Great Majestic Ranges

The Range With a Reputation

For One Week Only, Commencing October 9th, 1916

Demonstration Will be at Fair Grounds Tuesday to Friday, Inclusive

Keep This Date in Your Minds Eye. Bring Your Neighbor With You

Many Styles and Sizes, With or Without Legs

During this week we will have a special demonstrator from the Majestic Factory to explain how the Majestic is made and why it is absolutely the best range; why it lasts longer and cuts down repair expenses; why it bakes bread evenly, top, sides and bottom without turning; why it uses so little fuel and saves food waste. He will explain its labor saving construction and why it heats an abundance of water good and hot—a mighty convenient and useful thing to have a big supply of hot water always on hand isn't it?

Here you can see every part of the Majestic—you can know exactly what you are getting before you buy. Decide now that you will discontinue using that old, worn-out range. You will save money in fuel, repairs and cooking. Buy a Majestic—the range with 45 years' reputation. The demonstrator will answer any questions relating to stoves.
