Horry woman in this community can have money if che went to. The can save it by delig her trading right have at this ators. She can saye it because we call everything in this store at the closest margin of in the community. The orn save to odor ase we take advantage of every discernt known () the wholesale market and give our customers the beaeff of that discount. The cen save it because we are willing to sell have selled at a relative that of any store in this section of country. The con since it because we are making these close prices in order to repeople of this community.

# Mother Dresses Baby But We Dress Dad

Discising of the "dads" in this community is often a problem. There are many kinds of dads—big dads, little dads, old dads, young dads, fat dads, lear dadsin fact, ust about every kind of a dad you could think of as a dad.

But we dress them all, because we have the stock and the assortment to fit any kind of figure or purse. Come along, dads-and would-be dads and let us show you what we have.
