

FAMILY AVOIDS SERIOUS SICKNESS

By Being Constantly Supplied With Theford's Black-Draught.

McDuff, Va.—"I suffered for several years," says Mrs. J. B. Whittaker, of this place, "with sick headache, and stomach trouble. Ten years ago a friend told me to try Theford's Black-Draught, which I did, and I found it to be the best family medicine for young and old. I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried. We never have a long spell of sickness in our family, since we commenced using Black-Draught." Theford's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms. It has been in constant use for more than 70 years, and has benefited more than a million people. Your druggist sells and recommends Black-Draught. Price only 25c. Get a package to-day.

Confederate Veterans.
Washington, D. C., Jan. 6.—Confederate veterans who travel to Washington over the Southern Railway to attend the annual reunion, May 28th-June 2nd, 1917, will ride over one stretch, 48 miles in length, which was built by Confederate soldiers and has remained as perhaps the most permanent monument of any work done by the Confederacy. This is the line between Greensboro, N. C., and Danville, Va., now a part of the Southern's Atlanta-Washington line.

When the War began there was no railroad connecting the Richmond and Danville with the North Carolina system of railroads. The Confederate authorities saw the strategic value of such a line and were able to bring to bear sufficient pressure to overcome the obstacles which had previously stood in the way of its construction owing to the rivalry of North Carolina and Virginia, each state seeking to protect its own railway interests. The necessary rail was procured by tearing up other roads and when at the close of the war the line was confiscated by the United States as one of the assets of the Confederacy, there was prolonged litigation before the Richmond and Danville secured undisputed title.

The origin of this line is remembered in many local traditions and names among them "Tennessee Curve," said to have been so called because the grading at this point was done by men of a Tennessee regiment.

Since the Southern Railway undertook its extensive improvement program, this entire line has been double tracked, but very few changes were found necessary in the location as determined by the war-time engineers.

GO NO FARTHER.
The Evidence Is At Your Door.

Louisburg proof is what you want and the statement of this highly respected resident will banish all doubt: S. J. Edens, Main St., Louisburg, says: "I suffered from lumbago and kidney trouble and I was laid up for days at a time, unable to move on account of the awful pains in my back. Often the pains felt as if a knife were being driven into me. I also had pains through my hips and limbs. The kidney secretions, which were scanty and highly colored, passed too frequently during the night and my rest was disturbed. My head ached and I had dizzy spells. I was treated by physicians, but everyone told me something different was wrong with me. I tried three times to take out life insurance, but was turned down. I was about to give up in despair when I was advised to try Doan's Kidney Pills. I did and the first box gave me relief. I continued and my back stopped aching and my kidneys were strengthened. It wasn't long before I was restored to good health. Since then, I have been accepted by three life insurance companies." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Edens had. Foster-Milburn Co., Props., Buffalo, N. Y.

UGH! CALOMEL MAKES YOU DEATHLY SICK

Stop Using Dangerous Drug Before It Salvates you! It's Horrible!
You're bilious, sluggish, constipated and believe you need vile, dangerous calomel to start your liver and clean your bowels.
Here's my guarantee! Ask your druggist for a 50 cent bottle of Dodson's Liver Tone and take a spoonful tonight. If it doesn't start your liver and straighten you right up better than calomel and without griping or making you sick I want you to go back to the store and get your money.
Take calomel today and tomorrow you will feel weak and sick and nauseated. Don't lose a day's work. Take a spoonful of harmless, vegetable Dodson's Liver Tone tonight and wake up feeling great. It's perfectly harmless, so give it to your children any time. It can't salivate, so let them eat anything afterwards.
