**TAR DROPS**

The tobacco market opened up last Tuesday morning for the spring season, with prices good for all grades.

Chief of police D. C. High, with a force of hands cross laid the buttments of the new bridge with large timbers the past week. This adds much to the advantages of using the new bridge.

**The Habit of Taking Cold.**

With many people taking cold is a habit, but fortunately one that is easily broken. Take a cold sponge bath every morning when you first get out of bed—not ice cold, but a temperature of about 90 F. Also steep with your window up. Do this and you will seldom take cold. When you do take cold take Chamberlain's Cough Remedy and get rid of it as quickly as possible. **OBTAINABLE EVERYWHERE.**
