WOMEN PRAISE STELLA-VITAE

We want every afflicted woman to try at least one bottle of Stella-Vitae on our plain, open guarantee to return the money paid for it if it does not benefit her.

If you doubt our word that it will relieve the distressing aches, pains and misery peculiar to the diseases of women, read the testimony of these women who have tried it and are glad to tell others what it has done for them. The only interest they have in the matter is that which any true woman feels in helping to relieve the sufferings of other women. You can believe them.

Mrs. N. E. Lee, Milstead, Ga., had a terrible complaint for years. Several bottles of STELLA-VITAE cured her, she said, and added, "I am certainly thankful for this great female tonic." Mrs. Paralee Frazier, Longview, Tex., expressed appreciation of STELLA-VITAE in these words: "I cannot say too much for this wonderful medicine. I had taken other female medicines for two years with no good results. I am truly grateful for the good STELLA-VITAE has done me." Mrs. Sandy Withers, of Greensboro, Ala., was a terrible sufferer from female trouble—and only a woman knows what that means! Her condition got so bad her pains threw her into spells like fits. Her husband feared she would lose her mind. The Greensboro doctors pronounced her incurable. Then somebody suggested that she take STELLA-VITAE. She did so. The first dose lightened her spells. STELLA-VITAE is a perfectly harmless compound and it not only alleviates a woman's pain, but builds up her health; it stimulates her appetite, aids digestion, quiets her nerves and clears her complexion. It improves her personal appearance.

All dealers sell Stella-Vitae, and are authorized to return the money paid for the first bottle if it does not benefit.

Canada Goes After Slackers.

The order published below is reported as the new ruling Canada has placed on slackers and shows she doesn't intend to tolerate them. A slacker law properly enforced would be well for the United States, as there are entirely too many walking around refusing to work when labor is badly needed. The Canada law is as follows:

Vice Consul Sanford, at Ottawa, reports:

By an order in council, dated April 6, Canada seeks to utilize to the best advantage the human energy of the Dominion for purposes essential to the prosecution of the present war. The regulations prescribe that every male person residing in the Dominion shall be regularly engaged in some useful occupation, there being, of course, certain exceptions. The order reads in part:

TEXT OF THE ORDER.

Whereas it is necessary to enact such regulations as will utilize to the best advantage the human energy of Canada for purposes essential to the prosecution of the present war.

And whereas the need of men of military age to provide reinforcements for the Canadian Expeditionary Forces and the equally urgent need for labor or to assist in the production of food and other articles of reasonable cause to the contrary engage in useful occupations under the regulations hereinafter set forth.

INCLUDES PERSONS 16 TO 60.

His excellency the governor general in council on the recommendation of the right honorable the prime minister, and under the powers vested in his excellency in council under the war measures act, 1914, and under all other powers his excellency in council thereunto enabling, is pleased to make the following regulations:

- Every male person residing in the Dominion of Canada shall be regularly engaged in some useful occupation.
- In any proceeding hereunder it shall be a defense that the person is—
 - Under 16 years or over 60 years of age.
 - A bona fide student proceeding with his training for some useful occupation.
 - A bona fide student in actual attendance at some recognized educational institution.
 - Usually employed in some useful occupation and temporarily unemployed owing to differences with his employer common to similar employees with the same employer.
 - Physically unable to comply with the provisions of the law as herein enacted.
 - Unable to obtain within reasonable distance any kind of employment which he is physically able to perform at current wages for similar employment.

PENALTY FOR EVADERS.

3. Any person violating the provisions and shall be liable on summary conviction before a magistrate to a penalty not exceeding \$100 and costs, and, in default of payment, to imprisonment with hard labor for a period not exceeding six months in any common jail, or in any institution or on any farm owned by a municipality or Province and declared by law or order in council, respectively, to be a public institution or farm for the purpose of this law, which said institution or farm for the purpose of this law shall be a common jail.

5. Useful occupation and reasonable distance shall be question of fact to be decided by the magistrate.—Commerce Reports.

Unmoved Before Humanity's New Sacrifice Cross.

