DARK OUTLOOK

"Don't you think the Russian w-
en are brave who have formed th-
selves into a regiment, and will f-
the same discipline and fight the s-
of the men?"

"Maybe so, but all that trainin-
ilitary knowledge are going to
in this hot war when the war
over."

ording, Bridget."

"Sure, the goat did eat 'em up to-

GERMANY'S LOSS

With the declaration of Brazil
state of war between that country
Germany, the latter can now of
eighteen enemy nations arrayed
against her.

Germany's losses in men and mo-
while they must be enormous, are
reality the least of the disasters
have befallen her. The one great
aster that that misguided country
brought upon herself, and which
have most far-reaching effect, is
loss of her standing with the nat-
of the world. With the exception
the countries leagued with her in
unholy war, Germany is an out-
among the nations of the earth.

Germany is not feeling the blig-
ing effects of this ostracism now
she will feel it in years to come.
claims that her policy of fright-
ness is a necessary measure of
defense, yet this same policy has
alienated numbers of nations that
for that inhuman course would
they be, if not her avowed friends,
least strictly neutral.

Peace will come after awhile,
in the reckoning Germany's cou-
will be laid bare before a just and
criminating world. We say "just
discriminating," because we belie-
despite Germany's frightful defect
from national humanity and hon-
the large majority of the peoples
the earth are at heart humane
honorable. And the latent princi-
of humanity and justice that under-
and form the bed-rock foundations
all civilized nations, have revol-
and will continue to revolt again-
the savagery displayed by that wou-
be fount of "kultur."

This antipathy will take the for-
of a prejudice against not only Ger-
many as a nation, but against the
German blood. Not all the peoples
of the earth have the finely discrim-
inating judgment of President Wilson
and not all of them will be able to
separate the acts of the German Gov-
ernment from the impulses of the
German people.

It is a common thing to hear, even
in charity-loving America, references
to German brutality and German sav-
agery. It is of no avail to tell the
people that this brutality and sav-
agery is the result of a "system" and
that in reality the German people as
a whole do not countenance it. Hu-
man nature is prone to believe that
actions speak louder than words, and
Germany's actions will form the com-
ponents' evidence when Germany
comes to trial before the people of
the earth.

The German bed will be a bed of
thorns for generations to come.

is to adopt a diet suited to your age
and occupation and to keep your bow-
els regular. When you feel that you
have eaten too much and when consti-
pated, take one of Chamberlain's Tab-
lets.

CERTAIN CURE FOR CROUP

Mrs. Rose Middleton, of Greenville,
Ill., has had experience in the treat-
ment of this disease. She says, "When
my children were small my son had
croup frequently. Chamberlain's
Cough Remedy always broke up these
attacks immediately, and I was never
without it in the house. I have taken
it myself for coughs and colds with
good results."

at once and quickly broke up his cold,"
