

Will There Be a PIANO OR VICTROLA In Your Home Christmas

C. C. HUDSON
Oldest Piano Dealer in Franklin County.

Let Us Make Your Home Musical

Quit kicking about high prices. Do something. Don't talk high prices to me.
Let me talk low prices to you.

If you really want a piano or a Richtone phonograph come to see me at once... We have no agents... We have no factory experts; which at first makes a saving to you from \$100.00 to 150.00 on each piano... Second, we pay cash; a saving of 10 per cent. Third we have about fifteen 15 pianos bought February 26, 1918 which is another saving of over \$50.00 each. We have recently sold 12 pianos with a cost on an average of about \$6.00 a piano, which amount would not have paid an expert salesman not over 15 days work. Last Friday, the 8th, we sold in our store something over \$1000.00 worth of pianos, organs and phonographs. Why? Because of our past record for the selling the same goods for less money. We will today sell you a piano or phonograph cheaper than you can get it at the factory.

Buy Here and Save the Difference

Remember we have 25 high phonographs. If we had signed contract to sell at list price as some of our competitors have, and as we have done in the past, we would have to charge you about 66 2-3 per cent more. We have decided for the holiday trade the next thirty days to make a record breaking in cutting prices.

Remember, every cent you spend foolishly is banked by someone. Why not bank it yourself? It is your money, save it. Come and see us all we ask. You will find how much money you will save. It is just like finding money, at Hudson's who is giving you all the advantage of looking ahead and good buying. Many things being sold cheaper than I can buy them again wholesale. Good quality spells what Hudson sells.

"WE SELL EVERYTHING FROM TOOTHPICKS TO PIANOS," ————— The Same Goods For Less Money.

Our toy land store will open just as soon as we can make room for it, which will be announced later.
