The armistice terms have been handed Germany, but as yet there is no indication as to whether she will accept them.

The latest reports from the election indicate that the senate is probably Democratic, but the house is fairly safe republican.

The Board of Health wishes us to state that it has cancelled the closing orders for the stores and will allow them to remain open all day, but advises all persons not to congregate in any place and to be especially careful of spreading the influenza.

**Deaths Around Pickens.**  
There were several deaths around Pickens last week.

Sickness has stopped people from visiting for some time. It is due to the fact that the influenza has come on account of sickness. Mrs. Belle West went home Saturday night after staying up in the town of West. She will return to her work again Sunday, the 21st of October.

Frank Bartholomew and Myrtle Dickens, both a young gentleman and a young lady, have passed away.

We hope Sunday School and prayer meeting will start up as lively as ever some time soon.

"SALLIE PAT"

**CHILDHOOD DAYS WERE DARKENED**

Little Girl Was So Irritable That Those Who Should Have Been Her Playmate Avoided Her.

There is nothing so pitiable as a child whose days are saddened by ill health, as was the case with Sallie Phipps, daughter of Mrs. C. R. Phipps, 37 South Street, Durham, who describes her daughter's condition.

"Sallie, who is now nine years old, was until quite recently, in such a physical state that life was miserable for her and everyone around her. She was so nervous that the presence of playing children drove her almost frantic. This was due to her health, her digestion was poor and her blood became so bad that she developed sores over her body. Weakened in this manner she was an easy prey for disease and developed pellagra. Nothing seemed to help her until I gave her Peplac, which quickly brought a change and she could soon eat solid food without distress. Her system is free of pellagra, she has gained in weight and strength, plays with the other children and is as happy as any child could be."

Peplac is sold and recommended in Louisburg at Scoggin's Drug Store, Winston-Blanks Drug Co., Youngsville T. E. Holding, Wake Forest, and W. W. Parker, at Henderson. Buy a bottle today, it has helped others and will do the same for you.

The saying 'few die and none resign' does not apply to Germany. Many are dying at the front and resignation seems to be the favorite occupation in official circles.

**BREAKS A COLD IN FEW HOURS—TRY IT!**

First Dose of Pape's Cold Compound relieves all gripe misery. Don't stay stuffed up! Quit blowing and snuffing!

A dose of Pape's Cold Compound taken every two hours until three doses are taken will end gripe misery and break up a severe cold either in the head, chest body or limbs.

It promptly opens clogged-up nostrils and air passages, stops nasty discharge or nose running; relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

"Pape's Cold Compound" is the quickest, surest, relief known and costs only a few cents at drug stores. It acts without assistance, tastes nice, and causes no inconvenience. Don't accept a substitute.

The slogan of the tank service is said to be "Treat 'em rough." Certainly there is not much of the pink tea element about tank life.

**LEMON JUICE IS FRECKLE REMOVER**

Girls! Make This Cheap Beauty Lotion to Clear and Whiten Your Skin.

Squeeze the juice of two lemons into a bottle containing three ounces of orchard white, shake well and you have a quart of the best freckle and tan lotion, and complexion beautifier at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orchard white for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles and blemishes disappear and how clear, soft and white the skin becomes. Yes! It is harmless.

Could there be a pleasanter occupation than raking leaves on a golden Indian Summer day?

Whereas the opinion of America seems to be that war is the best peace agreement we can make.

**No Worms in a Healthy Child**  
All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHLORIDE TONIC given regularly for two or three weeks will purify the blood, improve the digestion, and act as a General Strength-giving tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 50¢ per bottle.
