Belgium Has Refused German Peace Offer.

Paris, Sept. 14.--The Belgium government, after consultation with the allies, according to the Petit Parisien, has decided to refuse without elaboration the reported offer of a separate peace made by Germany.

An Amsterdam dispatch Tuesday said that dispatches received from known in competent circles in Berlin regarding the reported separate peace proposal to Belgium.

Information was received in London Sunday night to the effect that Germany had made an offer to Belgium.

The terms included the provisions that Belgium should remain neutral until the end of the war, that Belgium should use her good offices to secure the return of the German colonies and that their pre-war commercial treaties shall again be put into operation. The proposal contained no admission that Germany had wronged Belgium for anything concerning reparation or indemnities.

Doets, carrots and cabbage still flourish in the war gardens, even though green peas and sweet corn are now only a beloved memory.

Why Take Calomel?

Dr. Thacher's Liver & Blood Syrup will do all that calomel will do and without the "after effects."

Years ago, when people were billions, when the liver got lazy and failed to do its work or the stomach was out of condition, calomel was the standby.

By and by the users of calomel found that the "after effects" of taking the drug were as bad and more often worse than the ailment for which it was taken.

Dr. Thacher, in seeking a medicine to take the place of calomel--one that would do all the good that calomel would do, and yet leave none of its evil effects perfected Dr. Thacher's Liver & Blood Syrup. This was in 1852, and each year since has added to the confidence of those who have used it.

Miss Susie Brewer, of Chattanooga, Tenn., tried calomel. She was suffering with a very serious cold and gripe and had no appetite whatever. After using Dr. Thacher's Liver & Blood Syrup. She felt better after taking three doses and she soon got entirely well. "I think Dr. Thacher's Liver and Blood Syrup is a wonderful medicine," she said, "and I am very thankful I tried it."

For nearly three quarters of a century this sterling preparation has been an "old stand-by" in thousands of homes in treating rheumatism, dyspepsia, indigestion and other stomach and liver complaints. It is a powerful tonic and blood purifier and can be used with the utmost confidence.
