CANADIANS FIGHTING WAY NEARER HEART OF LENS

Soldiers of Dominion Put the Germans To Bayonet, Who Scurry to Trenches, Where Again Bayonet and Bomb Executes and Puts Others to Flight. Terriffic Drive of Italians, **Causing Austrian Line to Crack at** Numerous Points.

Hard smashes at the German lines in France again have produced important gains for the Entente Allies. North of Verdun the French have captured additional points or vantage while the Canadians have fought their way forward nearer to the heart of the town of Lens, taking 2,000 yards of positions west and northwest of the town

All the counter-attacks by the German Crown Prince's forces against General Petain's men on the newly captured ground in the Verdun sector have been-ill-starred; those of Crown Prince Rupprecht against the Canadians at last accounts had brought nothing more than an augmentation of the already terrible casualties 'his troops have suffered in their attempts to save the important coal center from capture.

Under a canopy of mist the Cana clans and Germans met at daylight in the open of "No Man's Land" northwart of Lens, neither expecting the other. Springing at their surprised foe with their usual intrepidity, the Canadians put the Germans to the bayonet and forced them to scurry for a seeming haven of safety inside their trenches. Here however the Germans apparently were no more secure than in the open, for again-with the bayonet and with bombs the Canadians did great execution, killing or wounding many of the occupants and jutting the others to flight.

West of Lens, aided by a heavy artillery fire the Canadians also advanced, pushing the Germans farther into the environs of the town. To both the captured positions the Canadians are holding tenaciously, already having put down with heavy losses three strong counter-attacks-two on porthwest and one west of the town.

North of Verdun, on both sides of the river Meuse, the French troops have kept up their vigorous offensive started Monday and have been rewarded by the capture of aditional, important positions. West of the river, Cote L'Oie, a point of considerable strategic value and the village of Regneville have been taken while east of the stream the village of Samogneux and fortified trenches over a front of about a mile and a half, connecting Samogneux with the defenses on Hill 344 are in the hands of General Petain's men. Counter-attacks the hy the Germans all along the new front have been repulsed by the French.

> In addition to more than 5,000 prisoners taken by the French in Mondays advance, additional captures resulted from the attacks of Tuesday.

The German war office possibly with the idea of heartening the p

down in aerial battles but the Entente-Allies also have lost a considerable number of machines. British warships have destroyed a German Zeppelin off the coast of Denmark, the entire crew perishing.

Catches Burglars.

Constable R. W. Hudson returned from a trip to Henderson Tuesday night after having caught Al Conn and Bryant Murray and turned them over to the Chief of Police of that place under a charge of store breaking. From what we can learn they confessed to having broken into the O'Nell Hardware Co. and the Watkins Hardware store at Henderson and McKinne Bros. Co. store at Louisburg. Also that they had accomplices in the persons of two boys named Harris and Roberson. Quite a good lot of the articles stolen were recovered. Upon pressing the search for the stolen articles the officers found a new whiskey still complete, which they seized. From the statement of one of the boys it was Conn and Harris who broke into McKinne's store on Friday night entering through the say light from the top of the building.

Red Cross Soclety.

In the meeting of the Red Cross Society on Wednesday there was a discussion of the placing of the knitted wool garments. The ladies are anxious that it shall oe generally understood that this immediate call for sveaters, wristlets, socks and scarfs comes from the military headquarters of the Red Cross organization and not from the Navy League, and that these supplies are for the Army boys.

Every one, whether a member 0 not of the Red Cross Society is urged to take up the knitting at once that supplies may be ready before severe weather sets in.

College Notes.

Mrs. Ivey Allen and Master Ivey Allen are visiting relatives in Warrenton and Ridgeway. Miss Elizabeth Allen is the house

loway ollege, Searcy, Arn. The new additions to the faculty are Miss Lucile Womble, A. B., Trinity College, who will teach Education and Bible; Miss Eleanor Yarborough, Louisburg College, State Normal, French and German; Miss Vera Keller, B. M. Converse College, Voice, and Pres. F. S. Love, A. B., Trinity College, M. A., Columbia University, History. Other members of the faculty are Mrs. Ivey Allen, Misses Edna Watkins, Gladys Yelverton, Mary Underwood, Elizabeth Allen, Burdette Joy-

ner, Ruth Gaither, Nellie Clapp, Elba Henninger and Mabel Davis. Revival at Baptist Church. On account of the serious sickness of Dr. Weston Bruner, it was found

a, the last minute that he could not fulfill his engagement here this week to conduct a series of evangelistic muetings, as was announced in these columns last week.

The pastor was exceedingly fortunate in being able to secure the services of pastor-evangelist John A. Wray, pastor of the First Baptist church of Monroe, who arrived in the city Tuesday afternoon, and preached his first sermon here Tuesday night, which highly pleased the good sized audience that heard him.

Rev. Mr. Ray has held very sucessfully some of the best pastorates in the Southern Baptist Convention during the past 23 years, and during all that time has been in great demand for evangelistic meetings, for which he is specially gifted.

Mr. Wray is a man of pleasing and magnetic personality with very decided oratorical gifts. He has already made a very fine impression on the Louisburg people. To hear him cnce is a guarantee that you will go back to hear him again.

The music which under the direc tion of the regular choir and a junior and senior chorus, is a very attractive and young, are cordially invited to 68.

There will be three services Sunday 11 A. M., 3:30 P. M., a big mass meeting for everybody, and 8 at night. Services daily during the coming cek at 8:30 A. M. and 8 P. M. The prospects for a really great

neeting in Louisburg is good. You will miss a superb opportuns

ty if you should fall to connect yourself with this movement for the uplift of the town and surrounding country.

Lawn Party.

We as Bereans of Cypress Chapel Sunday School accepted an invitation of the Fidelace class to a lawn party given at the home of Mr. W. J. Wilder, Wednesday afternoon Aug. 22. At an early hour the lawn was well live with laughter of the young coues to participate in the occasion. They assembled in a ring, which had been made around a beautiful arch in the lawn, while chairs and rirs had been placed about to provide for the comfort of the guests. In spite of the threatening weather

we as Bereans enjoyed every moment

Puts Funds In Trust for Institution.

Handy Wilder, a well known colored farmer of Franklin county, has donated \$2,000 to be held in trust by the Rafeigh Savings Bank and Trust Company for the benefit of the colored Orphan Asylum at Orford. The Asylum is to get the interest of this amount for 25 years and at the end of that time the principal goes to the asylum.

This gift, it is thought, was actuated by the gift by S. C. Vann, manufacturer of Franklin, of \$10,000 to the Methodist Orphanage at Raleigh as a loan fund for orphans who may wish to continue their education by going to college after finishing their studies at the orphanage. Orphans may borrow money from this fund on their personal note to be paid back after securing their education.

Runn High School to Open Sept. 3rd. 1917-9:00 O'clock.

Bunn High School will begin Monday morning Sept. 3rd, 1917. This is a four year high school. Pupils will be admitted to this school upon certificate from the last school attendod. Pupils entering high school for the first time must have county diploma, showing that seventh grade examination has been successfully completed.

The opening of this school promises to be interesting. We are planning to have a noted speaker, and we expect a large crowd of patrons and friends of the school at the opening.

A word to the patrons of the Bunn High School. Our faculty consists of some of the very best material we could secure for the money. They are going to do their best, but they cannot work without the children. You say: "Oh well its war times I just can't do without my children this full." Stop! Think! Our country is being sapped of the flower of young manhood. Somebody must make the sacrifice to replace these young menwillyou not do your bit-now. Especially do we need your boys. Father! Mcther!
