Ella Harris and Miss Burma Perry left this morning for Chapel Hill for the Summer school, accompanied by Miss Lizzie Harris, who will visit in Roxboro, N. C. Mr. Jim Baker and Miss Sallie V. Harris passed through on automobile this morning.

Mr. Earl Underwood came near having a serious accident last night, when another car collided with his near Raleigh. Mr. Underwood was returning from Chapel Hill and a few miles from Raleigh he met a large car at the top of a hill and when the powerful lights of the car flashed into his eyes he gave a short turn with his car which resulted in a turn-over. Mr. Underwood was alone and he and his car escaped without injury.

Chief of Police, J. E. Winston, has been kept at his home on account of sickness for the past several days. It is hoped that he will be out in a few days. His assistant, Mr. John Young captured two men Saturday for drinking, Percy Lloyd and J. A. Moore which resulted in the payment \$295 each before Mayor C. C. Winston.

On Thursday night, June the 17th, the progressive citizens of the town of Youngsville and the community met in the Mayor's office and organized an association, the purpose of which is to boost, advertise and promote the general welfare of the town and community. Mr. J. W. Winston was elected president; J. L. Brown Vice-president; and G. M. Perry, Secretary and Treasurer. Several short speeches were made by different members after which some live committees were appointed. These committees are planning some active work for the association. The association is offering to any one two dollars and a half in gold for the best name for the association. Money was raised at the first meeting with which to make some improvements on and paint the graded school building and steps have already been taken to beautify the school grounds. It is hoped that this organization will result in much good for the development of the agricultural and business interests of this community. We invite all good citizens to Youngsville. The climate is ideal, pure air, good water and many other opportunities and advantages. We have good cotton buyers, but we need and want some more, we want a good dentist, we want

good citizens to move their business here.

Cheatham Bros. are enlarging their already spacious tobacco warehouse making ready for the fall opening. They are working a force of hands shipping lots of tobacco from their large prize house preparatory to a bumper crop this fall. Cheatham Bros. and Lumkin and Perry the other live warehousemen are putting forth every effort to make this market a record breaking one this fall.

Mr. J. R. Pearce has already made up more iron tobacco flues than he ordered last season and he continues to make and deliver flues every day. Crops are excellent in this community. Mr. Edgar L. Green has about \$10,000 worth of last year's lint cotton in storage yet. The following are a few of the many successful farmers of this immediate section and who are the salt of the earth to any community: Edgar L. Green, J. H. Timberlake, John F. Mitchell, J. C. Winston, J. B. Allen, John C. Winston, W. T. Moss, C. W. and R. B. Roberts, R. P. Hunt, June Jones, J. C. Saterwhite, and N. M. May. The fields of these men will make any man envy their knowledge of science.

Now here is what we are going to do: We offer a cash prize of \$2.50 in gold to any man, woman, or child who will bring or send to the Mayor's office in Youngsville, N. Father's Day.
In Japan they observe a Boy's Day by hanging out carp flags and giving the little fellows plenty of toy soldiers; also a Girl's Day when each little Miss is presented with a Japanese doll. Here in America we have a Mother's Day. Cartoonists draw sentimental cartoons about her; the preacher makes some mention of home without a mother, and the tired business man, if he thinks of it, brings home a dollar's worth of cut flowers. Without wishing unnecessarily to add to our list of holidays, we suggest a Father's day, with a program somewhat as follows: Dad will be allowed to lie abed until 10 o'clock, reading the sporting sheet and smoking cigarettes, after which time a "maw-nin" follow by buckwheat and steak will be served. The phonograph will then play "What's the Matter With Father" and "Here Comes My Daddy Now," while the daughter of the house will recite "Father, dear Father." This ceremony concluded, presents will be bestowed on father, in the following order: Ten boxes 25 cent cigars, case of club soda, sterling silver bottle opener, case of Scotch or rye, sterling silver cocktail mixer, 1 dozen pairs of silk hose, 1 smoking jacket, 1 humidior, one-half dozen made-to-order shirts, 1 pair slippers, annual pass to baseball park. At 2 p. m., accompanied by several cronies, he will set out for the ball park in an automobile. Here a double-header will be played. The evening will be given over to five cent ante, and at midnight a lunch will be served consisting of Swiss cheese sandwiches, hot dogs, goose-liver sausages, pate de foie gras, rye bread and beer. The guests will leave at 3 a. m., and the day following will be Sunday.