We can comprehend how the jeering, leering soldiers, standing before the Cross upon which the Son of God was crucified, failed to realize the meaning of that hour, and to understand that He who hung upon the Cross was indeed the very Son of God, and therefore we can see how they could be unmoved even by the physical agonies of the Crucified One, since their hearts had been hardened to human suffering.

We can understand how the Pharisees might have been unmoved by Calvary's awful hour, and how the very disciples themselves did not fully, until long afterwards, grasp the tremendous truths which found expression in the death upon the Cross of the Saviour of mankind.

But we cannot possibly comprehend, even in the slightest degree, how any man or woman, boy or girl, whose mentality is sufficient to keep them out of the insane asylum, can face the terrific, the unspeakable and unvoiced agonies of the last three and half years without having their souls bowed with grief and their minds and bodies quickened to concentrate and consecrate their all to saving this country from the possibilities of the fearful agony which threatens us.

As our people stand before the Cross of humanity upon which not one but millions of men have died for others, as they see upon a thousand battlefields of Europe men shot to pieces,

This Corn Will Peel Right Off!

"Gets-It" Makes Corns Come Off The "Banana-Peel" Way!

Why have to flop on the floor, squeeze yourself up like the letter "Z", and with bulging eyes draw your face up into a wrinkly knot while you gouge and pull at the "quick" of a tender corn? That's the old, savage way. "Gets-It" is the modern, painless, simple way. Lean over and put two drops of "Gets-It" on the corn, put your stocking and shoe right on again, and forget the corn. Pain is eased. "Gets-It" has revolutionized the treatment of corns. It never irritates the true flesh. You'll stop limping on the side of your shoe, and do away with greasy salves, bandaging, blisters, plasters and painful methods. Use "Gets-It", it's common sense.

"Gets-It" the guaranteed, money-back corn-remover, the only way, costs but a trifle at any drug store. M'd by E. Lawrence & Co., Chicago, Ill.

Sold in Louisburg and recommended as the world's best corn remedy by **F. R. Pleasant**.

Eugene V. Debs, three times Socialist candidate for the presidency, has recently made a speech reaffirming his opposition to conscription and Liberty bonds, and referring to the Bolsheviks as "comrades." He and the Bolsheviks may be calling "Kamerad" yet.

Doing Good.

Few medicines have met with more favor or accomplished more good than Chamberlain's Colic and Diarrhoea Remedy. John F. Jantzen, Delmeny, Sask., says of it, "I have used Chamberlain's Colic and Diarrhoea Remedy myself and in my family, and can recommend it as being an exceptionally fine preparation."

Government officials at the head of the wool and woolen department announce that during the period of the war conservation of both men's and women's woolen apparel will be absolutely necessary. They predict that in another year no garment will be fashionable unless it displays the "democratic darn" or the "patriotic patch." The "reactionary rip" however, will not be tolerated.

Are You One of Them?

There are a great many people who would be very much benefited by taking Chamberlain's Tablets for a weak or disordered stomach. Are you one of them? Mrs. M. R. Searl, Baldwinville, N. Y., relates her experience in the use of these tablets: "I had a bad spell with my stomach about six months ago, and was troubled for two or three weeks with the most excruciating pains in the pit of my stomach. Our druggist advised me to take Chamberlain's Tablets. I took a bottle home and the first dose relieved me wonderfully, and I kept on taking them until I was cured." These tablets do not relieve pain, but after the pain has been relieved may prevent its recurrence.

The duties of the president of the United States are not limited to presiding at cabinet meetings, formulating policies and making speeches. The other day President Wilson threw the first ball in the baseball game between Republican and Democratic members of Congress, and he put it over too.

Like an Electric Button on Toes

Tells why a corn is so painful and says cutting makes them grow.

Press an electric button and you form a contact with a live wire which rings the bell. When your shoes press against your corn it pushes its sharp roots down upon a sensitive nerve and you get a shock of pain.

Instead of trimming your corns, which merely makes them grow, just step into any drug store and ask for a quarter of an ounce of freezone. This will cost very little but is sufficient to remove every hard or soft corn or callus from one's feet. A few drops applied directly upon a tender, aching corn stops the soreness instantly, and soon the corn shrivels up so it lifts out, root and all, without pain. This drug freezone is harmless and never inflames or even irritates the surrounding skin.
