

MOTHER TELLS HOW VINOL

Made Her Delicate Boy Strong.
New York City.—"My little boy was in a very weak, delicate condition as a result of gastric and the measles and there seemed no hope of saving his life. The doctor prescribed cod liver oil but he could not take it. I decided to try Vinol—and with splendid results. It seemed to agree with him so that now he is a strong healthy boy."—Mrs. THOMAS FITZGERALD, 1090 Park Ave., N. Y. City.
We guarantee Vinol, our delicious cod liver and iron tonic, for run-down conditions, chronic coughs, colds and bronchitis.

Bilious Attacks.

When you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. They only cost a quarter. Obtainable everywhere.

New Attack Ordered By General Trevino; Troops Must Move Back

Chihuahua City, Mexico.—American columns have been seen advancing from the American field base in the direction of San Antonio and Ojo Caliente, and General Jacinto Trevino has issued orders to attack them if they do not immediately retreat.

General Trevino said the Americans would get the same treatment that they received at Carrizal, as he was determined to carry out his orders to the letter. In this, he said, he had all his subordinates with him, and they would remain with him in case of a rupture.

The Mexican commander said that it seemed probable, inasmuch as General Pershing seemed ignorant of the fate of the Boyd column, that outside of five additional prisoners now being brought here the Americans were annihilated, although it was possible more had escaped.

General Pershing has wired here for the names of the dead and the prisoners. It was officially announced that none of the prisoners brought here will be hanged, that "not being the custom of a civilized country."

The seventeen American negroes captured in the Carrizal battle have been placed in the penitentiary here. There have been no arrangements for removing them to Juarez to be surrendered to the American authorities.

Lem Spillsbury, the Mormon scout, captured at Carrizal, also is in prison. The prisoners were assaulted by Mexican civilians as they were being transferred from the train to the penitentiary. According to the authorities they are being well treated.

The troopers brought here are Privates Page, Peterson, N. Lloyd, W. Ward, Jones, Sockes, Marshall Oliver, M. Donald, Williams, Givens, Stone, Harris, Lee, and Graham of Troop H, and Howe and Alexander of Troop C.

According to a statement, said to have been signed by Spillsbury, made public today by General Trevino, neither he nor the negroes knew which side began the firing. Spillsbury's statement says that practically all the Americans who lost their lives were killed when they advanced to a deep ditch in which Mexicans were stationed and when other Mexicans, getting around to a deep ditch in their rear, attacked them from the flank.

Boyd. I came under Captain Boyd's command and marched my troop in rear for Carrizal at 4:15 a. m., reaching open field to southeast of town at 6:30 a. m.

"Captain Boyd sent in a note requesting permission to pass through the town. This was refused. Stated we could go to the north, but not east. Captain Boyd said he was going to Ahumada at this time.

"He was talking with Carranza commander. General Gomez sent a written message that Captain Boyd could bring his force in town and have a conference. Captain Boyd feared an ambush. He was under the impression that the Mexicans would run as soon as we fired.

"We formed for attack, his intention being to move up to the line of about 120 Mexicans on the edge of the town. We formed C Troop on the left in line with skirmishers, one platoon of K Troop platoon on extreme right, echeloned a little to the rear.

Opened Fire at 300 Yards.
"When we were within 300 yards the Mexicans opened fire and a strong one before we fired a shot; then we opened up. They did not run. To make a long account short, after about an hour's fire in which both troops had advanced C Troop to position of Mexican machine gun and K Troop closing in slightly to the left. We were very busy on the right, keeping off a flank attack. A group of Mexicans left town, went around our rear and led our horses off at a gallop.

"About 9 o'clock one platoon of K Troop which was on our right fell back. Sergeant said he could not stay there. Both platoons fell back about 1,000 yards to the west and then together with some men of C troop who were there these men scattered.

"I was slightly wounded. Captain Boyd, a man told me, was killed. Nothing was seen of Lieutenant Adair after fight started, so men I saw stated.
"I hid in a hole 2,000 yards from field and have one other wounded man and three men with me.
"Morey, captain."

