

Ugh! Calomel Sickens; Salivates! Please Try Dodson's Liver Tone

I am sincere! My medicine does not upset liver and bowels so you lose a day's work.

Calomel loses you a day! You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel just remember that your

druggist sells for a few cents a large bottle of Dodson's Liver Tone, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate.

Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tone straightens you right up and you feel great. Give it to the children as well.

BE CAREFUL LESSON FOR HOUSEKEEPERS

DO YOU DO YOUR PART TO PREVENT ACCIDENTS IN THE HOME.

Some Suggestions Which Will Aid Housekeepers to Acquire the Be Careful Habit.

In the observance of Fire Prevention Day, October 9, the State Insurance Department called especial attention to the part which can be played by the housekeepers of the State. The housewives, the helpmeets of the wage earners in industrial pursuits, must bear in mind constantly the knowledge that the wage earner stands in peril at all times from injury by accidents that go with their hazardous occupations.

You housekeepers also should learn the Be Careful lesson. You know what untold misery and suffering are caused by accidents in the industrial world. You know that every four minutes of every working day a wage earner is killed, that every four seconds of every working day a wage earner is injured. You know that the vast majority of these accidents are the result of gross carelessness and could be avoided by the observance of simple Be Careful rules. You know these terrible truths and you earnestly urge your bread winner to avoid taking unnecessary chances.

But do you do your part to prevent accidents in the home?

Every year thousands of women and children are killed and injured in their own homes as the result of carelessness. Your turn may come next unless you form the Be Careful habit. Fire is one of your worst enemies, destroying countless homes and claiming thousands of innocent human victims—generally women and children.

Here are some suggestions you might bear in mind to aid you in acquiring the Be Careful habit:

NEVER use coal oil to start a fire in the stove. You invite disaster every time you do, for it is liable to explode and scatter the blazing oil.

NEVER let children play around a bonfire. They love to venture close to the blaze and a sudden gust of wind may blow their dress into the flames.

NEVER leave matches lying around within reach of young children. Few youngsters can resist the temptation to play with the fire and often their lives are sacrificed as a result.

NEVER neglect to pick up a match you have dropped on the floor. Many a fatal fire has been caused by stepping on a match head.

NEVER set a lighted candle or lamp near a curtain. The wind may blow the waxyery against the same.

NEVER neglect to attend promptly to an apparently trivial injury. A tiny scratch often becomes infected, causing blood poison.

NEVER go down stairs backward. Watch your step when working near a flight of stairs.

NEVER take an unnecessary chance. Remember the A. B. C. of Safety First is always Be Careful.

Mrs. Smith Recommends Chamberlain's Tablets

"I have had more or less stomach trouble for eight or ten years," writes Mrs. G. H. Smith, Brewerton, N. Y. "When suffering from attacks of indigestion and heartburn after eating, one or two of Chamberlain's Tablets gave a way relief to me. I have not found them a pleasant laxative." These tablets tone up the stomach and enable it to perform its functions naturally. If you are troubled with indigestion give them a trial, get well and stay well.

Model Steam Laundry.

DELCO-LIGHT—See it at the Fair. WAIT—Plenty of time to buy your lighting plant at the Fair. See what Delco-Light does at the Fair. We make your hogs fat, and fat hogs fatter. National Hog Cholera Preventive

"I got a batch of aeroplane jokes ready and sent them out last week." "What luck did you have with them?" "Oh! they all came flying back."

Chamberlain's Cough Remedy the Most Reliable

After many years' experience in the use of it and other cough medicines, there are many who prefer Chamberlain's to any other. Mrs. A. C. Kirslein, Greenville, Ill., writes, "Chamberlain's Cough Remedy has been used in my mother's home and mine for years, and we always found it a quick cure for colds and bronchial troubles. We find it to be the most reliable cough medicine we have used."

WATER—Good, pure, fresh water direct from your well into your home and additional supply for emergency in a tank close by. That is one Delco-Light feature.

Sale of Valuable Lands.

Pursuant to an order of sale made by the Superior Court of Franklin County, at the October Term, 1917, thereof, in the action entitled "Edward A. Long vs. Annie Long and Edward A. Long, Jr.," we shall on Monday, November 2, 1917, at about 12 o'clock M., offer for sale to the highest bidder, by public auction, for cash, in front of the Mayor's Office in the Town of Franklinton, N. C. the following described land:

Lying and being situate in Franklinton Township, adjoining the lands of Ben Kearney and others, containing 6 1/2 acres, more or less, and being known as Lot No. 4 in the division of the lands of the late Mrs. Mary E. Long, deceased.

This tract of land is on both sides of the public road leading from Franklinton to Poconoke.

There is a considerable quantity of valuable timber on the said land.

This October 24, 1917.
