

**NEPT DEER AWAKE**

**The Terrible Pains in Back and Sides. Cardui Gave Relief.**

Marksville, La.—Mrs. Alice Johnson, of this place, writes: "For one year I suffered with an awful misery in my back and sides. My left side was hurting me all the time. The misery was something awful. I could not do anything, not even sleep at night. It kept me awake most of the night. I took different medicines but nothing did me any good or relieved me until I took Cardui. . . . I was not able to do any of my work for one year and I got worse all the time, was confined to my bed off and on. I got so bad with my back that when I stooped down I was not able to straighten up again. . . . I decided I would try Cardui. . . . By time I had taken the entire bottle I was feeling pretty good and could straighten up and my pains were nearly all gone. I shall always praise Cardui. I continued taking it until I was strong and well." If you suffer from pains due to female complaints, Cardui may be just what you need. Thousands of women who once suffered in this way now praise Cardui for their present good health. Give it a trial. NC-133

On this hot and sultry weather Every where the heat is dancing Jigs and reels upon the landscape Million may flies and mosquitoes Ever swarming thicker thicker On the banks of creek and river Taing toll from every victim Routing every pleasure seeker At the home of Mrs. Nokomis In her chair of home construction Notched the utmost for reclining Sat the lovely Minnehaha Sighing like her heart was breaking Refused to heed our words of cheering Vowed she felt the pangs of hunger Longing for some perch or minnow So it was that Hiawatha

Cork made of a buzzard feather Plenty bait worms (acmaralus) Through the heat was speeding onward Down the railroad to the river To secure these perch or minnows For the lovely Minnehaha Long he sat beneath the beech tree Watched his cork or buzzard feather To see it cut exciting caners Trusted in his acmaralus 'Till a sneaking soft wing may fly Raised upon his nose a mountain He began his homeward journey Faint with hunger, empty handed His thoughts were then of other summers

And more pleasant days of fishing Presidents, of Monk and Bowser Fancied he saw Jones and Brinkley Hand in hand while tripping onward Across the gang way up to Cusors Then he cried in bitter anguish Punkin Center! Punkin Center! At the home of Mrs. Nokomis Stood a manly form in silence Did not parley at the door way But received kind words of welcome Took the lovely Minnehaha Helped her in the little Johnnie And they soon were speeding onward So 'twas he dispelled the famine SMALLFELLOW.

**FEW CENTS DESTROYS YOUR DAN-DRUFF AND STOPS FALLING HAIR.**

**Save Your Hair! Make it Thick, Wavy and Beautiful—Try This!**  
Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair. Get a small bottle of Knowlton's Danderine from any drug store or toilet counter, and after the first application your hair will take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance, an incomparable gloss and softness; but what will please you most will be after just a few weeks' use when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.

Do not forget the Fourth Liberty Loan is scheduled for the last of September.

**(Cincinnati Man Discovers Drug That Loosens Corns So They Lift Out.**  
Good news spreads rapidly and drug gists here are kept busy dispensing freezone, the recent discovery of a Cincinnati man, which is said to loosen any corn so it lifts out with the fingers. A quarter of an ounce costs very little at any store which handles drugs, but this is said to be sufficient to rid one's feet of every hard or soft corn or callus.

You apply just a few drops on the tender, aching corn or toughened callus, and instantly the soreness is relieved, and soon the corn or callus is so shriveled that it lifts out without pain. It is a sticky substance which dries when applied and never inflames or even irritates the surrounding skin. This discovery will prevent thousands of deaths annually from lockjaw and infection heretofore resulting from the suicidal habit of cutting corns.

The tables are turned. One can read the war news with satisfaction nowadays.

**GIRLS! WHITEN SKIN WITH LEMON JUICE.**

**Make a Beauty Lotion for a Few Cents to Remove Tan, Freckles, Saltiness.**

Your grocery has the lemons and any drug store or toilet counter will supply you with three ounces of orchard white for a few cents. Squeeze the juice of one fresh lemon into a quart of water. Add a pinch of white sugar and a pinch of bicarbonate of soda. This is a most refreshing lotion for the face. It removes freckles, tan, saltiness, and all the skin blemishes. It is also a most refreshing drink. It is a most refreshing drink. It is a most refreshing drink.

It's a relief to be able to stop cutting corns, making them bleed, wrapping them up like packages and using sticky tape and salves. It removes any corn clear and clean, leaving the toe as smooth as your palm. You can wear those new shoes without pain, dance and be frisky on your feet. It's great to use "Gets-It." "Gets-It," the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. M'd by E. Lawrence & Co., Chicago, Ill.

**Chronic Constipation.**  
It is by no means an easy matter to cure this disease, but it can be done in most instances by taking Chamberlain's Tablets and complying with the printed directions that accompany each package.

"Work or fight." Congress does both over most of the bills offered for its consideration.

**Has a High Opinion of Chamberlain's Tablets.**

I have a high opinion of Chamberlain's Tablets for biliousness and as a laxative," writes Mrs. C. A. Barnes, Charleston, Ill. "I have never found anything so mild and pleasant to use. My brother has also used these tablets with satisfactory results."

**Studebakers Last a Life Time**

**Paid \$105.00 for a Studebaker wagon 38 years ago**

**IN 1876 Mr. R. F. Dewey of Millersburg, Ind., bought a Studebaker farm wagon for \$105. Dividing \$105 by 38 years it will be seen that Mr. Dewey's Studebaker cost him—to date—\$2.77 a year.**

—and, as the wagon is still giving good service, every additional year that Mr. Dewey uses his wagon still further reduces the cost per year.

You can't beat this for an investment.

We carry a line of Studebaker wagons just as strongly made, just as reliable, as the Studebaker wagon Mr. Dewey bought 38 years ago.

Come in and look them over. We will demonstrate to you that a Studebaker wagon is an investment that pays every time.