Comment by Pershing.
In transmitting Captain Morey's letter General Pershing said:
"The three men referred to by Morey are the three men who had above message in their possession. The wounded man was from C Troop shot through the knee. Lieutenant Meyer reports that the three men were rather vague as to where they had left Captain Morey, but stated that on the night of the twenty-first they had carried him two miles, that Morey became weak, could not go further and told them to leave. Meyer reconnoitered 20 miles east of Santa Maria, but found nothing. Out of grain and forage, horses in bad shape, had to return."

Colonel Stanley received orders to go into the open market and buy at market prices anything needed. Shoes are needed more than anything else, he said, but it was stated there was little likelihood of any adequate supply being available in less than thirty days.

Germans Repulse Russians.
Berlin, via London.—Violent attacks on the Austro-German forces which have countered the Russian offensive in Volhynia are being continued. The war office announced that all these attacks, made repeatedly with strong forces had been repulsed.

Baltimore, Md., June 27.—Of the 3,500 men in the several Maryland National Guard commands, including three regiments of infantry, one troop of cavalry, and a battery of artillery, there are about 350, mostly rookies, who have not yet been supplied with uniforms, rifles, and other equipment. The officers say they have been notified from Washington that rifles and other equipment are on the way, but none of it has been received.

Philadelphia, June 27.—Many additional workers were hired and two new three-ton auto trucks were purchased to aid in handling the tremendous supply of equipment being rushed from the Schuykill to National Guard camps of the Atlantic Seaboard states. Twenty-one carloads of supplies, including tents, uniforms, shoes, hats, leggings, underwear, and ordnance were shipped from the arsenal and twenty-five carloads left the arsenal.

The sudden increase in the forces of the army caught officials of the arsenal unawares. Lieut. Col. George H. Penrose, in charge of the purchasing department of the arsenal, has been authorized by Secretary of War Baker to make all necessary purchases, so that National Guardsmen may be fully equipped forthwith.

Ten thousand blankets purchased arrived at the arsenal in more than a score of automobile trucks.
"It will require ten days yet for us fully to equip the additional quota of guardsmen in the East," said Lieut. Col. Penrose tonight.
Orders were placed for 254,000 blankets, 197,000 undershirts, 199,000 drawers, 150,000 pairs of canvas leggings, 25,000 leather leggings, 100,000 hats, 1,000 bedsacks, 5,000 mosquito bars, 2,000 cots, and 3,000 yards of shirting flannel. The orders amounted to \$1,400,000.

ALL VILLA TROOPERS JOINING MEXICO ARMY

Former Generals Under Bandit Hasten to Ally Themselves With the Carranzistas.

El Paso, Texas, June 27.—Villa troops, Villa Generals, and former enemies of Villa are flocking to the Mexican colors. Two troop trains have arrived in Chihuahua from the Laguna district with 2,000 former Villa soldiers under Generals Calceico Contreras and Candito Reyes. They have joined the Carranza troops in Chihuahua City and received the best barracks in the state capital, and are cheered every time they drill or appear on the streets. Another train is expected in Chihuahua with the command of General Ysabel Robles, another Villa General, who surrendered the state of Chihuahua to Consul Andres Garcia for the Carranza government. Many other minor Villa leaders are joining the Carranza troops in Chihuahua City and are being sent to the field near Villa Ahumada. This news was brought to the border by one of the five men who have been at Parrel, but who came out with the last party of Americans.

They were in Chihuahua City when the former Villa troops marched from the Mexican Central station to the barracks. He said the demonstration in their honor was as great as when Villa rode into Chihuahua the first time, and there were a number of shouts of "Viva Villa!" heard in the crowd.

The return of Villa to take command of his former troops is being frequently predicted by his friends, who insist he is not dead, but has been hiding in the mountains of Durango. They say Villa will take this opportunity of wreaking his vengeance on the United States, and that he will be received with acclamation by the Carranza Government and the Mexican people.

RUSHING SUPPLIES TO THE NATIONAL GUARD

Dozens of Carloads Hurried Forward From Philadelphia Arsenal for Eastern Camps.
