Whenever You Need a General Tonic Take Grove's

The Old Standard Grove's Tasteless chill Tonic is equally valuable as a General Tonic because it contains the well known tonic properties of QUININE and IRON. It acts on the Liver, Drives out Malaria, Enriches the Blood and Builds up the Whole System. 50 cents.

"Arouse Yourselves."

Contributed by John H. Bunn, county organizer and lecturer.

Crops are being held up and the farmers are coming out to the lectures with a new song in their mouths.

We are glad to know that the farmers are coming to the place where they see that co-operation is the thing they must have. The problem of better prices is this: Make your bread and meat at home, as the old saying goes, then and not until then will the problem be solved.

I found the work of the Farmers' Union dull at first, but since getting out among the people I have found them more interested than anyone dreams of.

One man opposed the Union and everything else that had ever been organized, but after talking to him and showing him the good of the Union he desired to join at the next meeting.

Now friends the thing to do is to tell your friends about the good works of the Farmers' Union.

We thank you for your hearty co-operation thus far and ask that it may continue to grow.

To Drive Out Malaria And Build Up The System

Take the Old Standard GROVE'S TASTELESS chill TONIC. You know what you are taking, as the formula is printed on every label, showing it is Quinine and Iron in a tasteless form. The Quinine drives out malaria, the Iron builds up the system. 50 cents

NOT THE ONLY ONE.

There Are Other Louisburg People Similarly Situated.

Can there be any stronger proof offered than the evidence of Louisburg residents? After you have read the following, quietly answer the question.

Miss Louise Thomas, Chuch St., Louisburg, says: "I know from experience that Doan's Kidney Pills can't be equalled for curing kidney and bladder trouble. Doan's Kidney Pills were endorsed so highly by others that I got a supply at the Aycock Drug Co., and began taking them. I noticed relief at once and after taking three boxes, I was cured of the awful trouble I have enjoyed good health ever since."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Miss Thomas had. Foster-Milburn Co., Buffalo, N. Y.

Push, But Don't Shove.

Push your town along, but don't shove it off the map.

Work for it, and not against it.

You may think that your defection is but a single instance and will have no injurious effect, but you are wrong.

If you are anything but a numskull, there are others who are always ready to follow your lead, even though it results in the wrecking of your home town.

You can't keep your questionable acts under cover. They are bound to creep out, and once in the open they breed like mosquitoes in a swamp.

And you can't kick your town without breaking your own toe.

Pushing is a good thing—but shoving is not so good. You can push your town along by

encouraging home industries.

You can push it along by producing to the limit and keeping the profits at home.

You can push it along by being of it as well as in it, and remembering that every dollar you keep in the town is just that much additional prosperity for the town and for you.

The home merchant knows you, is your friend, and wants to see you succeed.

The mail order man doesn't know you, don't care to rap about you, and never wants to see anything but your money.

Push your town along, brother, but don't shove it off the map.

The loyal citizen never breaks his own toe.

A Medicine Chest For 25c.

In this chest you have an excellent remedy for Toothache, Bruises, Sprains, Stiff Neck, Backache, Neuralgia, Rheumatism and for most emergencies. One 25c bottle of Sloan's Liniment does it all—this because these ailments are symptoms, not diseases, and are caused by congestion and inflammation. If you doubt, ask those who use Sloan's Liniment, or better still, buy a 25c bottle and prove it. All Druggists,

Pull the String.

The purse string in this community is entirely too tight. Give it a pull.

There is just as much money around here as there ever was, but it is hidden away and not in circulation.

And why?

Simply because some one yelled hard times, and people immediately jumped to the conclusion that we had hard times, and that the only thing to do was to hurry their money, get it out of sight, any where on earth except in circulation.

It was simply an inflated case of flimflam and monkeydoodle.

There is no occasion for hard times, we have none, and it is about time to quit thinking we have and come down to earth and get back to our occupation of doing business at the old stand.

We have had years of big crops, another whale is in sight, farmers are all prosperous, and millions in gold are pouring in from Europe.

Hard times?—Hard times! As far as supply and demand are concerned conditions are normal—

even above normal. And this whole hue and cry is merely the result of people who have money withdrawing it from circulation and hoarding it away.

And it's a bad thing to do.

It's not patriotic, it's not business-like, it's not even horse sense.

Its everything that it should not be and nothing that it should be.

It's converting a shadow into an elephant where even the shadow does not exist.

Let's quit it.

Let's pull the string and let the money flow, and keep it flowing, and moving, and changing, and earning, and creating, and multiplying, and adding to the community riches.

Money is good only for what it will bring, and wealth hoarded away brings nothing.

Let's turn it loose, and start it to earning again, and put this town on the boom.

Get out the old purse, open it up, empty it out, do something to boost the community and the community will boost you.

There are opportunities all around us for investment and earning money, is never made by gold that is hidden away.

Hard times are but a name, and even the name is worn down to a frazzle.

Now let's bury the frazzle and get down to business.

Let's turn loose the gold and let it work.

Opportunity is knocking at our door, but it will not wait while we sleep.

Diarrhoea Quickly Cured.

"About two years ago I had a severe attack of diarrhoea which lasted for over a week," writes W. C. Jones, Buford, N. D. "I became so weak that I could hardly stand upright. A druggist recommended Chamberlain's Colic Cholera and Diarrhoea Remedy. The first dose relieved me and within two days I was as well as ever. OBTAIN-ABE EVERYWHERE.
