**Selective
Draft**

You can draft more select pieces of Furniture in our store for the same amount of money than you can in any other house in this section. And to convince you of the above fact we are willing for you to be the judge. Come let us show you. Our reason for making above statement is this. We have on hand a big stock of goods and some of this was bought before the high prices that are on everything today, and in making your selection you could easily find many of these items that you are in need of and that you can buy for less than the wholesale price on same article today. It will mean a loss to you to fail to visit our store should you need anything in above line.

**LEMONS MAKE SKIN
WHITE, SOFT, CLEAR**

Make this beauty lotion for a few cent and see for yourself.

What girl or woman hasn't heard of lemon juice to remove complexion blemishes; to whiten the skin and to bring out the roses, the freshness and the hidden beauty? But lemon juice alone is acid, renders irritating, and should be mixed with orchard white this way. Strain through a fine cloth the juice of two fresh lemons into a bottle containing about three ounces of orchard white, then shake well and you have a whole quart of skin and complexion lotion at about the cost one usually pays for a small jar of ordinary cold cream. Be sure to strain the lemon juice so no pulp gets into the bottle, then this lotion will remain pure and fresh for months. When applied daily to the face, neck, arms and hands it should help to bleach, clear, smoothen and beautify the skin.

Any druggist will supply three ounces of orchard white at very little cost and the grocer has the lemons.

A very small bit of religion will make a good-sized coak.

**MAMMA! DON'T YOU
SEE YOUR CHILD IS
SICK, CONSTIPATED**

Look at tongue! Move Poisons from liver and bowels at once.

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign its little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, diarrhoea, remember, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful, and in a few hours all the foul waste, sour bile, and fermenting food which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless, delicious "fruit laxative," and it never fails to effect a good "inside cleansing." Directions or -babble, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs" then look and see that it is made by the California Fig Syrup Co.

By persuading others we convince ourselves.

Bowel Complaints in India.

In a lecture at one of the Des Moines Iowa, churches a missionary from India told of going into the interior of India, where he was taken sick, that he had a bottle of Chamberlain's Colic Cholera and Diarrhoea Remedy with him and believed that it saved his life. This remedy is used successfully in India both as a preventive and cure for cholera. You may know from this that it can be depended upon for the milder forms of bowel complaint that occur in this country. OBTAINABLE EVERYWHERE.

The most zealous are not always the wisest.

**CALOMEL DYNAMITES
A SLUGGISH LIVER**

(Crashes into sour bile, making you sick and you lose a day's work.)

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes in contact with sour bile it crashes into it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a 50-cent bottle of Doan's Liver Tonic, which is a harmless vegetable substitute for

dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than any calomel and without making you sick, you will go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may irritate you, while if you take Doan's Liver Tonic you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children; they like it.

Worth makes the man and want of it the fellow.

**WONDERFUL STUFF!
LIFT OUT YOUR CORNS**

Apply a few drops then lift corns or calluses off with fingers - no pain.

No humbug! Any corn, whether hard, soft or between the toes, will loosen right up and lift out, without a particle of pain or soreness.

This drug is called freezone and is a compound never discovered by a (Ancient) man. Ask at any drug store for a small bottle of freezone, which will cost but a trifle, but is sufficient to rid one's feet of every corn or callus.

Put a few drops directly upon any tender, aching corn or callus. Instantly the soreness disappears and shortly the corn or callus will loosen can be lifted off with the fingers. This drug freezone doesn't eat out the corns or calluses, but shrivels them without even irritating the surrounding skin.

Just think! No pain at all; no soreness or smarting when applying it or afterwards. If your druggist don't have freezone have him order it for you.
