

To the Tobacco Growers of Franklin and ADJOINING COUNTIES

I wish to announce to you that I have leased the FARMERS UNION WAREHOUSE for a number of years and am glad to extend you an invitation to come to see me at my new location, where I will spare no efforts to see that you receive the top of the market for your tobacco. You are familiar with my method of selling tobacco in Louisburg, and when I put the FARMERS UNION WAREHOUSE in the proper condition, which I will at once, I will be better prepared than ever to accommodate you. I will go to South Carolina and operate a warehouse again this season, but will return in time to serve you in the same old reliable way.

Use Doan's Kidney Pills.

Here's Louisburg testimony.

Verify it if you wish:

Mrs. F. R. Pleasants, Church St., says: "I had kidney and bladder trouble and was caused much misery. I got Doan's Kidney Pills from Pleasants' Drug Store and they cured me."

For a pair of kidneys, the cause of the trouble. If my endorsement will be the means of helping other kidney sufferers I am only too glad to give it."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Pleasants had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

If the draft age is extended to cover from 18 to 49 years it will remove from our sight temporarily many of the boys who chew gum and the men who chew tobacco.

"Preserve to our use the kindly fruits of the earth" is the petition we are making to the housewives of America.

The United States has made wonderful advances in the dye industry during the past year, and is making many dyes that were formerly procured from Germany. The Germans, on the other hand, have been industriously dying lately.

Kipling, writing in the person of Tommy Atkins, says of the U. S. Marine: "For there isn't a job on the top of the earth the beggar don't know nor do." And after the Marine Corps' magnificent service in France we agree with Kipling.

FEW CENTS DESTROYS YOUR DANDRUFF AND STOPS FALLING HAIR

Save your hair! Make it thick, wavy and beautiful—try this!

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a small bottle of Knowlton's Danderine from any drug store or toilet counter, and after the first application your hair will take on that life lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance and incomparable gloss and softness; but what will please you most will be after just a few weeks' use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.
