### THE MUSICAL ENTERTAINERS

The personnel of The Musical Entertainers is as follows:

In Nebraska, where Miss Hockerson is best known, she is called the "child violinist." At the age of fourteen she gave complete violin recitals here in Lincoln, absolutely astonishing all musicians. There is nothing effeminate or weak about her playing. Her tone is really superior in breath and firmness to most men players. Miss Hockerson comes from a musical family. Her sister is a splendid pianist and her younger brother plays the violin remarkably well. Her mother is a teacher of the piano.

Miss Garten is not only an accomplished singer, but has a voice of great sympathy. She has rare gifts as a reader. She has appeared on Redpath Chautauquas during one en-

tire season and scored big successes everywhere. Miss Garten has a world of enthusiasm, great ambition and wonderful powers. In appearance, she is decidedly striking, is natural and unaffected in her work.

Miss Ingram lives in Kansas City. Her talents were first shown in her work with the Kansas City Musical and Dramatic Club. This club is made up of more than a hundred and fifty people who have musical and dramatic ability. Her voice is a lyric soprano. Her most recent successes have been in musical comedy and light opera. She played the part of Lady Margaret Primrose in "The Skylark," Hazel Brown in "The Spartans" and the title role in "Mlle. Juliette."

The Musical Entertainers' program will be made up of ensemble numbers, solos, duets, trios, readings.

#### An Appreciation.

Mrs. Johnson joins myself in expressing our most sincere appreciations for the many kindnesses and expressions of sympathy from the many friends who were so generous to us during our recent bereavement, when our little son, Edward Frank was called from our fireside. This interest has been of a great assistance to us in this sad hour and will be long and tenderly remembered.

A. F. JOHNSON.

Wm. H. RUFFIN.

Keep right on scowling. It makes you as handsome as a baboon and as winsome as a Fiji Islander.

#### Card of Thanks.

We wish to extend to our many friends and neighbors our most sincere thanks for the many kindnesses rendered and expressions of sympathy during the recent illness and death of our little daughter, Rhoda Bessie. They will long be remembered with most touching appreciation.

MR. AND MRS. F. L. HERMAN.

Uncle Sam is having about as strenuous a time in keeping out of the war as the other fellows are having in it.

When a bald head talks of feminine folly it is more than likely that he is himself the folly end of the deal.

A good man never has to tell others of it.
