UNITED WAR WORK CAMPAIGN NOVEMBER 11th-18th

Add horror of war: The price of singing canaries has advanced from about two or three dollars to ten and twelve dollar each. However, when you have once bought your little songster you do not have to pay any war tax to listen to his music.

The people who have been seeking for years to reduce ought to be very much obliged to Mr. Hoover for each successive set of his rules. Reducing is now an involuntary rather than a voluntary matter.

A POPULAR GIRL WAS MADE HAPPY

Her Life Was Not From Pleasant Until She Made a Discovery That Changed Things.

This is a story of how Miss Marie Doggett, a well known Charlotte young lady, living at 912 N. Tryon St., was quickly transformed from a highly nervous, sick and underweight woman to a healthy, happy being. Miss Doggett says:

"I suffered from stomach troubles and catarrh for more than a year and began to lose weight. I was nervous, could not sleep at night and my skin was sallow and blotchy. I began to imagine that my condition was chronic and brooded over this. I lost all ambition and wanted to be left alone. I knew of the benefit my mother had obtained from Peplac and decided to try it. I began to improve almost immediately. I no longer had pains after eating; slept soundly and gained in

weight. I am now anxious to be 'peplac'ed for my 'peplac'ed for me. Some of the best beef you have seen at the City Market. I have almost unlimited space for the storage of baled cotton in sprinkled warehouses at reasonable rates, including insurance. CAROLINA BAGGING CO., Henderson, N. C."

I Owe My Life to PERUNA

Mr. McKinley's letter brings cheer to all who may be sufferers as he was. Read it:

"I can honestly say that I owe my life to Peruna. After some of the best doctors in the country gave me up and told me I could not live another month, Peruna saved me. Traveling from town to town, throughout the country and having to go into all kinds of badly heated stores and buildings, sometimes standing up for hours at a time while plying my trade as auctioneer, it is only natural that I had colds frequently; so when this would occur I paid little attention to it, until last December when I contracted a severe case, which through neglect on my part settled on my lungs. When almost too late, I began doctoring, but, without avail, until I heard of Peruna. It cured me, so I cannot praise it too highly."

It Cured Me
