—Several nice seasons visited this section the past week.

—Mr. M. S. Davis is still busy surveying the streets preparatory to paving.

—Cleaning off the Court Square and mowing the grass has improved its appearance, wonderfully.

—Quite a large number of our citizens went to Washington the past week to attend the Confederate Veterans Re-union.

—Quite a heavy rain and hail storm visited the western portion of the county Wednesday evening, according to reports received here yesterday.

—Board of Education met in regular session on Monday out aside from ordering a special tax election in Ingleside district, only routine business was transacted.

—The children's exercises at the Methodist church on last Sunday night were largely attended and much enjoyed. Each one of the little folks did well their parts and reflected much credit upon their instructors.

**Red Cross Work for Louisburg.**

The women of Louisburg are seriously interested in Red Cross Work and though they are just making a beginning they expect "to do things" by their united effort.

Forty-three members were enrolled in the meeting in the Ladies parlor of the Methodist church Wednesday morning.

The following officers were elected: Mrs. W. E. White, Chairman, Mrs. K. K. Allen, Vice-Chairman, Mrs. R. F. Yarborough, Secretary, Mrs. G. A. Cralle, Treasurer; Mrs. J. E. Malone, Chairman of Ways and Means Committee; Mrs. R. H. Davis, Chairman of Instruction Committee; Mr. T. W. Watson, Chairman of Supplies Committee; Mrs. L. E. **FARMERS WAREHOUSE CHANGES HANDS.**

Mr. S. S. Meadows former Proprietor Sells His Interest to W. H. Allen and Will Run the Riverside Warehouse.

That Louisburg would have three tobacco warehouses the coming season become practically an assured fact the past week when it was announced that Mr. S. S. Meadows, who for a number of years has been running the Farmers Warehouse on Nash Street, had sold his interest in same to Mr. W. H. Allen, who we are informed will run it this season, and had leased the Riverside Warehouse for the coming season. This will be in the nature of "home coming" to Mr. Meadows as for a long number of years before he became connected with the Farmers Warehouse, he was associated with Mr. J. N. Harris in the running of the Riverside, the old firm being Meadows and Harris. Mr. Meadows is well known to the planters of this section and his taking over the proprietorship of the Riverside will bring new life to this well known house. Read his announcement in another column.

Flies carry on their feet filth and the germs of typhoid fever, malaria, consumption—perhaps infantile paralysis and other dread diseases.
