Mrs. Lanie Mullen.
Mrs. Lanie Mullen, widow of Mr. W. M. Mullen, died March 20th at the home of her son-in-law, Mr. S. G. Alford, of Bunn, in the eightieth year of her age. She was the daughter of Mr. Sherod Gay and was born in Nash county, July 29th, 1837. She enjoyed such advantages in early life as the free school system afforded at that time.

She was first married to Mr. Irwin Wester Wilder, March 15, 1856. To them were born two children, Mr. E. S. Wilder, of Cypress township, and Mrs. S. J. Alford, of Bunn, both of whom are still living. She was married last to Mr. W. M. Mullen in Feb., 1887. Besides the two children, two brothers, Messrs. Frank and Albert Gay, of Cypress township, and one sister, Mrs. Reams, of Rocky Mount, twelve grand children and nine great grand children survive her.

She united with the Peach Tree Baptist church in 1854. Throughout her entire life she was a devoted, consecrated Christian woman, modest and unassuming, beautifully displaying the graces of the Spirit, love, goodness, gentleness, forbearance, patience and faith. In 1904 she lost her eye sight. At first this was hard to bear, but finally she became resigned to the Lord's will, and, if anything, her life was sweeter after this experience than before.

Before her death she became a member of Bunn Baptist church, and her last act was to arrange for her monthly contribution to that church. One of the mothers in Israel has fallen, and we shall all miss her sadly. John wrote, "Blessed are the dead who die in the Lord." Her funeral was preached at the home of Mr. S. J. Alford by the writer, assisted by the pastor, Rev. W. H. Hartsell, in the presence of a large and sympathetic audience. Her body was tenderly laid to rest in the Alford burying ground near by. The following gentlemen, all of whom except, the last named, being her grand sons, acted as pall bearers: Garland Alford, Gus Alford, Purn Alford, Zollie Alford, Charlie Wilder, and Spencer Gay, her nephew.

GIRLS! HAVE A MESS OF BEAUTIFUL HAIR. SOFT, GLOSSY, WAVY

25-cent Bottle Destroys Dandruff and Doubles Beauty of Your Hair.

Within ten minutes after an application of Danderine you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few week's use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—you surely can have beautiful hair and lots of it if you will just try a little Danderine.

Debating Society Meets.

On Saturday evening, April 7th, the Matthew Davis Literary Society was called to order by its President, Mr. Robert W. Smithwick. The president ordered the secretary to call the roll, read a clause from the constitution, the minutes of the preceding meeting and to read the query and names of the debaters for the present and the following debate, which will be two weeks. The query for debate was, Resolved "that the United States was not justified in interfering with the Cuban Revolution of 1898." As it was the day for the election of officers the following ones were elected, Mr. Gerald Allen, President; Mr. Edward Alston, on account of his excellent book-keeping, was re-elected Secretary, and Mr. Peter Augustus Reavis, Jr., leader of the B. S. A. club, was elected Vice-President, after which the declaimers delivered a very interesting declamation. The judges, Mr. Gerald Allen, Mr. Clyde White and Mr. Otto Gunther, were elected to judge the present debate.

Those who were on debate were: Affirmative—Arch Perry, John Wilson, Jim Allen Hill, William King, Jas. S. Massenburg, Will Collie, Elias Beasley, Willie F. Gattis. Negative—Jesse Clay, Roland Nash, Napier Williamson, Eugene Wilson, Jim Collie, Clyde Harris, Gus Reavis, Joseph Harris, Maurice Murphy, Hill Yarborough.

After the debaters had delivered their orations the critic, Mr. Edward

Griffin reported as follows:

Mr. Arch Perry had no debate. Mr. Jno. Wilson was absent, "and I am sure the cause for his absence is that Miss Edwards is down the street this afternoon."

Mr. Napier Williamson had a very good debate but read it.

Mr. Jim Allen Hill had a very good debate.

Mr. William T. King had a very good debate but read it.

Mr. Eugene Wilson had a very good debate and used some fine oratory.

Mr. James S. Massenburg had a fine debate and used a great deal of very flowery oratory.

Both Messrs. Jim and Will Collie were absent on account of their preparation for their departure to the "Penitentiary."

Little Joseph Harris had a very good debate.

Mr. Peter Augustus Reavis, leader of the B. S. A., had a very good debate and his oratory was very excellent.

After the critics report the judges rendered their decision in favor of the Negative side with Mr. James S. Massenburg having the best debate, after which the society adjourned to meet again in two weeks.

WILMOT E. BROWN,
Corresponding Secretary.

SPECIALIST SAYS EVERYONE SHOULD DRINK HOT WATER IN THE MORNING

Wash Away All The Stomach, Liver, And Bowel Poisons Before Breakfast.

To feel your best, day in and day out, to feel clean inside, no sour bile to coat your tongue and sicken your breath or dull your head; no constipation, bilious attacks, sick headache, colds, rheumatism or gassy, acid stomach, you must bathe on the inside like you bathe outside. This is vastly more important, because the skin pores do not absorb impurities into the blood, while the bowel pores do, says a well-known kidney specialist.

To keep these poisons and toxins well flushed from the stomach, liver, kidneys and bowels, drink before breakfast each day, a glass of hot water with a kidney tablet then take it before dinner and supper with a glass of cold water. This will cleanse, purify and freshen the entire elementary tract, before putting more food into the stomach get a dozen kidney tablets for a quarter from Scoggin-Egerton Drug Co., Louisburg; Crescent Drug Co., Franklinton; Winston-Blanks Drug Co., Youngville; they are inexpensive and act quickly. Drink hot water every morning with Kidneco to rid your system of these vile poisons and toxins; also to prevent their formation.

To feel like young folks feel, like you felt before your blood, nerves and muscles became saturated with an accumulation of body poisons, begin this treatment and, above all, keep it up! As soap and hot water act on the skin, cleansing, sweetening and purifying, so kidney and hot water, before breakfast, act on the stomach, liver, kidneys and bowels.

Observance of Easter Day by St. Pauls Sunday School.

The little band of earnest young workers in the Master's Vineyard who form St. Paul's Sunday School, after attending the services for the grown people, had a short devotional service of their own; Easter music by the youthful choir, and then made their Lenten offerings for Foreign and Domestic missions. This offering represents the earnings and savings of the children during the forty days of Lent with a view of swelling the great Easter offering of the Protestant Episcopal Sunday Schools in the United States, which last year mounted up to nearly two hundred thousand dollars. Each little worker practiced some form of self denial to raise the pennies, nickles and dimes, and this little band offered on the altar that day for the spread of Christ's kingdom on earth \$31.90, almost \$1.00 per member; and to this they will add of their general weekly offerings, all of which, with some minor exceptions are devoted to mission work.

A touching incident of this offering was when little Maurice Clifton, son of Mr. M. S. Clifton, to amuse his little sister with the traditional finding of the Easter rabbit went to look in a discarded basket in the corner of the yard, remarking that it was just the place to find one—when to his utter surprise he found a live, tiny bunny hidden in the basket evidently for warmth from the chilly morning. The find brought in all the children of the neighborhood, naturally to see the prize. But great as was Maurice's desire to keep the find, when a boy offered him money for it he promptly sold the rabbit and put the money in his already handsome offering. "Of such is the kingdom of Heaven."

And sometimes a man's silence speaks volumes for his ignorance.
