# Selective Draft

You can draft more select pieces of Furniture in our store for the same amount of money than you can in any other house in this section. And to convince you of the above fact we are willing for you to be the judge. Come let us show you. Our reason for making above statement is this. We have on hand a big stock of goods and some of this was bought before the high prices that are on everything today, and in making your selection you could easily find many of these items that you are in need of and that you can buy for less than the wholesale price on same article today.

It will mean a loss to you to fail to visit our store should you need anything in above line.

Come to see us.

## STOP FILLING THE GARBAGE PAIL

MORE GOOD FOOD GOES INTO GARBAGE PAILS THAN WOULD BE REQUIRED TO FEED BELGIUM

Tells How to Eliminate Waste.

The American nation is the best fed people in the world, and we are also the greatest food wasters. We throw more good food into the garbage pail than would be required to feed Belgium. Stop filling the garbage pail! This great waste is not wilful. Most of it is caused by the ill health of some members of the family. Indigestion, constipation, sour, gassy stomach, weak kidneys, bladder trouble, sluggish liver, etc., are ailments that are almost common to us. In that condition there is very little appetite created no matter how good the food that is placed before us.

The real solution of eliminating waste, therefore is found in keeping the system toned up and the vital organs working properly. A good tonic is the proper course. Acid Iron Mineral is the best tonic to take. It aids the digestive organs to perform properly, creates appetite, purifies the blood, increases weight, brings a healthy color to the skin, strengthens weak kidneys and bladder, sets the liver to working properly, and tones up the whole system in general.

Acid Iron Mineral is not a patent medicine. It is obtained from the only natural iron mineral deposit of its kind known to the world, and is free from alcohol, will not injure or discolor the teeth.

By diluting a fifty-cent bottle of A-I-M in four gallons of water a splendid mineral water may be had for use by all the family. Try this recipe, watch the contents of the garbage pail diminish.

At all druggists in 50c and \$1 sizes.

Another link with our neighboring town of Franklinton is provided in the following grateful and generous statement of a well-known resident there. Mrs. Mary B. Cooper, Cheatham St., she says: "About a year ago I could hardly get about on account of pain across my kidneys. My back was sore and lame that I couldn't lift or stoop. I was caused a lot of trouble by inactive kidneys. Doan's Kidney Pills were recommended so highly that I finally began using them. Several boxes greatly benefited me and I haven't had any trouble from my back or kidneys since."

## LIFT YOUR CORNS OFF WITH FINGERS

Tells how to loosen a tender corn or callus so it lifts out without pain.

You reckless men and women who are pestered with corns and who have at least once a week invited an awful death from lockjaw or blood poison are now told by a German authority to use a drug called freezone, which the moment a few drops are applied to any corn or callus the soreness is relieved and soon the entire corn or callus, root and all, lifts off with the fingers.

Freezone dries the moment it is applied, and simply shrivels the corn or callus without inflaming or even irritating the surrounding tissue or skin. A small bottle of freezone will cost very little at any of the drug store, but will positively rid one's feet of every hard or soft corn or hardened callus. If your druggist hasn't any freezone he can get it at any wholesale drug house for you.
