A BILIOUS ATTACK
When you have a bilious attack
your liver fails to perform its func-
tions. You become constipated. The
food you eat ferments in your stom-
ach instead of digesting it. This in-
flames the stomach and causes vom-
iting and a terrible headache. Take
Chamberlain's Tablets. They will tone
up your liver, clean out your stomach
and you will soon be as well as ever.
They only cost you a quarter.

WHEN YOU HAVE A COLD
It is when you have a severe cold
that you appreciate the good qualities
of Chamberlain's Cough Remedy. Mrs.
Frank Crocker, Pana, Ill., writes: "Our
five-year old son Paul caught a severe
cold last winter that settled on his
lungs and he had terrible coughing
spells. We were greatly worried about
him as the medicine we gave him did
not help him in the least. A neighbor
Rspoke so highly of Chamberlain's
Cough Remedy that I got a bottle of it.
The first dose benefited him so much
that continued giving it to him until he
was cured."

MISS TUNA WHITE DEAD
A very deep sadness has fallen on
all the community around Bunn. On
last Tuesday morning, February 19
very early in the day the Death Angel
visited the home of Mr. and Mrs. J.
M. White of Bunn and took away their
daughter Tuna. A tender spot could
not have been touched in the heart
of the community as a whole.

She was one of the sweetest char-
acters that ever lived in our vicinity.
She was even tempered, never a harsh
word for anyone and could always
make excuse for anybodys failure or
mistake. She was a leader in her
church and could always be counted
on to do all that she could to help any
cause along. Her pastor leaned heav-
ily on her support in the E. Y. P. U.
in the Sunday School and in the choir.
She gave willingly of her means to
help build the new house of worship
here. She was a member of the Bet-
ment Association that has done good
work here for our school.

"God moves in mysterious ways his
wonders to perform." We cannot un-
derstand why cloud instead of sun"
splendid poem written by the Misses
of her life and one that we feel is so
badly needed here by us who are left.
We can only say "sometime we'll un-
derstand why could instead of sun"
was so often in our path way.
We offer to the family our deepest
sympathy. May the great burden bear-
er help them in this hour of sore trial.
Some of the feeling of the people, was
shown in the floral tribute. The cas-
ket and grave were literally covered
with beautiful white flowers. A very
pretty harp from her Sunday School
class, a large beautiful crown from
the Women Missionary Society and a
large number of artistic bouquets from
her friends.

REV. WALLACE HARTSELL.
Billy Sunday is reported to have
come \$16,000 short of expenses in his
Washington campaign. Billy should
remember that while the hell he is ad-
vising men to shun may be a verity,
Washington is just now engaged in
making war on hell much more real-
and menacing.

George Creel is worried because he
can not exercise censorship over the
talk at the knitting bees. He'll be all
kinds of a fool if he ever undertakes
it.

While the government is rooting out
the hogs at Hog Island, it might also
try its hand at locating those million-
aires said to have been retired from
circulation by the packers. Some of us
are going to need new shoes before
long.

**THE CAUSE OF
ITS POPULARITY**

There is No Mystery Behind This
Growing Movement
Men and Things are Judged by the
Company They Keep and Those
Who Give Approval.
If Edison approves an electrical de-
vice it is reasonably certain to prove
practical and a success. If Morgan
says that an investment is safe there
are millions of people ready to put
their last dollar in it, and so it is in
every line; public opinion is influ-
enced by those who know.

This is particularly true of prop-
rietary remedies, and that is why
Peplac, the great restorative and sys-
tem tonic is meeting with such un-
precedented success.—It has the en-
dorsement of those who know where-
of they speak. Doctors, Ministers, Red
Cross workers, Business, and profes-
sional men and leaders in all walks of
life have endorsed Peplac and pub-
licly stated that it brought health to
them when they had abandoned hope.

No medicine ever offered the people
of this state has so quickly and firm-
ly established its merit as Peplac. It
has demonstrated its worth in com-
batting the most severe cases of stom-
ach trouble, indigestion, constipa-
tion and derangements of the liver
and kidneys. It is also effective in
the treatment of catarrh, as it builds
up the system and enables the vic-
tim to cast out this loathsome and
dangerous malady.

Those who feel that they are af-
flicted with any of these health un-
dermining diseases should at once
call Peplac to their assistance and
conquer these troubles before they
become chronic.

Peplac the all powerful reconstruc-
tive tonic is recommended and sold
in Louisburg by Scoggin's Drug Co.,
and may also be obtained in Youngs-
ville, at Winston-Balks Drug Co.,
Waka Forest, T. E. Holding & Co.,
Henderson, W. W. Parker. A bottle
bought today may save you years of
suffering.

To Cure a Cold in One Day!
Take **LAXATIVE BROMO** Quinine. It stops the
Cough and Headache and works off the Cold.
Druggists refund money if it fails to cure.
